# *A Year Of Change . . .*

The many changes affecting our school days as we move into the 1990's is the reason we chose—ON THE MOVE—as the theme.

As we are in the middle of renovation, the Junior High students and Faculty have been moved into the CMA Church and Maintenance Building. The floors were also removed from the Senior High Wing and the construction of new offices has begun. The renovation will be completed as the Class of 1994 begins their Senior year.

Many changes and improvements have been made in this book. Some new pages you'll be seeing as you look through—ON THE MOVE—include dances, skateboarding and Senior Salute. The yearbook has also focused on students and staff who have achievements and interests outside of school activities.

The final reason for our theme is the Senior Class of 1991. As we move on with our lives, we can use this book to look back at the many memories of Corry High School.

A very special thanks to Mr. Wilson for supporting me when the stress of creating this book seemed like too much to handle. I can't put into words how much your support was appreciated. Also congratulations to the yearbook staff, WE DID IT!

# Moving Through Our Days

Corry students spend their free time in many different ways. Some are involved in extracurricular activities or sports. Others hold full or part-time jobs. Many students are involved in relationships or are often dating a different person. After dealing with friends, family, schoolwork, sports, work and extracurriculars students sometimes wonder what is FREE TIME?

Eric Elmquist, Jared Scouten, and Dusty Gifford are often seen skating around Corry.

Prom candidates were: Julie Grenz, Lynn Vinca, Lorie Peterson, Wendy Shepheard, Julie Hiner, Marcy Crotty, Darcy Crotty, Debbie Hamilton and Kelly Clark.

The Prom theme "Camelot" was chosen by the Junior class. The Juniors planned and decorated the Prom for the class of 1990.

Prom week started with the ceiling committee on Tuesday night. The Juniors put the ceiling up in record time of 4 1/2 hours. A castle was also built for the North wall.

Out of the 9 representatives chosen

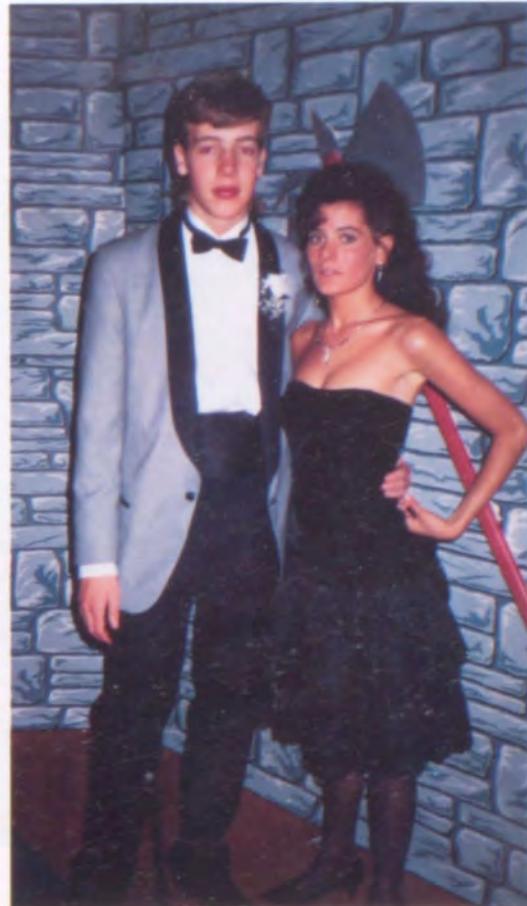

by the Senior class, Lynn Vinca was crowned Prom Queen. Juniors and Seniors danced to the sounds of Jet FM. 102's, "Black Tie Videos". After the Prom many attended the Post Prom at the Elk's club given by the Junior class parents. A big "Thank You" to Mr. Bennink for another great Prom.

*Senior Kelly Grant Was Crowned 1990 Homecoming Queen At Sheen Field The Night Of September 21st.*

Homecoming 1990 was a complete success with a 27-0 victory over the Northwestern Wildcats. Starting with Spirit Week, the students were excited and showed a lot of school spirit. After the game, which brought our team to 4-0, we celebrated with yet another victory dance.

The theme, chosen by Student Council, for this years Homecoming was A JOURNEY THROUGH TIME, as represented by the vehicles used in the pageant. The horse and buggy was furnished and driven by Dennis Wright. The 1933 Plymouth Roadster was furnished and driven by Mr. William Burrows. The M.G. was furnished and driven by Dave Mennetti. The 1964 Ford Galaxy was furnished and driven by Cap Lindsey. And the 1990 SAAB belongs to Lisa Bova.

The 1990 Court included Seniors Sara Mikesell, Ashley Ralph, Kelly Grant, Julie Mcketa, Susan Bova, and Stephanie Albers. The Class of 1991 chose these girls to represent their class. The Junior Class chose Dawn McChesney to represent them. Sophomore representative Allyson Ralph was chosen by her class. All eight girls wore the traditional velvet dresses. Last years Queen, Annette Tubbs, returned to crown 1990 Queen Kelly Grant.

Senior Kelly Grant was crowned the 1990 Homecoming Queen. Kelly has been a member of Tri-Hi-Y, the Varsity Softball team, and served as secretary of the Sophomore Class. She also is Co-Captain of the Varsity Football Cheerleading squad.

Sara Mikesell has been on Student Council for four years. She was Co-Spring Dance Queen in 9th grade and Co-princess for Homecoming 1988. Sara's on the track and swim teams. Ashley Ralph is on the Corrian Yearbook staff. She also was a member of the track team.

# Freshman Invade D.C.

*We've Walked The Steps Of Our Presidents  
March 5-10, 1990*

The trip began on a very cold Monday morning, March 5, 1990. The first day, our group visited Harrisburg and Hershey, PA. While we were in Harrisburg, we took a tour of The State Capitol Building, The Governors Mansion, and had lunch with State Attorney General Preate. In Hershey, we took a tour of the State Police Academy and Hershey Chocolate Factory. After the chaperones wore everyone out, we arrived at our hotel and got a surprise pizza party!

The next day we left Harrisburg before dawn to travel to Washington where we saw (along with a couple thousand other people) President George Bush welcome the Italian Foreign Minister. Our group hurried through White House security to get a good view of the President, but the Honor

Guard, The Airforce Band, and other military groups moved up in front of us. Seeing the President was difficult so Mr. Lindsey told Allyson Ralph to stand on John Brundage's shoulders to get a few good pictures.

Later that day, we arrived at the Americana Motel. Not quite a palace, but it was O.K. After we all settled, our group went to a nearby shopping center and saw how expensive big city living could be.

Later that night, we took a subway ride and saw a huge escalator. Joette Brunecz really enjoyed this part of the trip.

During the next few days our group traveled around Washington seeing plays, touring government buildings, visiting interesting places, and making memories that will last for many, many years.

