ARMC Foundation VOL 17 | MARCH 2025

Newsletter

ARMC Academy - Applications Due March 21!

ARMC Academy is a summer internship designed for high school students interested in healthcare careers. Eligible students are welcomed into the hospital for a professional, practical learning experience. Students are placed in a variety of clinical settings, rotate assignments at least once during the program, have opportunities for short one-day placements, and may participate in lunch-and-learn presentations that provide a well-rounded perspective of both clinical and nonclinical departments of the healthcare system. The culmination of the experience is a commencement program during which students give a presentation on their experiences and are awarded with their scholarship.

ARMC Academy Class of 2024

The ARMC Academy program is administered by ARMC Foundation in support of ARMC. Since its inception, over 120 local students have participated in ARMC Academy, and many have returned to ARMC as caregivers. Applications are available through school guidance counselors and on the ARMC Foundation website.

Applications are due on Friday, March 21, 2025. For more information, visit the link below or contact Amy at 440-997-6604 or amy.price@armchealth.org.

VOL 17 | MARCH 2025

March 30 is National Doctors' Day!

Doctors' Day 2025 is an opportunity to let physicians know how they have touched your life, or the life of someone you love, and a chance to make a contribution that honors their dedication, expertise, and compassionate care.

Honor a doctor with a meaningful donation and support the ARMC Foundation. Along with honoring a special doctor, your donation helps ARMC Foundation support Ashtabula Regional Medical Center in advancing quality healthcare.

To honor an ARMC physician, please visit the events page on our website to download the Doctors' Day Giving Form or donate online. Donations of any amount will be recognized.

Please contact the Foundation with any questions at 440-997-6942 or mattingly.spence@armchealth.org.

"Volunteers do not necessarily have the time; they just have the heart."
-Elizabeth Andrew

ARMC Volunteer Services

At ARMC, volunteers are an important part of our care team. Volunteers support our patients, visitors, and caregivers in many ways, providing the personal touches that patients and their families need.

The ARMC volunteer program is coordinated by the ARMC Foundation in support of ARMC. Volunteers aid caregivers and improve the patient experience.

Volunteers, 16 years of age and over, serve in a number of capacities including: the Huffman-Mayer Wealth Management Gift Shop, outpatient registration, surgical waiting room, comfort runners on inpatient floors, spiritual care and the ARMC information desk. We work to match your goals and interests with opportunities.

All volunteers must be able to commit to a minimum of two 4-hour shifts per month for at least 6 months during the year and complete an onboarding process including a background check. Volunteers under 18 must also provide a letter of recommendation from a teacher or guidance counselor and a vaccination record.

Contact Amy Price to learn more.
440-997-6604 or amy.price@armchealth.org .
