Corry Area High School

Corry, Pennsylvania

Dedication

Howard J. Sheen

Mr. Howard J. Sheen, one of the most familiar and beloved figures of CAHS, will have dedicated forty-one years as a teacher and principal in Corry at the time of his retirement, September 30, 1960.

Mr. Sheen has set a wonderful example to all who have been under his leadership or who have been in association with him in any way. He has always had a deep concern for the welfare of his teachers and students, and he always seemed to find time to talk with them about their problems.

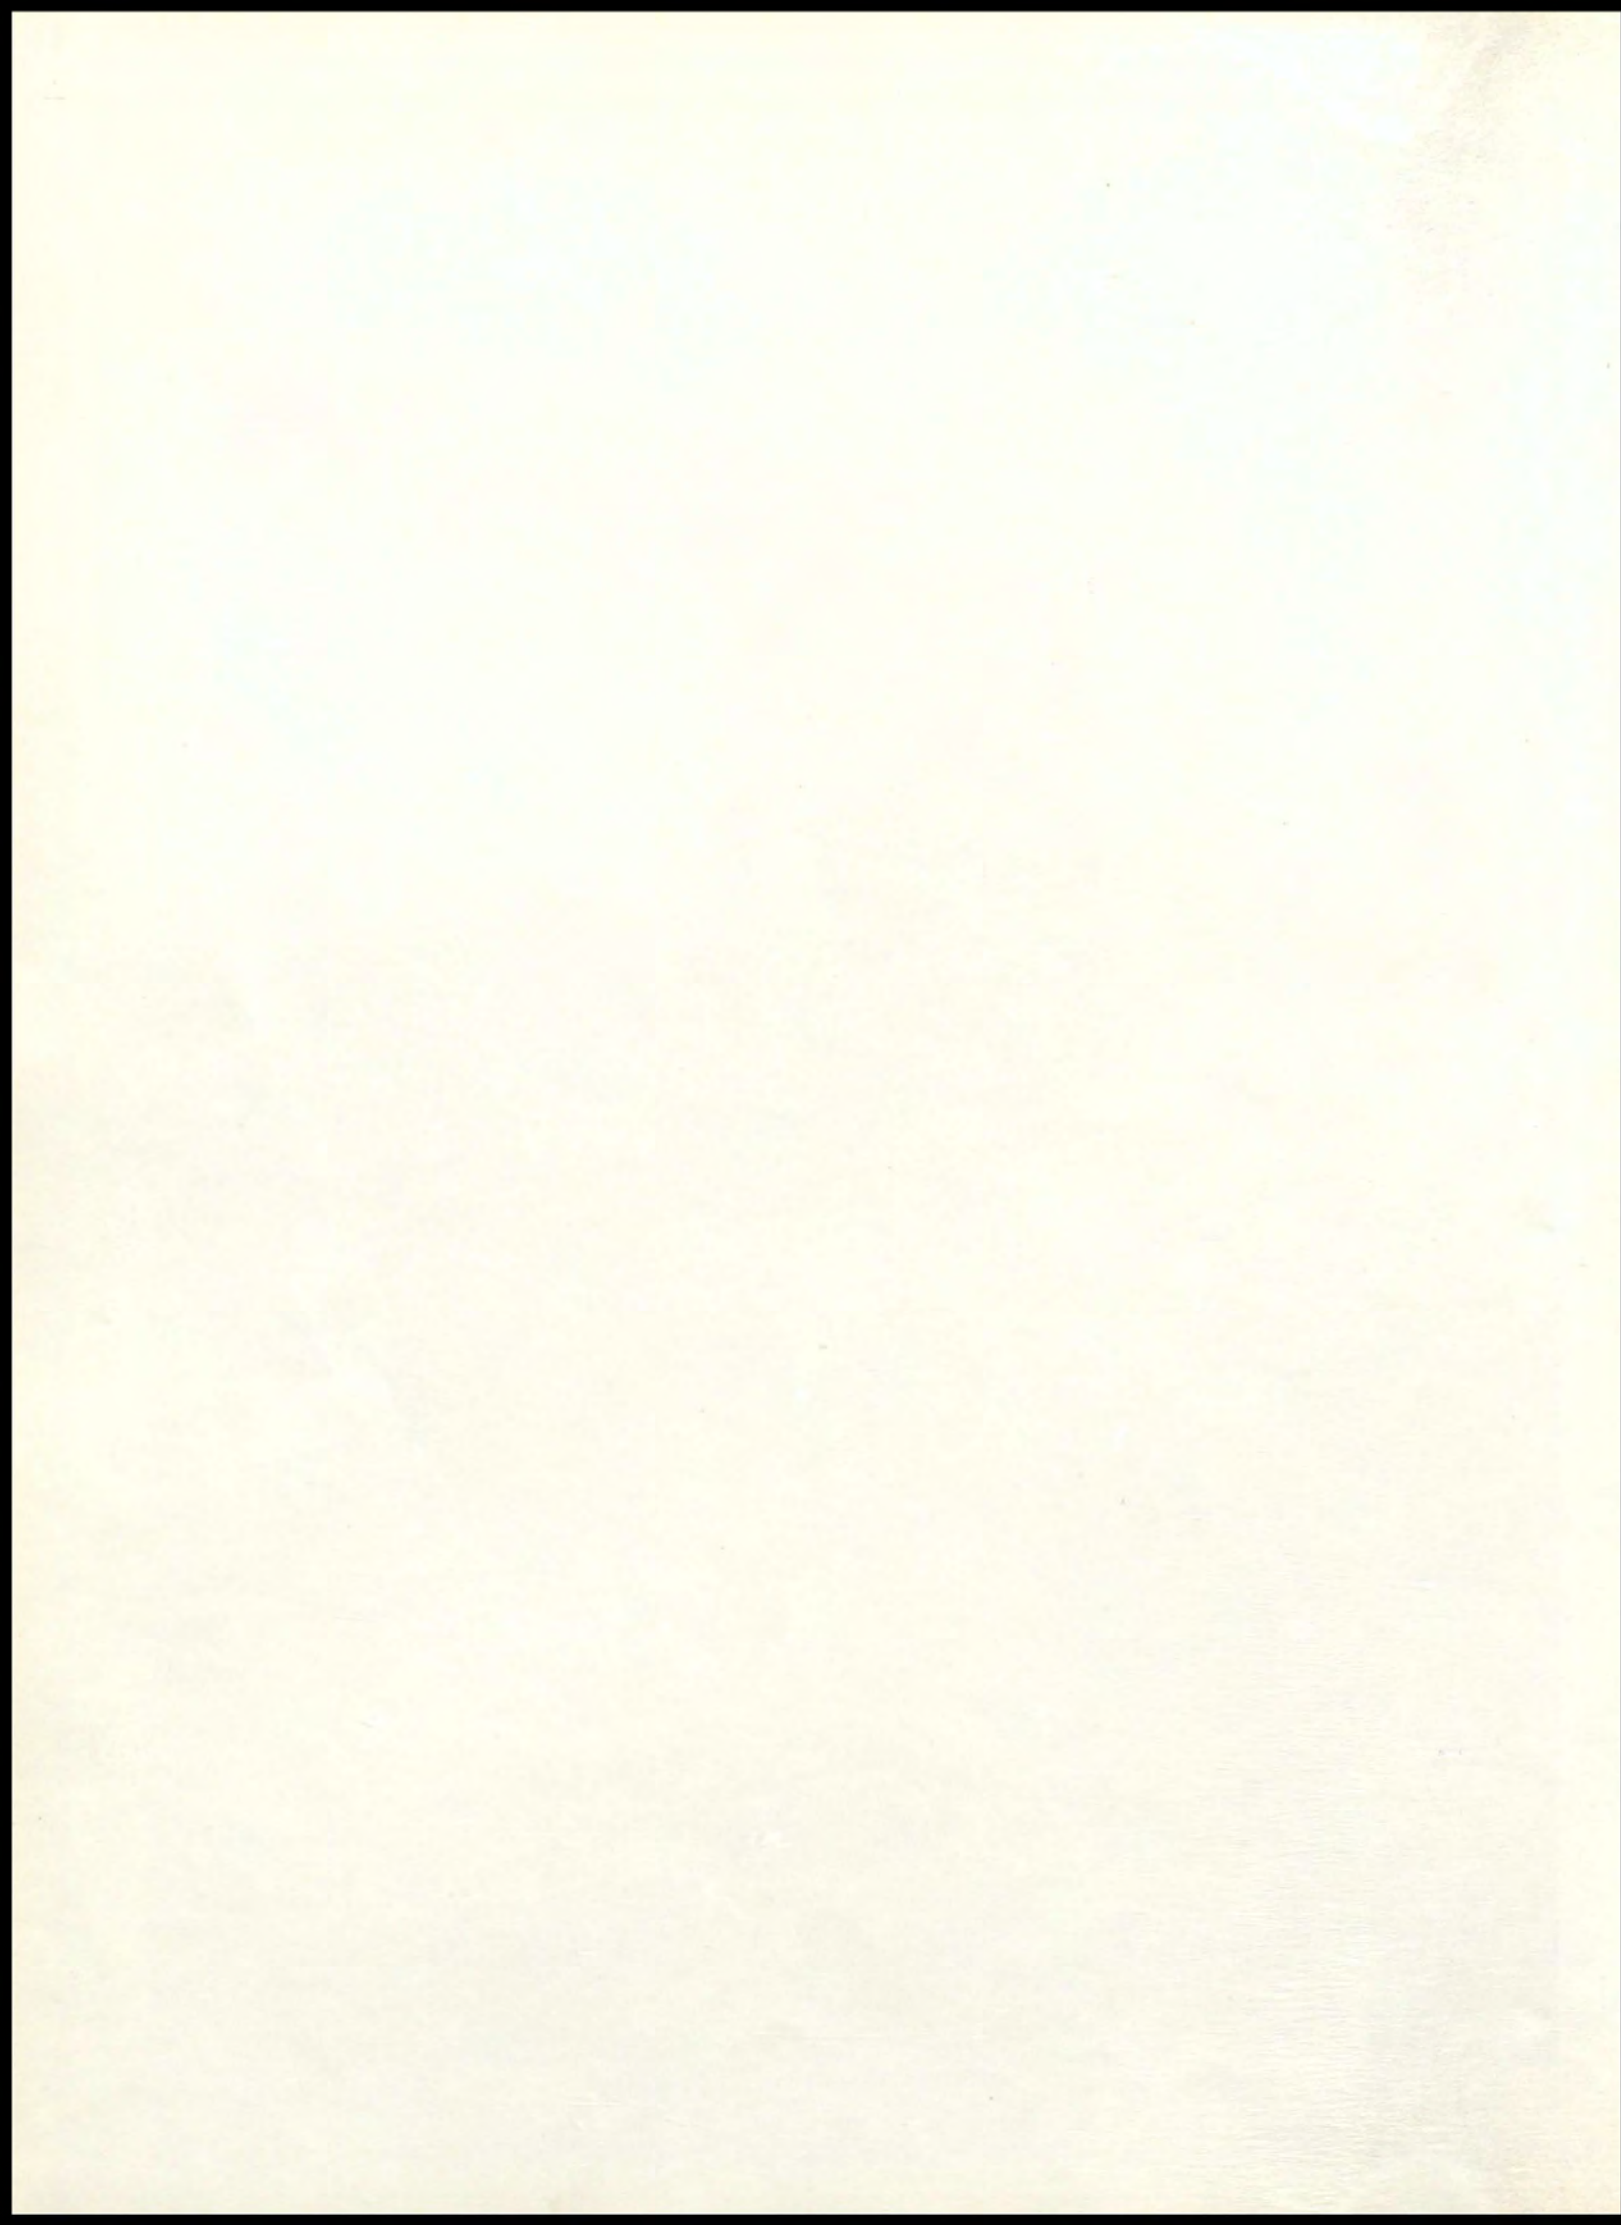

In 1919 he came to Corry as a science instructor and coach for the entire athletic program. He became vice-principal in 1922 and held that post until September, 1925, when he was elected principal, which position he has held for thirty-five years.

One thing we know will always be associated with him is the word "top-notch." It seemed to be his favorite adjective and described everything from a football game to a dance.

Corry Area High will not be the same without Mr. Sheen, and we regret to have him leave.

We, the Seniors of 1960, are proud to dedicate our yearbook, the Corrian, to Mr. Howard J. Sheen.

Senior Class History

Having arrived at a very important step in our lives, we, as seniors, look back to the time when we entered junior high and wonder how the time could have possibly passed so quickly. Let us now try to recall some of the activities that have made senior high school so enjoyable.

The Senior Class entered junior high in 1955 and is the first class to complete all six years in Corry Area Junior-Senior High School.

During our sophomore year, we presented the first sophomore play, "Off the Track," in connection with the fund-raising campaign for an organ. In November of that same year, a Sock Hop was held instead of a Sophomore Prom. Conneaut Lake Park was the scene of the class picnic.