Having a great time at the zoo, Scott Parkhurst, Craig Whaley, Lisa Read, Niki Nichols, and Sarah Alsdorf bear it all.

Some of these Memories were:

- a) The impressive changing of the guard and our wreath laying ceremony at the tomb of the unknown soldier.
- b) Mr. Lindsey's history lessons.
- c) Meeting with Congressmen Ridge and Clinger.
- d) Seeing our own Mrs. Jordan on stage during the play "Sheer Madness".
- e) Jennifer Cochran especially enjoying the play at the arena stage theatre.
- f) Ben Baker, Augie Mennen, Tallon Sawyer, and Greg Wilson putting up a basketball hoop on their door that kept them happy throughout the whole trip.
- g) Bus 1 again, for the last ten years, was the best bus.
- h) Mrs. Jordan finding out that the brown furry creature hopping around outside was not a rabbit.
- i) The very impressive experience of talking with a lady from the Chinese Embassy. Right Mr. Mitchell?!?!

And the best memory of all- the experience of chaperoning a group of interesting young people from the class of 1993. You certainly made this one of the best ever trips to Washington.

Thanks for the memories!

*Corry Junior And Senior High Dances Are On The Move And Into The Groove!*

When Corry students were asked why they went to Corry High School dances and what they liked about them, the answers were almost all the same. "There is nothing else to do!" So, without the dances we'd most likely have to go all the way to Erie for legal entertainment! ## *Mark Scharenbroich Visits Corry High For The Second Time.*

Mark Scharenbroich is known as one of the top motivational speakers by students throughout the United States. This was Mark's second time speaking to the entire student body of Corry High School. His first visit was in 1986. Our school left him with such a great impression, in 1986, that he agreed to come back this year.

On January 15, 1991, students in grades 7-12 were called down to the gym at approximately 9:00 a.m. for a mass assembly. After Mark's hour and a half presentation, he later held a leadership workshop for some students. The workshop consisted of the student councils, executive councils, and the psychology and sociology classes.

Mark's message, which was on

self-esteem and uniqueness, was aimed to every person in the gym. He made everybody feel like somebody special. The psychology and sociology students may remember Mark's films, "ONE OF A KIND" and "THE GREATEST DAY'S OF YOUR LIFE SO FAR". The author of their book, "One of a Kind", was no other than Mark himself!

At the end of his presentation, Mark was presented with a copy of the Psychology and Sociology play from the Psych. and Soc. classes. From Student Council he received a book, "All the Places You'll Go", by Dr. Seuss.

The day was a complete success and hopefully everyone will remember Mark's positive outlook on life.

Merv Miller, Amy Mennen, Rick Helmer, and Missy Potocki lead the school in the singing of "I'm Proud To Be An American".

Mark tells Chuckie Hildum a few secrets to being a better person.

# Moving On

"What are you doing after Graduation?" is a common question heard by Seniors from family and friends. Many Seniors plans include work, college, or enlisting in the Armed Forces. As we end our school careers that began in 1978, we all hope to achieve our personal dreams and goals. Wherever our plans take us, we will reunite in 1996 to relive the memories of our high school days.

Karate

Most people do not know what karate is really about. First of all, you must have the mental desire to obtain a blackbelt. Everything must be earned, which takes hard work and determination. Tournaments are held to compete for trophies and to test a person's skills in karate. It is all very challenging.

There are many benefits received from karate. The most important part is the knowledge of self-defense because it enables you to protect yourself. Physical fitness is also gained from taking karate, and another thing you learn in karate, even if you don't want to, is patience.

Corry's own - Mike Marsh

Now or Never  
When times change and things get rough,  
The pressure can be too much.  
Times are changing once again,  
I can feel the pressure of the world we're in.

Now the truth comes out  
"Work together", this I shout.  
Now the time has come work together united as one.

People change every day, some will walk their own way.  
But when these changes bring us down,  
We have to stick together and stand our ground.

We try our best to fight our fight, everyone has their own way -  
No wrong, No right.  
But when these changes bring us down, we must unite and stand our ground.

Archery

Archery is a sport that many people enjoy. Jim Wynn is involved in archery for relaxation. He goes out into the woods looking for deer paths and tries to find a tree to sit in close enough to the path to be able to see deer walking by, while he hunts.

Some people are involved in archery for the fun of it. Most go to archery shoots to either get practice for hunting or just for shooting targets.

Last year Jim was walking through the woods behind his house before the season opened. He found a tree to sit by and watched to see what would come around. A six point and a four point walked by, so he decided to sit in that tree when the season opened. A few days into archery season a buck walked by the tree he picked. He shot the deer and then went home to get help to track it about two-hundred yards away from the tree stand. It was a seven point.

## Poetry

Tammy's poem was published in the "1990" Spring issue of "Poetic Voices of America" book, which is published by Sparrowgrass Poetry Forum Inc. She was considered for publication after she sent her poem into a annual contest.

She was surprised to find that she had been accepted for publication and was to make a final edition. Then she was to return her poem to them.

The evaluation they gave said that her poem was "sensitive and well thought out." That meant a lot. She sent it back in August of '89, then in February of '90. She got the book with her poem and biography in it. She was so proud because some people wait all their lives for something to be published, but for Tammy it was before she was 17 years old! It is one dream that she has achieved.

Although poetry isn't her whole life she's glad to be able to use her talent and have it appreciated.

The poem is as follows:  
Fading Roses

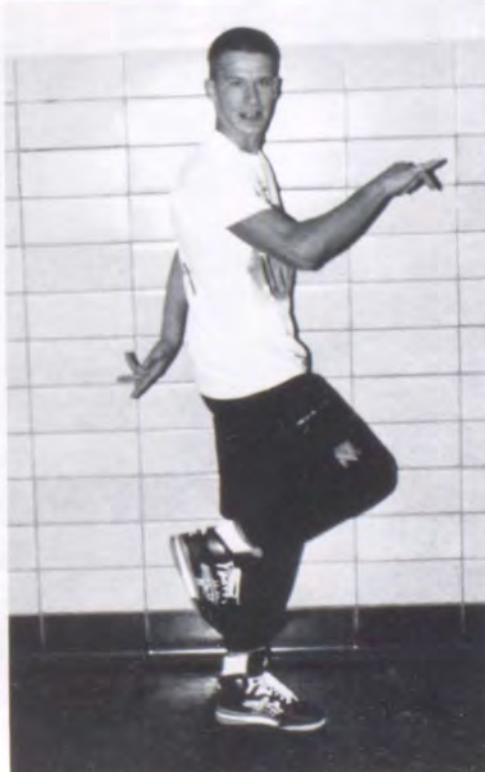

As the memories come alive,  
I sit and watch my roses die.  
I remember the days gone by,  
As I hold my teddy bear and cry.

