

Eliason

ENG-1 Traffic Door

Attractive and Upscale Quality

The Eliason® ENG-1 restaurant door is engineered and manufactured in the same tradition of high quality and dependability built into every Eliason® door. With its neatly Hidden Hardware (patent pending) and flush mounted window, this attractive door is perfect for upscale environments. This 1-1/2" thick door with its unique core construction provides excellent strength while being lightweight. This stylish door provides the same reliable service and uncompromising quality you've come to expect from Eliason®.
