

Eliason

# SCP-1 Traffic Door

*Strikingly Classic Appeal.*

SCP-1 traffic doors are installed in kitchens, restaurants, banquet halls, cafeterias, hospitals and hotels around the world. These very attractive traffic doors offer the classic look and durability associated with stainless steel. These doors operate on the Easy Swing® Hinge System pioneered by Eliason more than 50 years ago, and still the smoothest operating and most reliable hinge system on the market today.