Then I try to put the memories away,  
As I remembered what he always used to  
say,  
"Can you come out and play?"  
"If not tomorrow is another day."  
Tomorrow has come and gone,  
Along with the love and the sun.

It's just a dark, lonely place,  
that I have to face.  
As the roses die,  
I cry.

As I'm kickin' out this rhyme  
let down, and have a good time  
On the dance floor, listen to me  
rappin' smooth just like it should be  
when I touch the microphone  
a brother never leave you alone.  
if I leave, you miss me  
behind my back, you dis me  
not round? you cut me down.  
I wear a medallion, so what up  
clown!  
I got class, somethin' yo missin'  
When I see ya, your always dissin'  
me, I won't take it, Lee.  
I'm in the house, can't ya see.  
I'm a brother, and I demand  
respect,  
M.C. Spaw is in full effect.

## Rock Band

Being in a rock band is hard work. The hardest part is getting along with members of the band.

Steve Matteson, who graduated in '89, sings lead vocal. John Volk, who graduated in '88, is ready to rock on drums, and Buddy who plays lead guitar.

The band plays some cover songs and we have some original songs in the creative process. "It is really hard writing new material."

"For anyone just starting out . . . just go for it!"

of 1991

AARDVARK STUDIOS, INC.

# Moving All Around

Due to the renovation, Junior High students and faculty were separated from the High School. The 8th grade attended most classes in the maintenance building built by the Vo-Tech Carpentry Students. The 7th grade was bused to the CMA Church for classes. Senior Jody Schweitzer sums up how the 9th—12th grade and teachers feel about having all classes in one hall with her statement. "They ought to have traffic lights."

Underclassmen Sunshine Fellows, Lisa Mulligan, Rachel Tripp, and Amanda Eimers.

## Top-ten popular things Juniors do.

In the month of November a survey was taken from the junior class of the top-ten things they do in their spare time and on weekends.

The results of the survey showed that parties are the number one thing most junior students do. Runner-up was going to Erie.

- 3rd- cruise
- 4th- go to dances
- 5th- rent a movie
- 6th- go to Utter Putter
- 7th- go to the Y.M.C.A.
- 8th- go bowling
- 9th- go skiing
- 10th- go to school events (athletics)

Always showing their school spirit are Josh Potocki and Kim McClellan.

## Black Attack!

Twas the day of Homecoming and what did we see, 220 students dressed in black from the class of 93. Class went by fast as we all flew to the gym, to hear Mr Benson bel low out our great win. But what to our eyes and our ears did appear, but a flag full of spirit and crowd full of cheer. We all chanted happily "The Sophomores are back." And we left everyone speechless from our daring attack.

Cheerleaders Gretchen Stoltz, Terri Saltsman, Mary Beth Robb and Mascot Jenna Hammond boost their big win!

## **"The Future Looks Bright!"**

Sophomores Dave Campbell and Tony Vanchieri have a lot to be proud of. They were the top scorers of the Junior Varsity football team. We are excited to see what the future will bring for them and for all the other many outstanding athletes in the class of 1993.

Sophomore athletes Dave Campbell and Tony Vanchieri excel in football, swimming, and basketball.

## "Spectacular Sophomores"

Shawna Rielly made a permanent mark in Cross Country history as she ran her way to being the sixth fastest girl in Corry history. She led the cross country team in her first year as a runner. She boosts a fourth place county title, 10th place District finish and qualifying for the State meet.

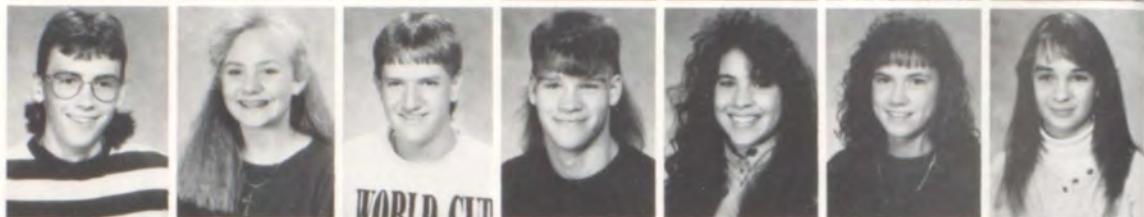

Kelli Murphy has gained recognition in an extracurricular sport. She owns and shows two horses. She shows under the English Hunt Seat category and has won awards in Pleasure, Equitation, and Jumping class.

## Freshman Are Cool In Blue

Come on into the life of a Freshmen. Feel the sensation of our world: Dancing at Jr. High dance and feeling so superior, then dancing at Sr. High and not knowing how to act. Sports and activities are tops for us, and the class of '94 will be the first to spend a whole year in the new high school to come. Don't forget underclassman, the class of '94 rules!!!

## Out In The Backyard Tool Shed!!

The Maintenance Building was added on to during the Spring of 1990 by the Vo-Tech Carpentry students. The Maintenance Building provides 8 small classrooms, 1 office, and private restrooms for the 225 Eighth Graders. A faculty, which is independent of the Construction work, teaches in the Maintenance Building. The Eighth Graders are able to use the High School for required classes inside the High School and for the use of the Cafeteria. If there is an upside to the Construction work for the Eighth Graders it is they will not be disturbed by hammering, bulldozing, and other equipment noises, and they will have an extra year to prepare for High School Life.

The Maintenance Building has been adapted for the Eighth Grade students during the renovation for the next two years.

## The Eighth Grade Guys Are On The "Look Out!!"

In a survey that was taken in September, we noticed that most of the Eighth Grade guys shared a common hobby. The hobby that showed up most often on the guys' surveys was "Girl Watching". yes, the Eighth Grade guys admitted to noticing and actually liking girls! Girls, doesn't it seem like a few months ago the guys were running away from you yelling, "Girl Coo-ties!"? Those same guys have matured and now instead of running away from you girls they actually notice you. The Eighth Grade guys are looking for that someone special! Could that someone special be you? Go ahead take the chance!!

Ryan Ralph, Nathan Clark, and Chris Campbell are "on the look out for that someone special!"

## 7th Graders Relocate To CMA Church

Seventh grade show their excitement about being in the church. As you can see they're pretty much all one big happy family.

You would think the seventh graders would feel separated since they're not in the same building with the senior high. According to a few of the seventh graders they feel like a family being put together in small surroundings, unlike the home school.

## 7th Grade Shows Their Talent!

The seventh grade students have many different outside activities, such as baseball, softball, skateboarding, starettes, swimming, and 4-H. All of these activities take alot of hard work and time, but these students look like they can handle it!

This all star team knows their stuff.

