## *Dedication*

Because . . .

Because you have formed lasting friendships among us;

Because you are a cheerful and efficient organizer;

Because you have given so much understanding to our class;

Because you have given us capable leadership;

Because of these, we, the Class of 1965, dedicate our

Corrian to you.

# ADMINISTRATION

## *Superintendent*

THOMAS R. SHUPE  
Superintendent of the Corry Area  
Joint Schools

### Class of 1965:

You have now reached the end of the long, long trail of formal education in the public schools. This is a day of extreme importance as well as personal satisfaction to you. It is an important one for others too. Parents, relatives and friends share the thrill of accomplishment with each member of the class who receives his diploma.

Graduation means more than satisfying compulsory attendance laws. There are objectives which each of us should attain in our public school career. Character, citizenship, participation in good government, civic responsibility, how to live with others, and how to use and appreciate our spiritual resources -- all of these objectives should be partially attained at this point. We can never rest on our accomplishments but must continue in some way to move steadily forward to complete attainment of these goals of good living. May each of you be blessed with the opportunities to reach these goals and enjoy to the fullest extent the blessings of living in this great era of history.

We wish you well.

Thomas R. Shupe  
Superintendent

## *Principal*

LEROY G. PECK  
Principal

Dear Class of 1965:

Congratulations to the Class of 1965 and may you continue to be successful in the future. Many of you will continue your formal education, and others will continue to learn additional skills for living in a less formal manner. In either case, your education is far from complete! The education you have attained thus far will serve as a base for the future. You are now presented with a new opportunity and a new challenge which you should accept with confidence. Strive for improvement for your fellow man and for yourself.

The 1964-65 school year has provided you with a unique and unforgettable experience. You have survived the unwelcomed fire in November in an admirable manner. Let this experience remind you that when tragedy strikes the only solution is to solve the problems at hand and work toward the goals you are striving to attain.

Speaking for the faculty and administration, we wish you success in the future and remind you of your increased responsibility as a citizen in a changing world.

A special word of thanks to the Corrian Staff for a job well done and also for the opportunity to present this message.

Sincerely your principal

Leroy G. Peck

J. Donald Watson  
Director of Secondary Education

#### Members of the Class of 1965

##### Greetings:

It seems that the members of each graduating class are faced with different problems from the classes before them. This year certainly provides an outstanding example of this fact.

If in your school career we have developed in each of you a thirst for knowledge, the ambition to work, and the ability to think and to solve new problems as you meet them, we shall have achieved our goal and your days in school will have been worthwhile.

It is my personal hope that each of you will continue to find health, happiness and joy in useful service which will bring comfort in worthy living in the days and years to come.

Sincerely,  
J. Donald Watson

Russell L. Brant  
Assistant Principal

I appreciate this opportunity to thank the members of our faculty and our student body for the fine cooperation shown during and after the destruction of our high school by fire. Without your assistance our educational program would have been greatly curtailed.

To the seniors, my congratulations and best wishes for a happy and successful life in your chosen field. To the underclassmen, may we look to a future filled with even greater accomplishments than we have realized in the past.

Russell L. Brant  
Assistant Principal

## *Senior Class History*

The Class of 1965 will soon leave the school rooms and corridors and go their separate ways. They will remain as a class in the smiling faces in the Corrian and in the memories of their years together. These memories will begin with the Spring Dance of the Freshman year, the assembly, class dance, and picnic of the Sophomore year.

The Junior year was filled with excitement: class rings, the hay-ride, a toboggan party, the AFS bond sale, and the news that Tom Pierotti was to go to Costa Rica for the summer. There were two stage presentations: "Fun Is Bustin' Out All Over," directed by Mr. Bennink, and the class play, "Lock, Stock, and Lipstick," directed by Mr. Legal. The banquet and prom, the beautiful Viennese Ball, were unforgettable nights. At the end of school, there was the class picnic at Allegheny State Park and a summer rendezvous at the Peninsula.

The Senior year will be a different sort of memory. The pall of the fire which destroyed the Senior High wing hangs over everything, but shining through is the will and determination of the class to accept the shorter, later hours and to refuse to sacrifice their Senior Days to discontent and senseless complaints. The rain-drenched hayride in October was a typical example of a class determined to work and play together in spite of weather or fate. Alvaro's Christmas party when he was presented with his class ring and a phone call to his family in Brazil started the Christmas holidays. The Senior play "One Foot in Heaven" was presented in spite of odd rehearsal hours and limited stage time. The prom, the last class picnic, and commencement are more precious and more significant memories. This class and the others in school now have a new appreciation for things which were formerly taken for granted.