As juniors we presented a play, "Mother is a Freshman," under the capable direction of Mr. Philip Legal. Proceeds financed the annual Junior-Senior Prom. "Belles and Beaux" was the theme of the big event and will long be remembered by those who attended. Again the class picnic was held at Conneaut Lake Park.

There were many activities during our senior year. Among them were the party in honor of our exchange student from Chile, Rosa Larrondo, the beatnik dance at "Jerry's Pad," the Junior-Senior Prom, and many other dances. Besides all the parties, much serious work was done by the class officers and their committees.

We wish to thank our class advisors, Mr. William Miller, Mrs. Minna Stahl, and Mrs. Mary Jourdet for the guidance they gave us. With the passing of time, we know we will always remember our wonderful high school years.

Sophomore Class Play

The first annual sophomore play, "Off the Track," was presented under the direction of Mr. Fred Schwab, with Linda Tarbell as student director.

It was an amusing comedy about people of all walks of life who, when their train was derailed, were forced to spend a night in a small wayside railroad station.

Proceeds were added to the Organ Fund.

With "Belles and Beaux" as a theme, the Corry Area High School gymnasium was transformed into a southern plantation for the annual Junior-Senior Prom on April 3, 1959. After entering over a flower-covered log bridge, colonial decorations and the music of the Neil Charles Orchestra provided a romantic setting for the many dancing couples.

Highlight of the evening was the crowning of Miss Ann Corbin as queen of the prom. She and her escort, David Hillstrom, were honored with a special musical number. Serving on the queen's court were the following girls and their escorts: Sally Crowell and Robert Palmer, Joan Drobneck and David Simmons, Mary Flowers and Thomas Mowrey, Judy Dodd and Terry Carroll, Mary Ellen Downey and Kenneth Downey, and Phyllis Shannon and Robert Shepard.

Following the dance, the Post-Prom Party, sponsored by the Parent-Teacher Association, was held at the Moose Home.

ROSA LARRONDO

Rosa Larrondo, Corry Area High School's second foreign exchange student, comes from Santiago, Chile. She arrived in Florida August 28, 1959, by way of a chartered plane with sixty-five other students. She then flew to New York City, where she boarded a bus to Erie.

Rosa is a pretty lass who likes to swim, attend parties, listen to music, ride horseback, talk, and dance.

At home in South America, Rosa lives with her parents, Mr. and Mrs. Caesar Larrondo, and two brothers, Caesar and Enrique. Her American parents are Mr. and Mrs. Merle Dodd. Taree Dodd, also a senior, is her "sister."

Rosa, who will be eighteen June 5, had graduated from high school and had attended the University of Chile for three months before she came to the United States under the American Field Service foreign program. At the completion of her visit here, she will continue her studies at the University as an engineering major. She has had six years of English in high school and therefore speaks and writes our language very well.

Rosa is well-liked by everyone at CAHS--students and faculty--and has indeed made a very good impression on us. We sincerely hope she has enjoyed her year here as much as we have enjoyed having her. She is truly a very friendly and wonderful person to know.

Finalists in A. F. S. Program

When a school has an American Field Service Foreign Student Program, it is eligible to participate in the American Field Service Americans Abroad Program and send a member of the present junior class to Europe for a ten weeks' program.

One lucky member of the Class of 1961 will have the opportunity to visit a foreign country under this program.

Out of the sixteen Juniors who applied for consideration, six were chosen by the Exchange committee, and their applications were sent to New York City for the final selection. They were: Michael Anderson, Harrison Cole, Sandra Snodgrass, Catherine Tate, Donald Wharton, and James Williams. The Exchange committee included Miss Jean Nichols, Edward Blakeslee, H. Lynn Rice, David Yard, Dr. T. S. Kelsey, Mrs. D. Armour Hillstrom, and Mrs. Mary Jourdet, president. Mrs. Jack Stahl, Miss Nellie Titus, and Mr. Howard Sheen assisted them.

The six applicants had to complete numerous tests, themes, applications, and many other forms. They must have completed two years of a foreign language, be sixteen years old by June 30, 1960, in excellent health, and a United States citizen. General qualifications are: 1. Ability to adapt quickly and easily to different people and situations. 2. Human understanding. 3. Outgoing personality, curiosity, and interest. 4. Scholastic ability. 5. Recognition of responsibilities and purposes involved in the AFS program, and clear understanding of its aims. 6. A real desire to participate wholeheartedly in this program.