## Outside Interests

4-H involves showing horses, cattle, and lamb. This might look like it's easy, but it takes a lot of preparation, such as grooming the animal, and training them.

Starrets is a Spartansburg marching group, which includes baton twirlers pom-pom girls. They practice every Saturday morning, and they march in different parades to show off their talent.

## Teachers Play Too!

We look at teachers as if their lives are all work and no play. This picture surely proves that's not true. These are dedicated teachers but, once vacation starts, you'll know where to find them. Mr. Partch, Mr. Gruca, and Mr. Becker are only a few of the many teachers who enjoy spending their free time on the golf course.

Other faculty members enjoy many other kinds of sports and hobbies. Skiing is enjoyed by Mr. Wilkins, Miss Yeaney, Miss Johnston, and Mrs. Mikesell. Mr. McCray, Mr. Ross, Mr. Correll, Mr. Pledger, and Mr. Crowell enjoy running. Playing the piano is one of Miss Housler, Mrs. Stranahan, and Mrs. Fosters favorite pastimes. Mr. Fox and Mr. Simmons also enjoy the sport of golf.

## "Behind The Scenes"

Five sociology and psychology programs have been performed under the direction of Mrs. Mikesell and Mr. Gruca. They both stress these programs are completely student developed. They have directed; **YOU ARE UNIQUE, ONE OF A KIND, THE FEELING CONTINUES, WE'VE ONLY JUST BEGUN, and CHANGES.** Mr. Gruca handles the role of stage director, while Mrs. Mikesell handles the technical aspects. She also brings the students through the "PANIC" moments.

As you can see here, Mrs. Mikesell and Mr. Gruca both feel the countless hours of work are "so worthwhile". **THANK YOU, Mrs. Mikesell and Mr. Gruca for the time, understanding, and caring that goes into each years program.**

# For All You Do . .

Mr. Bennink has shown his dedication to Corry students in many ways since he began teaching here 31 years ago.

He is probably most well known as Junior Class Advisor. He has been the backbone to 25 proms, 18 magazine sales, and 25 Junior Class trips. As all past Juniors agree, Mr. Bennink makes each Prom possible.

He is also advisor to the stage crew. Mr. Bennink has advised this group for 12 years. He has his own sound system and uses it for some school functions. Students who are interested have helped Mr. Bennink with stage productions of Charlie Pride, Loretta Lynn, Lee Greenwood, and The Oak Ridge Boys at the Warren County Fair.

Mr. Benninks latest trip is to Florida in February. On this trip, 20 students will learn about Medicine, Genetics, Marine Biology, TV Production, and Space Flight. Each summer he travels with a group of students to the Pennsylvania Grand Canyon for a horse pack trip. A similar trip has been taken to the Colorado Rockies. Student groups have also gone to West Virginia, Wyoming, British Columbia, and Alaska with Mr. Bennink.