The class wishes to thank its advisors, Mr. William Miller, Mr. Max Bennink, and Mrs. George Orcutt for their help and guidance. To all the other classes, the Class of 1965 extends its best wishes for success and happy days and eventual memories as pleasant as their own.

### ALMA MATER

As the hills of Pennsylvania  
Rise to skies of blue,  
So ascends our veneration,  
Corry High, to you.

Let the chorus swell in athenms,  
Far and loud and long,  
Corry High School and her glory,  
Ever be our song.

There amid the shining hillsides  
Near our city fair  
Proudly speads our stately high school  
'Tis for her we care.

Though from here our paths may sever,  
Distant unknown ways,  
Still abides the memory ever,  
Of our High School Days.

Chorus --  
Raise the chorus, speed it onward  
Till the echoes flee,  
Here's a cheer for Corry High School  
Hail, -- all hail to thee.

Barbara Radecki, Cynthia Buesink, Charlene Dubrosky, Violet Mink, Mike  
Baressi, Connie Root, Judy Darnofall, Barbara Carlson, Linda Turben.

A Vienesse Ball theme was beautifully carried out by the members of the class of 1965 at last year's prom.

An amazing transformation took place in the gym when large white pillars and a magnificent tiered fountain were added to a glimmering crystal chandelier in a gold and white color theme.

Music for the memorable occasion was provided by Jimmy Shea's orchestra.

Highlighting the evening was the coronation of Cinla Egeman, our foreign exchange student from Turkey, as prom queen. Members of the court included: Connie Root, Violet Mink, Judy Darnofall, Charlene Dubrosky, Barbara Radecki, Barbara Carlson, Cynthia Buesink, and Linda Turben.

A post prom party, sponsored by the parents of the members of the junior class, was held at the V.F.W. with the Raiders providing lively entertainment.

ROW 1: Queen Cinla, Bill Bachofner. ROW 2: Violet Mink, Phil Stoke, Mike  
Baressi, Tom Flowers, Connie Root, Dennis Crowell, Judi Darnofall.

## *American Field Service Student*

Alvaro Antonio Saldanha Machado

It is a beautiful valley, where the many houses seem a multi-color carpet. The green mountains that surround the valley make a contrast with the skyscrapers as though they asked each other who are the highest. There lives a dynamic society whose blood has the element called progress and in whose mind the hope of better days is above all. They call it beautiful horizon or Belo Horizonte.

In that valley live many boys and girls, all of them have a flame, a flame that lights their steps to the paths of the love among people, the understanding and the friendship among the nations. So they discovered one organization whose goal is the accomplishment of these ideals. The A.F.S. took them to another land, sometimes Utopian in their eyes, very different but that had a people who wanted to be loved and love, to be understood and understand, to be friends and above all had the ideals of liberty as a prayer of every day.

We arrived and separated, now each of us was the master of himself, our actions and decisions would be watched and our impressions would contribute to a happy stay in the new country. I came to Buffalo, where my family was waiting for me. Mr. & Mrs. Bliley, my parents; John, my brother and Kaylene, my sister. Our first embrace was more than a simple embrace, it symbolized the establishment of our eternal laces of love and friendship.

So, overnight a complete change happened, I got a new family and a new city, Corry that is little in size but great in heart, and although I'm not born American, I'm American by heart.

Alvaro Antonio Saldanha Machado

## *Our American Abroad Student*

Thomas Monroe Pierotti

Last June, 1964, I left the Miami International Airport with twelve other Americans on my way to Costa Rica as the fourth American Field Service exchange student from our high school. We had one stop on Grand Caymon Island, which is a British possession. There, I remember, the heat was all but unbearable, and since the Coke machines took shillings, we were out of luck. One of the highlights of the trip was our flight over Cuba. There we saw the Bay of Pigs. I was really surprised how beautiful Cuba looked from the air. Then, there it was at last, Costa Rica, but only for a second because a tropical storm came out of nowhere to block our view of the countryside.

We were met at El Coco Airport in San Jose by our families and Francisco J. Orlich, the president of Costa Rica. I stayed with the Solera family. I think it was the best family in the country and it consisted of my mother, my father, and my three brothers; Hernan, 18, Guillermo, 15, and Mario Alberto, 4. Unfortunately, I never met my brother Hernan because he was in the United States at the time. Also, my family had two very nice maids, who did most of the housework although my mother did all the cooking.

My father, with my uncle, ran a factory which manufactured Picot (something like Alka Seltzer) and chocolate malt.

