## SPEED AND QUALITY

Produced by Eliason, StyleCraft is built with the same great quality and lead times that our customers have come to expect from our traffic doors. With a focus on precision engineering and top-notch materials, StyleCraft delivers exceptional durability and performance, ensuring you can rely on its long-lasting functionality. Trust Eliason to provide the perfect blend of speed and quality. Do you need a door that's made in the USA? We have options for you!

## PREP OPTIONS

The StyleCraft door can be prepped for standard and heavyweight hinges and cylindrical locksets.

## FRAME OPTIONS

Eliason offers both hollow metal and stainless steel frames that can be butt-mounted or wrapped for most wall conditions. The frames are available with a variety of mounting systems.

## DOOR PANEL

StyleCraft is designed with a 5-ply core with laminate adhered to the faces and all edges of the door. Eliason uses high quality HPL that is available in over 20 laminate choices and the ability to customize to your choosing. The leading edge of the door is beveled to allow for smooth operation.