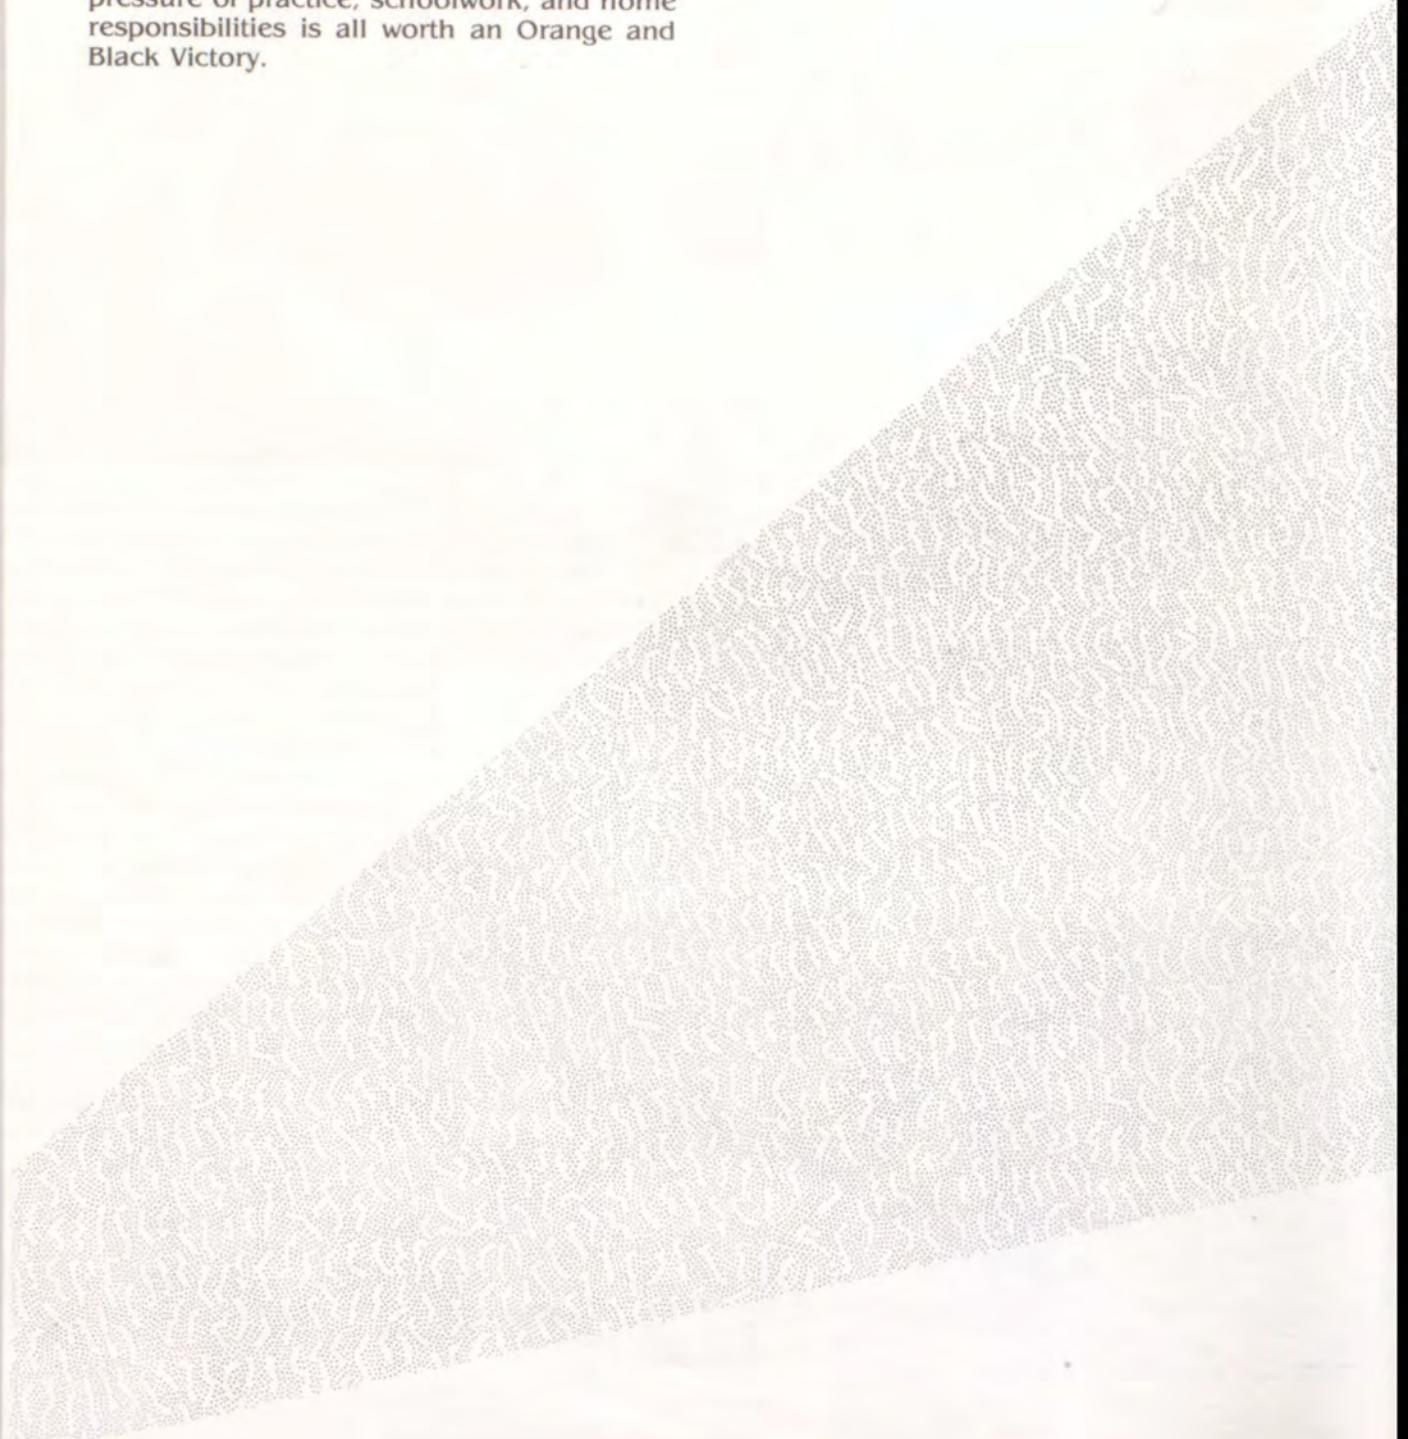

He directed a 40 member student pep band for 17 years and the Junior-Senior Broadway Musical for 14 years. He also toured with a youth singing group for 16 years.

Another interest is athletics. He coached track for 16 years. Fifteen years ago Mr. Bennink began the athletic training program. He still teaches this class.

With all of his interests Mr. Bennink has touched the life of almost every Corry student for 31 years. THANK YOU Mr. Bennink . . . . . WE APPRECIATE YOU!

# Up And Moving

From the many students who attend the Friday Night sports events to the dedicated who follow the smaller sports, Corry students show support for their peers who participate in sports. Student-Athletes agree that the pressure of practice, schoolwork, and home responsibilities is all worth an Orange and Black Victory.

The 1990 track season was an excellent one for the Corry Beavers, for the first time ever the Beavers won the ECL Title.

Corry ended the season with 5 wins and 1 loss, losing only to Titusville 79 to 71. The Beavers took second in the Fairview Invitational and 1st in Counties. The team did not stop there as Corry Athletes went on to Districts and States. The proud Beavers took 3rd place in Districts.

Leading the team to Victory was Senior Kevin Anundson as County Champ in the 100 m Dash, Senior John Rogers as County Champ in the 200 m Dash, Junior Tim Correll as County and District Champ in the Javelin, and Junior Tony Knapp as District Champ in the 1600 m Dash.

Girl's Track suffered through a season with no victories. Low numbers, lack of top-line performance and being very young hurt the team. We had a good crew of Freshmen and some very good Junior High performers. If those girls stay with the program and the older girls give us the needed leadership, we'll show tremendous improvement next season. Last season the top performers were Amy Stranahan; the MVP and top scorer was Lynn Vinca, who despite being considerably smaller than other competitors, placed 5th in the discus, at the District meet. Stranahan also was the top Corry scorer at the ECL meet. We also lost only one senior, Lynn Vinca.

Coached by: D. Armstrong

Competing in the discus, 100 meter sprint and distance races was Senior Lynn Vinca. Lynn went to Districts in the discus and placed fifth.

1st row: Keri Mitchell, Kelly Way, Angela Migliaccio, Kim Ross, Valinda Emerson, Shawna Reilly, Lynn Vinca. 2nd row: Heather Smith, Lisa Read, Carrie Dubrosky, Tonya Czech, Heather McCracken, Theresa Penoyer, Rindy Davis, Danette Kornikoski 3rd row: Melissa Patterson, Wendy Amond, Jenny Krasa, Heather Camiel, Kelly Holthouse, Allyson Ralph, Heidi Dyne, Carla Vanchieri, Sara Mikesell, Amy Stranahan.

Distance runner Danette Korinkoski runs the 2 mile and 3200 relay. She also is a Cross Country runner.

Medium-distance runner Wendy Amond competed in the 800 and 3200 relay.

Front row- Petra Newton, Shannon Gallagher, Mandy Johnson, Ingrid Thorson, Jennifer Woodworth, Laura Mercer, Cheryl Smith, Jennifer Benson. 2nd Row - Kristen Kolja, Charity Stolz, Meghan McCray, Amy Caldwell, Marybeth Amond, Manisha Niak, Kelly Onnik, Jennifer Hutchinson, Amy McCray. 3rd Row - Kelly Daley, Christy Palmer, Jan Burek, Beth Eberhart, Vanessa Haenel, Julie Munn, Flora Esh, Mary Zaphiris, Annik Robinson, Jessica Hanlin, Wendy Way, Michelle Church.

Missy Clark, MVP, takes a cut!

The 1990 Softball Team finished the season with a 7-11 mark. This was the most wins ever in Corry's 3 years of softball. Corry girls showed they could play well against anyone. Even the number one team in the district, Harborcreek, only beat us 1-0.

Corry defense was tough having six double plays. Some personal highlights were Missy Clark named MVP for the year, Missy Clark and Kim McClellan named to the 2nd team All-County, Heather Clark hitting 7 extra base hits, and Cherie Varsa throwing a no-hit, shutout in the final game of the underclassmen tournament.

Chris Lutton watches the pitch.

