

relax in cool comfort

retractable patio & deck awnings

A new generation of SHADE

There is nothing more enjoyable on a warm, sunny day than being **outside on your patio, deck or terrace** relaxing with a good book or entertaining family and friends. However, heat and dangerous ultraviolet rays from the sun can hinder your plans and limit the amount of quality time you spend outside.

Aristocrat® Retractable Awnings **provide cool, comfortable shade** when you need it, protect you from the sun and enhance your outdoor living experience. With the world's finest selection of solid and striped color fabrics, Aristocrat Awnings can **add beauty and value to your home**. Awnings also help you **save energy** by reducing the amount of solar heat gain in your home and lowering your cooling needs and costs.

Precision made by Craft-Bilt Manufacturing Company, a leader in the home improvement industry since 1946, Aristocrat Awnings feature the latest advancements in technology, electronics and engineering to provide beautifully crafted and durable products truly worthy of their name – ARISTOCRAT.

RETRACTABLE AWNINGS . . . expertly designed, professionally installed and built to **PERFORM** and **LAST!**

"I worry about sun exposure. Our awning provides added protection when we are outside on our patio and provides me with added peace of mind."

The BEST FABRIC WARRANTY in the INDUSTRY!

12 YEARS on Northport Series Fabrics

Create instant shade . . . at the touch of a button!

Aristocrat® Awnings are engineered and designed to give you an attractive, durable awning with features that stand above the rest. With several awning models to choose from, and a host of size, color and accessory options, you can **select the perfect awning** to meet your individual needs, style and budget.

Unlike fixed frame awnings, Aristocrat retractable awnings never need seasonal removal and can be opened and closed at your discretion. A **motorized option** allows you to easily control your awning at the push of a button, while optional sensors can automatically operate your awning when sun or wind is detected.

The Craft-Bilt® Fabric Collection™ features the finest selection of American and European awning fabrics, in **hundreds of colors and patterns**. The solution dyed acrylic fabrics are designed to be durable, resist mildew and maintain

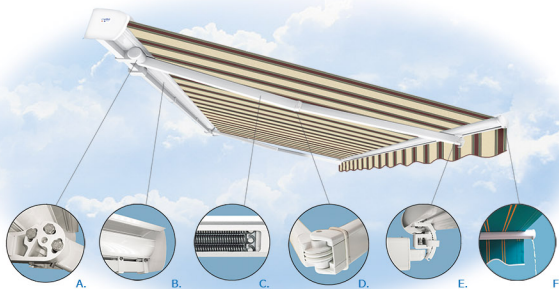

exceptional colorfastness and vibrancy, adding beauty and protection to your home for years to come.

Every Aristocrat Awning comes with Craft-Bilt's exceptional Limited Lifetime Transferable Frame Warranty and **12 Year Fabric Warranty** on Craft-Bilt Northport Series fabrics.

"I love how easy our awning is to use and it really looks great."