The six stated that they would like to go abroad to give foreign people a true picture of an average teenager of our country: show them that most American teenagers are clean-cut and accept responsibility; bring about better relations through better understanding; and learn and observe their customs, mannerisms, and the problems they experience in everyday life. They all expressed a desire to meet new people and travel in new countries.

These six students are all capable and could do a fine job representing our school and country. However, only one may be chosen, and that decision will be made by the officials in New York. Notification of the winner should be made in the spring.

Junior Class History

This year was one that will be long remembered by the Class of 1961 for its many memorable activities.

Class rings were carefully chosen by the officers and proudly displayed in December.

The annual junior play was successfully presented under the very able direction of Mr. Philip Legal. This was perhaps the most important venture undertaken by the class because the proceeds financed the Junior-Senior Prom and Banquet.

The Juniors are eagerly anticipating their final year of high school. It will add many happy memories to those of this year.

Sophomore Class History

Sophomore elections were held September 10 in the cafeteria. James Roberts was elected to serve the sophomores during their first year. Plans were made for forthcoming activities.

A semi-formal dance was held in the spring of the year and provided an enjoyable evening for all who attended.

The sophomore English classes held candy sales to raise funds for the purpose of bringing actors from the Erie Playhouse to Corry on December 18 to present "Julius Caesar."

The class picnic at Conneaut Lake Park brought the year to a close.

The Student Council is made up of a group of students elected by their homerooms to represent the student body.

During the year orange and black book covers were sold.

The members worked hard to prepare a Student Handbook and to revise the constitution. To help them know what the students wanted revised and improved, they put folders on the bulletin boards of each homeroom for suggestions anyone might have.

This group was also in charge of all assemblies. They put on their own Thanksgiving and Christmas programs, which were well received.

This year 1959-60 marked the birth of "The Beaver" at Corry Area High School. The title of the monthly newspaper--which for many years has been "Hi-Times"--was changed by the editorial staff of the newspaper, headed by J. Karen Mallick.

"The Beaver" was named one of three county winners in the annual National Health and Tuberculosis Association contest. An award was presented to the newspaper for the staff's contributions which were judged on originality and good journalistic style.

As work was actually begun, the members of the Corrain staff realized preparing a yearbook for publication was not an easy task. Through the combined efforts of the sophomores, juniors, and seniors, we feel we may be justly proud of our annual. Many hours of hard work and planning went into it.

Contributing to the busy year were senior pictures, advertisements, class pictures, club pictures, book sales, and write-ups.

The typing assistance of Pat Wenzel, Sandy Way, Bonnie Anderson, Judy Gronostaj, Phyllis Daniels, Rose Mary Fenton, Carol Chiricuzio, Madeline Dundon, Maxine Dundon, Joni Duma, Pat Sherlock, Mary Brockman, Kathy Bloss, Lorna Foster, and Dorothy Hartel was greatly appreciated.

The Projection Club was made up of a group of students who met once a week for the purpose of learning more about audio and visual aids.

Among the machines they studied and learned to run were movie projectors and tape recorders. They learned how to thread the projectors and how to splice the films together in case of a break.

During the year, the members decided to start a film library, which would increase by at least one film a year.

The club was also responsible for helping Johnny Parsons show the film on "Driving at the Indianapolis Speedway."

The boys coming into the F.F.A. received the Greenhand degree and at the same time were initiated. A little later the Sophomores were initiated into the next highest award--the Chapter Farmer Degree.

Much planning and work went into the required display at the Wattsburg Fair.

Throughout the year the F.F.A. members participated in four television shows over W.I.C.U.

During the Chamber of Commerce Harvest Days, the F.F.A. prepared an educational display.

A Donkey Basketball Game was held for the purpose of raising money.

Every year the best boy out of fifty has gone to the Harrisburg Farm Show. This year Robert Darrow was selected by the State Advisors to receive the award of State Farmer, the next highest award to Chapter Farmer. He is the second boy from Corry to receive the award.

All the boys were required to have at least one project outside of school, and one of the main types of projects was beef steers. These steers were sold at the annual Northwestern Pennsylvania Beef Show and Auction held at Union City.

At the end of the year, a Parents' and Sons' Banquet was held in the Corry Area High School cafeteria, at which time any outstanding awards were given.