In their third year in the Erie County League, after a several year absence, the Corry Beaver baseball team had an exciting season. Although their season record was seven wins with nine losses, half of the sixteen games were decided by two or three runs.

LeRoy Ehrhart held his own at pitcher and shortstop and ended the season with 35 strikeouts in 32 innings pitched. Jeff Davis played excellent defense in left field and Dan Howles provided the RBI's while batting fourth on the baseball squad. Jeff Hennigh played outstanding defense at first, vacuuming throws from all parts of the field. Ron Allender ended the season with the second highest batting average on the team, and he also played an aggressive and intelligent second base for the Beavers.

With eight letterman, and five starters returning for the 1991 season, the Corry Beaver baseball team should be a team to be reckoned with in the Erie County League.

Seniors Ryan Albers, Tim Beal, and Mike Perkins provided the leadership. Ryan pitched several excellent games before getting a sore arm half way through the season. Ryan still maintained the highest batting average on the Corry Beaver baseball team with a .333 average. Tim did an outstanding job catching, and Mike gave the team base stealing abilities with 11 stolen bases this year.

Ryan was chosen second team all-county pitcher, and Mike was chosen for third team outfield. Ryan and Tim were chosen to play in the City/County all-star game.

**John Aldrich Was Selected To The All County Team.**

Tennis team captains: John Aldrich and James Reaugh

Junior Rob Prather is ready and waiting.

The 1990 edition of the Corry Tennis Team finished with an 0-7 overall record. The Erie County league was very strong again this year. The highlight of the season was that team Captain John Aldrich was selected to the All County team.

The team featured a good nucleus of younger players that show much promise for seasons ahead. The 1990-91 Beaver Tennis Team will return many strong players for their senior year-Rich Prather, Jim Vanderwheel, Jared Winters and Jay Troyer. These seniors along with the underclass players will be setting out to challenge their single season record for wins and prove to the other Erie County Tennis Team that Corry will be able to compete with the best. We wish the 90-91 version of Corry Tennis to be the strongest ever to vie for the ECL championship. Good Luck Netman!

Dan Howles received the outstanding golfer award and with six returning lettermen for next year, Corry should challenge for the E.C.L. Title.

Corry's golf team with four lettermen returning; Dan Howles, Phil Cochran, Steve Rasey, and Brandon Koestner; completed a successful year with 8 wins against 4 losses and a 2nd place finish in the Erie County League.

## **Knapp, # 1 Runner In Corry's History**

Led by Tony Knapp, Chris Ross and late comer Chad Sutton, the boys had an 8-6 record this year. Due to this inexperience on the team, they had a few downfalls, but are looking forward to next year. Knapp became the number one runner in Corry history. He was all-county, all-district and all-state placing 5th. Chris Ross was second string all-county and had an all around good season. Late comer Chad Sutton also made second string all-county and qualified for the state meet where he took 62nd. He is looking forward to a great season next year.

Chris Ross and Chad Sutton running that last mile.

Scott Babcock had a fine year setting new PR's in almost every race he ran. Tony Scott, Matt Benton, Derick Weagraff, and Andy Potocki rounded out the top 7 places. The only problem is that we never knew who would take what place. They kept jockeying positions meet after meet. Nate Miller, Jake Piemme, Matt Reyda and Bill Knight fought to round out the top 11 places. Occasionally one of them would sneak into the top 7.

Led by Shawna Reilly and Kim Ross. The girls had a 12-3 season this year. Reilly was All-County, All-Districts and qualified for the State meet. She is also #6 on the all time top ten. Kim Ross was 2nd string All-County and 9th on the all time top ten list. Wendy Amond had a great season, piling up many PR's as did Angela Migliaccio. Captain Danette Kornikoski had a high PR count too. Sophomore Sarah Alsdorf was 4th girl in many races.

## **Was The Name Of The The Game That Was Played.**

Teamwork was the key. The season ended with two strong wins. The starting line up was Amy Stranahan, Tammy Bencheck, Theresa Valletti, Kelli Wilshire, Lori Bigelow and Sue Long. Cindy Marrs, Lori Migliaccio, Heather Clark and Mary Duestch filled out the team.

The top server was Amy Stranahan with 119 points. She had an average of 95%. Kelli Wilshire was second with 103 points and an average of 91%. The leader in 'kill' percentage was Tammy Bencheck with 49%. Theresa Valletti led in blocking with 70%.

The varsity ended the season with five victories and thirteen defeats. Junior varsity ended eleven wins and seven losses.

Theresa moves in for the kill.

The Corry football team finished the 1990 season with a very impressive Erie County League record of 8 wins and one loss and a second place league finish. Few teams of the past were able to achieve this excellent performance especially with the inexperience that faced the team.

The Corry football team returned only one starter to the offensive and defensive lines from the '89 season - that being Guard and Nose tackle, Tim Correll. In the backfield Brandon Crotty was the sole returning starter on offense while Crotty, Steve Daniels, Dana Harrington, and Mike Davis returned to shore up the defensive secondary. The key to the success of the team was the hard work of the people on the team especially the new starters and the great team pride and unity they all

possessed. This team knew that they had to work hard and set high goals if they were to be competitive this season. That they all did! Pushed by a tremendous group of teammates the starting squad ran off seven straight league victories including four shutouts. The biggest game of the season came with the eventual league champions Harborcreek Huskies. The first half of the game where everything that could go wrong did, caught the Beavers falling behind for the first time since the opening game with Fairview. The snow ball of mistakes put our team down by too many points to overcome. The second half showed the fans from Corry and even Harborcreek what our football team was made of. When in a seemingly hopeless deficit, fought back to score 20 points to Harborcreek's six. The team revealed its true character by this tremendous effort versus Harborcreek's stunned first team. The great effort fell short and the Beavers fell for the first time and only time in the E.C.L. season.

The final league game came against General McLane and showed again the determination and leadership from the Seniors that marked this season as a very special one. Trailing early in the game by a touchdown, the team would not let a repeat of the previous game with Harborcreek happen and deny them a victory. Playing great defense and superb offense the Beavers defeated the fine McLane team by a score of 22-14.

The final game with non-conference foe Titusville proved a little too much for the injured and outmaned Corry team. The Corry football teams ended its 1990 campaign with a very respectable 8 win 2 loss record.

This was a team where everyone contributed to the fine season. Our J.V. team when not practicing against our starting unit as our opposition for Friday night, was compiling an undefeated ECL season themselves with big wins over LeBoeuf, Fairview, North East, and Seneca. The only loss coming at Oil City in a very close game. Our Seniors were the ones who supplied the goal of winning to our younger players. We'll miss these fine young men and the example they set for themselves and the team. Brandon Crotty B-LB; Ron Allender QB; Tim Correll G-NT; Leroy Ehrhart G-T; Jay Troyer T-T; Ricky Higby T-E; Darby Walsh E-E; Ryan Peterson B-LB; John Rittenhouse K; Rich Prather T-T; and Brian Millspaw T-T.