I was very happy in Costa Rica because I was immediately taken in as one of the family. Almost every Sunday afternoon, we would take a drive in the country so I saw practically the whole republic.

The Costa Rican people are the most friendly people I have ever met. They are always very polite with a welcome smile on their faces. For this reason, Costa Rica will remain in my heart forever as a second country and a second home.

Tom Pierotti

### *D.A.R. Award*

Martha Houser was the winner of the Brokenstraw Valley Chapter of the Daughters of the American Revolution annual good citizen award.

The recipients of these awards are selected by their fellow students and are approved by their teachers as possessing, to a high degree, the qualities of dependability, service, leadership and patriotism.

Martha has won the regard and admiration of her fellow students and her teachers as a leader in extra-curricular activities and high scholastic achievement.

All of us congratulate her on winning this award and wish her success in her chosen field.

Martha Houser

### *School Treasurers*

Sherry White, the School Treasurer, issued checks and made deposits of large sums of money. The various organizations counted on her to keep their accounts in balance.

Working in close cooperation with the school treasurer was Shirley Kozik, Secretary of the Athletic Association, who kept account of the incoming and outgoing money from the various sports.

Together they worked in harmony to keep the financial records of the school accurate and up to date.

Sherry worked under the supervision of Mr. William Miller and Shirley under that of Mr. Lou Hanna.

The class of '66 enjoyed a wonderful year thanks to the dedicated work of so many of its members. For example, on the most beautiful Saturday night in September, we all got together for a hayride at Darrows. Songs, games, and many glasses of cider, especially aged, were enjoyed by everyone.

Next, we started the task of making money for the Prom. First, we employed the Raiders for two dances. The first one was held at the school and drew the largest crowd ever to attend a dance at C. A. H. S. the next one was held at the Armory because of the tragic fire that destroyed our Senior High wing. The wonderful turnout showed that our spirit had not been destroyed.

A guy from out of this world visited Corry in December. He was the "Guy From Venus" who starred in the great Musical Comedy staged by our class and the dance band.

The first part of 1965 was taken up with the sale of candy bars and planning for a toboggan party to be held as soon as there was enough snow. Also the ground work was laid for a most wonderful Prom. At the same time, work went ahead on the Junior Class Play which was held early in March. During the spring, work and enthusiasm for the Prom gained momentum. Everyone got caught up in the excitement. Finally on May 28, the night of all nights arrived. All the work had paid off in a wonderful night of dancing to the sweeping music of the Esquires amidst a once-in-a-lifetime atmosphere. The fast pace was carried into the class picnic at which the Seniors were treated to a Bar-B-Q. When we were singing the last songs together, emotions became mixed as we looked forward to our Senior year. We somehow wanted to hang onto the fellowship that had grown so strong during our life as Juniors.

Thanks for everything, Mr. "B." Your careful and dedicated guidance as our advisor will never be forgotten.

To the Members of the Class of '66 --

I would like to share with you something that Cinla wrote in my Corrian last year. It represents a bit of philosophy that is dear to my heart and I would like each of you to take it as a part of your philosophy of life.

"They say sharing is the biggest pleasure one has. And when one shares his heart and mind with others he doesn't lose anything. What he shares multiplies in the hearts and minds of others and returns to him one day."

Sincerely,  
 Max L. Bennink

This year, the members of the National Honor Society took part in many activities.

In the fall, the group took a trip to Kinzua Dam. A "Save the Children" drive was held and the society collected old clothing for needy school children. The group helped with the Moose Club toy drive and decorated a tree for the school at Christmas time. Candy sales and other money-raising projects were held to increase the scholarship fund.

The highlight of the year was the induction ceremony which took place after the first semester.

The Future Teachers of America were fairly active in the 1964-1965 school year. Their first project was to usher for the Parents' Night in early November.

Plans were also made for members to visit prospective colleges in the spring.

The F.T.A. visited an elementary school to obtain an idea of duties and teaching methods of elementary teachers at the present time.

Throughout the year many students were permitted to teach one or more classes in their chosen field.

The fire did not stop the members from reaching their goal -- a scholarship grant to a deserving college-bound senior.

## *American Field Service*

President . . . . .	Emmy Shupe
Vice-President . . . . .	Jane Farver
Secretary-Treasurer . . . . .	Janet McQuiston
Advisor . . . . .	Mrs. Dorothy Ortner

The purpose of this club is to help foreign exchange students adjust to their school life in Corry High.

The committee supervised the selling of American Field Service Bonds, which makes financial help available to those students qualified to go aboard.

Working on the A.F.S. Scrapbook was another interesting project of the group.