The Beatnik dance was one of the most successful dances ever held in the Y.M.C.A. The New Year's Eve Dance was also a tremendous success. As a service project they worked with the Salvation Army at Christmas.

A trip to New York City in June was the goal for this year's senior members. The annual Older Boys' conference and the Officer's Training Conference were also highlights of the year's activities.

The boys selected Talon Inc. of Meadville for their out-of-town annual tour and found a most unique experience in observing the facilities of that famous plant. A pre-arranged luncheon on the way home was an added feature.

Eating is a forte of this organization. An innovation this year was a Halloween dinner at the school cafeteria and, of course, the twelfth annual Christmas party was held there.

Education-wise the film committee brought a dozen strong industrial stories to the members. To complete the club's program, Mr. Joseph Liabach, Chief Tool Engineer of Aero Mfg. Co. Inc. and Arnold Johnson, Design Engineer of Rogers Structural Steel, gave lectures of great importance to the would-be machinists of tomorrow.

At Christmas time, the Sophomore, Junior, and Senior Tri-Hi-Y Clubs held a Holiday Helper's Hop. The price of admission was a toy, which was later given to the Salvation Army.

Other activities included a splash party, slumber party, and dance.

The Junior High School Library Club had sixteen members from the ninth grade. The group worked with the Senior High Club as assistants to Miss Nichols in keeping the library running smoothly.

Members had candy sales and several interesting programs and panel discussions during the year. The club, which was organized this year, met once a week.

Working in the library was both educational and helpful in learning the organization and work.

The Industrial Arts Club was made up of a group of boys interested in tools and basic processes found in industry, school, and home. The club gave members a vast area of information and experiences to be explored at their own pace and interest.

A plan was derived by the club to pursue individual experiences and interests based on projects and repair. To the members, this meant one period a week to be used to cultivate initiative in repairing and sharpening home tools; building new tools; and designing and building projects such as lamps and knives.

As the hills of Pennsylvania
Rise to skies of blue,
So ascends our veneration,
Corry High, to-you.

Let the chorus swell in athems,
Far and loud and long,
Corry High School and her glory,
Ever be our song.

There amid the busy humming
Of our city fair,
Proudly stands the old High Building
Tis for her we care.

Though from here our paths may sever,
Distant unknown ways,
Still abides the memory ever,
Of our High School Days.

Chorus--
Raise the chorus, speed it onward
Till the echoes flee,
Here's a cheer for Corry High School
Hail,--all hail to thee.

ASSOCIATED PRESS ALL-STATE SCHOLASTIC TEAM

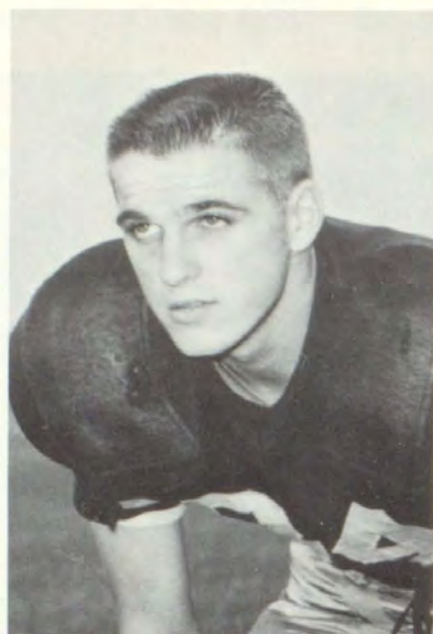

Third Team . . . Robert Lindsey, Tackle
Robert Lindsey, a tackle on the 1959 team, was the twenty-third Corry High School football player since 1948 to rate the distinction of being mentioned on the All-State squad.

The Beavers experienced their most disastrous season, emerging victorious in only two of the nine games on their 1959 schedule. They finished fourth in the Section II Football Conference. This was the only year since the organization of the conference that they were not able to place among the first three teams in the league. Although they were able to score in eight of the nine games played, the Orange and Black did not have the offensive punch characteristic of Corry's varsity football teams. They also proved woefully weak on defense by yielding a total of 219 points to their opponents.