Congratulations to Brandon Crotty, Leroy Ehrhart and Darby Walsh for their selection to the 1st team All-County squad and to Steve Daniels, Mike Davis, Jay Troyer, Jay Beckwith, Tim Correll, and Todd Harrington for their All-County recognition.

## Captains: Ty Scouter And Thad Jackman

The 1990-1991 wrestling season was another building year for the Corry grapplers. We were our strongest in our lower and middle weights. We showed a lot of inexperience in our upper weights, but with a year now behind them we hope they pull through for us next season.

The highpoint of the season was when we upset heavily favored Harborcreek. We also placed second at the North East tournament. The grapplers end their season at 7-11. Now with postseason activities for 1991 I feel that we have some wrestler that will excel.

The 1990 Corry J.V. Football Team continued a winning tradition in ending the season with a record of 4 wins and 1 loss. A frustrating season of postponements and cancellations saw wins over Fairview, North East, Ft. LeBeouf, and Seneca while losing to a nonconference team, Oil City. These underclassmen gained valuable game experience, improved their football skills and contributed greatly to the successful 1990 season.

Varsity Players Brandon Koestner, Mike Davis, Preston Griffiths, Tony Vanchieri, Ben Baker, Brandon Crotty, Ron Allender, Nick Mitchell, Chad Sutton, Jeff Zajac, and Emery Faith were coached by Mr. Fox and Mr. Partch.

Emery Faith shoots from the sin line.

The varsity team may have one of the best in Corry history. This is a great accomplishment considering the team has only two seniors on the squad makes it even more significant.

The senior co-captains, Brandon Crotty and Ron Allender, have played solid roles in leading the Beavers. Allender is leading the team in scoring while Crotty is the best defense player and one of the leading rebounders.

A total of seven different players have led the team in scoring in at least one game, and the overall team balance has been its strongest asset. Preston Griffiths, a sophomore, has consistently led in rebounding despite the problem of fouling out in over half of the games.

With six players returning who have started at least one game this year the future looks bright for Corry Basketball.

## The Corry Girls Varsity Team Goes To Play-Offs!!

The 1990/91 edition of the Girls' Varsity Basketball team made its mark in the record books of Corry High School Athletics. A quartet of Seniors supported by 7 Underclassmen led the Beavers to their BEST season EVER!

The season began with a nine game winning streak before losing to the eventual E.C.L. CHAMPS, Girard. They finished the regular season 19-5 overall and 14-4 in E.C.L. competition. That was good enough to finish 3rd in the E.C.L. and earned them the first seed from their League in the District 10 AAA Tournament. They defeated Strong Vincent in the Tournament before bowing out to Grove City. This earned 4th place honors in District 10 and a spot in the PIAA State Tournament. They lost their first game in InterDistrict competi-

tion to the WPIAL champions Greensburg Central Catholic in a heart breaking contest.

The successes were due to a true team effort. Much of the success was due to the play of Seniors Shelby Hodge (co-captain), Amy Stranahan (co-captain), Missy Clark, and Cherie Varrassa. Missy Brooks and Carla Vanchieri, both Juniors, shared the fifth starting spot.

Overall they set TEN new Team Records, including most wins in a season (20) and the best E.C.L. record in school history (14-4).

There was solid support from Sophomore, Julie Black and Freshman, Mary Zaphris on this year's Varsity team. Rounding out the lineup were Sophomores, Dana Hulings and Heather Clark and Freshman, Nicole Cummings.

Shelby Hodge was chosen First Team - All Erie County and was the team M.V.P. Missy Clark earned Third Team - All Erie County Honors.

## JV Players Gain Experience.

Most of Junior Varsity's games have been close contests with only one being decided by as many as twenty points.

Emery Faith a junior guard, who split his time between varsity and junior varsity was far and away the most outstanding player for this group both offensively and defensively.

Most of the team was made up of sophomores with Augie Mennen, Rick Andunson, and Greg Wilson having a very solid season.

Probably the highlight of the J.V. season was a pair of wins over the perennial power Girard.

This year's team completed a successful season with a Conference Record of 14-6 and an overall record of 15-8.

The team consisting of five sophomores and seven freshmen developed a reputation within the Conference for being fast on the court, quick to steal the ball, and determined in close games.

Dana Hulings, sophomore, who led the team with 191 points, worked the ball as point guard. Along with guard Julie Black, sophomore, the two posed a constant 3-point threat. Coming through with points in clutch situations were guards; Chris Klingensmith, Jessica Hanlin, Nicole Cummings, and Jean Vinca all freshmen. Forward, Heather Clark, sophomore, lead the team in rebounds and also posed as an outside scoring threat. Also helping under the boards were sophomores, Lisa Read and Sarah Alsdorf and freshmen, Nicole Donoghue and Vanessa Haenel.

Highlights of this year's season include winning games at the buzzer against Harborcreek, Girard, and Ft. LeBoeuf. Also, having every team member score in the final Conference game against Northwestern.

## Swimmers Take 8th In Counties And Tony Knapp Wins States.

After two opening losses to Cathedral Prep and McDowell, Corry bounced back with thirteen straight wins under the leadership of senior captains Tony Knapp and Tim Correll to end the season at 13-2 overall. The Beavers won their eighth consecutive Erie County League title with a 10-0 ECL record.

Team highlights included their sixth straight Iroquois Invitational Championship, taking second place at the District 10 meet; and a revenge victory over Cathedral Prep at home.

Tony Knapp led an assault on the record books by the Beavers as he established four individual marks during the season. He took down school standards in the 160 yd. individual medley (1:35.30), the 100 yd. breaststroke (1:03.76), the 50 yd. freestyle (21.69), and the 100 yd. freestyle (47.02).

Tony also participated on several record setting relays with Greg Parks, Tim Correll, and Dave Campbell. In the 200 yd. freestyle relay they set a new school mark (1:30.49), while in the 400 yd. freestyle relay they swam to a pool record at the local YMCA (3:21.79).

At the District 10 competition Knapp, Parks, Correll, and Campbell all advanced to the State Meet at Penn State. Tony won the 50 and 100 freestyle events to end his career with seven D-10 titles in swimming. Parks won a trip to States in the diving competition with a second place finish at Districts. The "fearsome foursome" will also swim at States in both the 200 free relay and the 400 free relay.

Corry's 9th grade football team finished with a 4 wins and 2 losses record. They played outstanding games against Seneca and Harborcreek. The highlight of the season was their come from behind victory over Harborcreek, handing them their first defeat in 2 years. Good luck 9th graders as you enter the varsity program.