At the beginning of the year the group gave a party for the A.F.S. candidates and the Adult Committee to help them become acquainted.

The Senior Tri-Hi-Y enjoyed a very successful year under the leadership of Linda Anthony, president, and Mrs. Benjamin Calderone, advisor.

The first event of the year was an impressive candle-light induction ceremony. Guest speaker was Mr. Jerry Litherland.

The members worked toward their goal of a trip to New York City by sponsoring a Christmas dance featuring the well known Raiders and also by sponsoring the Christmas concert of the Festival Singers.

## *Junior Tri-Hi-Y*

The Junior Tri-Hi-Y is a Y. M. C. A. club for high school girls. Members join the club seeking friendship, adventure, recreation, and inspiration. They desire to make living better for themselves, for their friends, and for the community.

The Junior Tri-Hi-Y of 1964-1965 enjoyed a successful year under the supervision of Miss Betty J. Pate.

This group raked leaves as a service project and sold candy to earn money for World Service. They also held a banquet in the spring for the Senior Tri-Hi-Y and Hi-Y. The group took part in many other activities throughout the year.

## *Sophomore Tri-Hi-Y*

The Sophomore Tri-Hi-Y was an active and successful club this year. The group held a Turkey Hop with the door prize a live turkey. As one service project, they trimmed the Christmas tree at Quiet Acres. Selling mixed nuts earned \$50 for the World Service Program. Several professional women addressed the club, helping the girls make decisions about their futures. Trips to surrounding points of interest were enjoyed.

## *Future Farmers of America*

All ninth year Agricultural students were initiated and received their Greenhand degree on October 16, 1964.

Tenth year students who had sufficiently large farming programs received the Chapter Farmer degree.

All members of the F.F.A. are required to have farm mechanics jobs and have at least one animal or crop project at home.

F.F.A. members participated in four Television shows this year, conducted dairy and beef shows, had a donkey basketball game, and attended the Pennsylvania Farm Show.

Edward Blakeslee, Ronald Walters, and Dennis Edwards were selected by the Pennsylvania Association of F.F.A. to receive the "Keystone Farmer Degree." There were only four selected from Erie County.

Many members received awards for outstanding projects and achievements at the annual Parent's and Son's banquet held at the end of the year.

The Key Club did numerous things to help the community and the school. The boys washed the windows on three different occasions for the school. They also sponsored the Christmas Lighting fund for Corry's new lights for Christmas, in which they were able to raise about \$3,500 in two years.

With help from the directors, Mr. Embert Earle and Mr. Richard Chase, the club financed this project for the community.

Several projects helped raise money for the club, such as candy sales and group projects ranging from raking leaves to shoveling snow. This money helped defray expense of our State convention in April.

## *Corrian*

Every year the Corrian Club strives to produce a better Corrian.

Club members started work early in August by getting advertisements. During the year, they collected club and ping-pong picture money, did write-ups, sold yearbooks, and collected and pasted pictures.

The Club especially wishes to thank the Typing II classes who greatly assisted in the preparation of the material.

The Corrian Staff of 1965 wishes to thank all of the people who made this yearbook possible and to give our best wishes to the Class of 1966.

The Corriliers, under the direction of Mr. Rairie, had a "swinging" year. Organized nine years ago, this group certainly rates as one of the finest.

They played for several adult dances and the Teen Town Spring Dance at the YMCA.

Highlighting the year was the outstanding performance by the band in the Junior Class Musical, "Guy from Venus."

A special tip of the hat should go to Bill Wolfe for his fine job of "shaping up" the sax section.

Coaches:

Mr. Robert D. Mulvin

Mr. Herman A. Rennells

Wrestling is a young sport in Corry and offers participation for all boys regardless of size or weight. The main objectives of the wrestling program in the Corry Area High School are: the development of sportsmanship, good citizenship, responsibility for fair play, a wholesome relationship, and knowing the importance of being a good loser as well as a good winner.

Secretary-Treasurer . . . . . Sue Shaw  
Co-Captains . . . . . Sue Guth  
Kathy Dennis  
Advisor . . . . . Mrs. Jack Stahl

The 1964-1965 Varsity and Junior Varsity Cheerleaders worked diligently all summer under the direction of their advisors, Mrs. Jack Stahl and Mrs. James Lewis and co-captains, Kathy Dennis and Sue Guth. After try-outs in the spring, 1964, the cheerleaders attended a clinic at the Franklin High School.

They were active in all the sports events including football, basketball, wrestling, swimming, and Track.

Earning money through various projects, the cheerleaders were able to have new uniforms made, which were black box-pleated jumpers with orange insets.