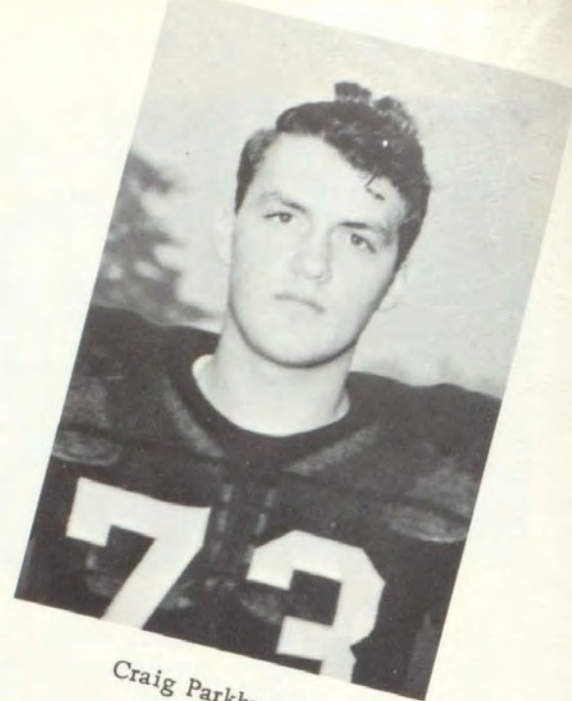

Heading the 1960 delegation of returning lettermen is a fine corps of backs which should be able to boost the Beaver's stock in the coming campaign. Many varsity linemen will be lost via graduation and the replacement of linemen James Reagle, Bob Lindsey, Leroy Rieck, and James Maloney will present a problem to the coaching staff.

Wrestling

Corry Beavers, coached by Felix Matthews, were in every match this year and were as game as any team in Section II. They wrestled hard and clean and gained respect from all opponents. Losing only four seniors, the Beavers should be strong next year.

The team elected Frank Malek as honorary captain for the year and Gary Fralick as the recipient of the Louis Ball Outstanding Wrestling Award. The hopes are high that G. Fralick, K. Stutzman, F. Malek, and R. Lindsey may become Section II Champions.

Advisor	Mr. F. L. Edwards

The general purpose of the Beaverettes is to promote school spirit, not only in athletics but in the entire school. It is limited to forty senior girls.

The girls usher at all home games and act as hostesses. With the aid of the Varsity Club they took the job of raising funds for the senior sweaters.

It is an annual custom to serve a dinner. This year it was a spaghetti dinner held in January.

D. A. R. Award

Barbara Weicht

Each year a girl in the senior class is chosen to receive the D.A.R. Good Citizens Award. She is selected by her fellow students and approved by the faculty as possessing to an outstanding degree the following qualities:

1. Dependability--which includes truthfulness, loyalty, punctuality.
2. Service--cooperation, courtesy, consideration of others.
3. Leadership--personality, self-control, ability to assume responsibility.
4. Patriotism--unselfish interest in family, school, community, nation.

Barbara Weicht was the winner of this year's award. She received a Certificate of Award and a Good Citizen's Pin, as well as the right to compete in an essay contest to determine the state and national Good Citizen.

Congratulations to Barbara on receiving this D.A.R. Award.

School Treasurers

Phyllis Daniels

Linda Bailey

Phyllis Daniels, the School Treasurer, was responsible for the handling of large sums of money received from the various school organizations.

Each day money received was deposited in the local bank to enable the organization to request checks from the general fund. Phyllis handled the checks drawn from this fund and prepared a statement for each club or organization every month.

The Student Business Manager of Athletics, who works in close cooperation with the school treasurer, was Linda Bailey. She kept records of money received and withdrawn from the athletic account and recorded the expenses of each game.

What was that combination?

Mike Won English Teacher's Award

In January, 1960, Michael McLaughlin was named one of thirty students in the state to share in awards for excellence in English in nationwide competition sponsored by the National Council of Teachers of English.

The most important document among the many required to enter the contest was the Corry senior's paper on Aeronautical engineering, dealing with the work of Dr. Wernher Von Braun.

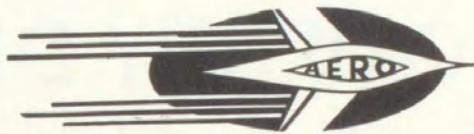

In addition, Mike was also required to submit three compositions including an autobiography, an impromptu paper, an out-of-class paper, biographical data, the results of a standardized composition test, the results of a standardized literary awareness test, and supporting letters from a teacher and a school administrator.

He received a certificate emblematic of the honor at a special assembly.

Congratulations to Mike on receiving this coveted award.
