## WHY CHOOSE PLYLER?

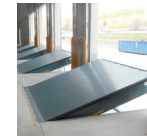

Plyler Entry Systems was founded in 1967, a father and son operation that installed and repaired garage doors. Today, the company is a third-generation, family-run business serving a range of commercial and residential customers. Our commitment is to provide complete customer service, satisfaction and the best application of the highest quality products to our customers.

## PLYLER SERVICE COMMITMENT

- 24/7 local emergency service on any brand or model
- Full-time, innovatively trained technicians for all installation needs
- Preventive maintenance programs
- Diligent installation meets ADA guidelines
- Truck fleets that get to you as soon as possible