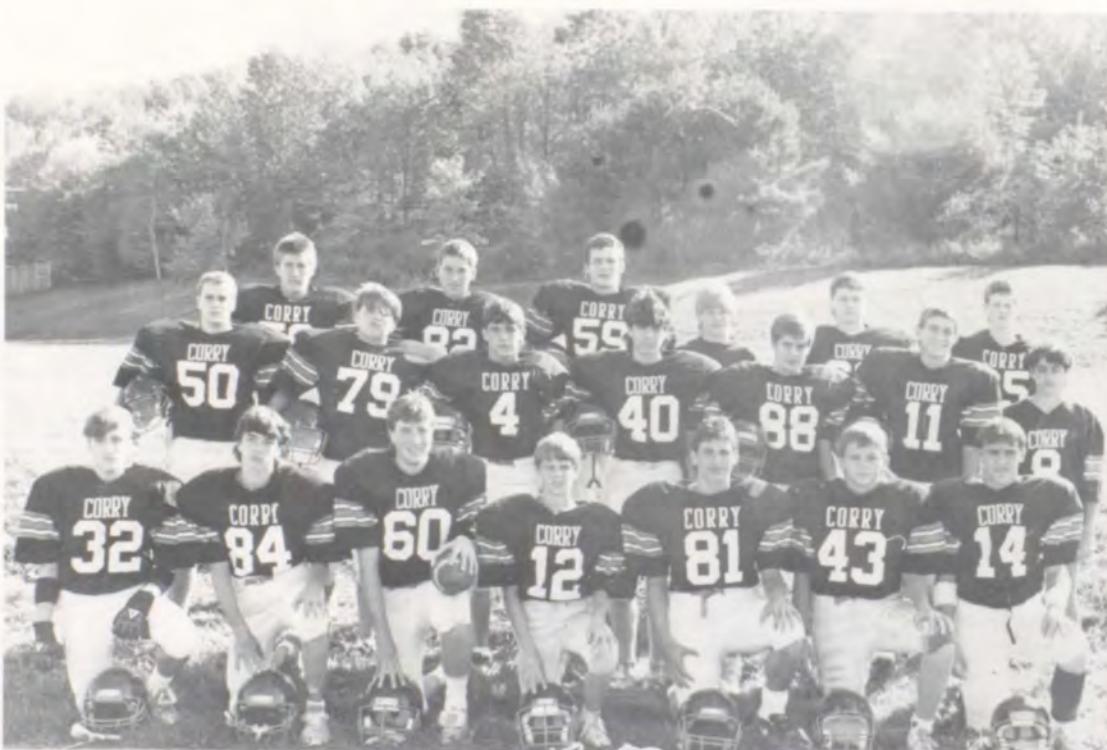

The 8th grade football team also did very well, with a season that ended with 3 wins and 2 losses. The emphasis on Fundamentals and discipline and their willingness to

learn should be great assets to them as they become a part of a sports tradition-CORRY FOOTBALL.

Their willingness to excell is only exceeded by their desire to eat junk food, and run 330's.

## Junior High Boys On Their Way To Varsity!

Ryan Ralph shoots for two!

1991-92 Eighth Grade Basketball Season.  
This has been a very rewarding and enjoyable basketball season for me and hopefully for the team. They have come together as a team and have shown tremendous improvement. Through some frustrating games, their attitude remained positive and signs of improvement were obvious. This is a fine group of young men who are a joy to coach and have a great future in life and basketball. Their parents and their school should be proud of them.

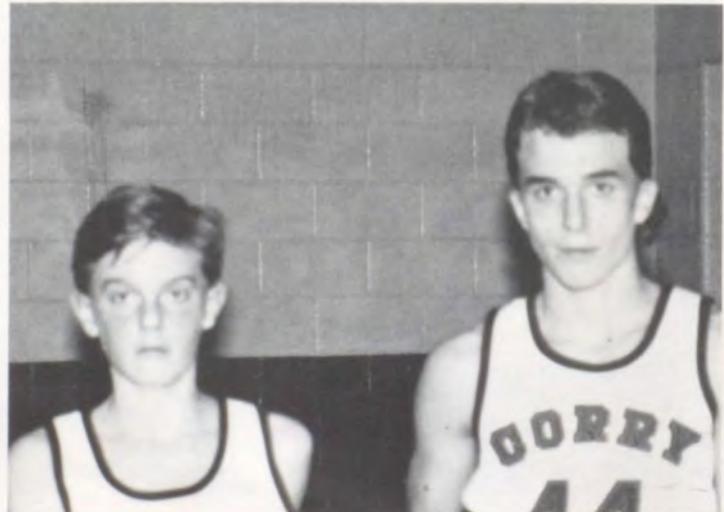

Coach Keith Hanlin

Nate Alsdorf goes for the score.

# #1 In The ECL!

This years team features good speed, great shooting and some "tall" players inside. That combination has led to many high scoring victories. Included in the wins (as of 2/4/91) is the ninth grade teams' first win ever over Girard, two over a good Fairview club and near win over always tough Cathedral Prep.

# Shoot For Two!

## Baby Beavers Show Their Talent On The Court.

The 1990 Girls 8th Grade Basketball Team had a very successful season accumulating a win-loss record of 15 and 4. In the North East Tournament, Corry climbed into the finals with wins over Ft LeBeouf and North East, then lost a close game to arch rival Girard.

The following comments highlight individuals who played a major role in Corry's successes.

Megan McCray set records in all areas of basketball skills. She was one of the most outstanding players in the junior high league in many years. Yet McCray was a very unselfish player and always seemed to find an open teammate with her lightening quick passes.

Kirsten Kolaja was Corry's other

top scorer. She also developed into a strong defender.

Mandy Johnson used her speed and aggressiveness to force opponents into many overturns.

Danielle Brunecz improved greatly over her 7th grade season. She was a strong rebounder and a solid defender.

Shannon Gallagher filled the other forward position. Her defense and hustle were excellent.

As a 7th grader Megan Emmons did exceptionally well. She alternated with Gallagher at forward and was noted for her strength and speed.

The Baby Beavers can be very proud of their effort and team spirit that resulted in a strong season and in some great memories for themselves and their fans.

Megan McCray, who had a total of 249 points this season, dribbles toward another basket.

Megan Emmons shoots from the foul line.

## **Jr. High Wrestlers Show Us Their Strength And Skill.**

Wrestling is one of man's oldest sports. We can trace wrestling's origins back over 5,000 years. Wrestling is a sport that demands strength, alertness, agility, and quickness. It is also a sport that develops character, discipline, and competitiveness.

The 90-91 season for the Junior High wrestlers has been active in developing their

wrestling skills. Through practice, conditioning, and competing, they have been busy showing off their talents.

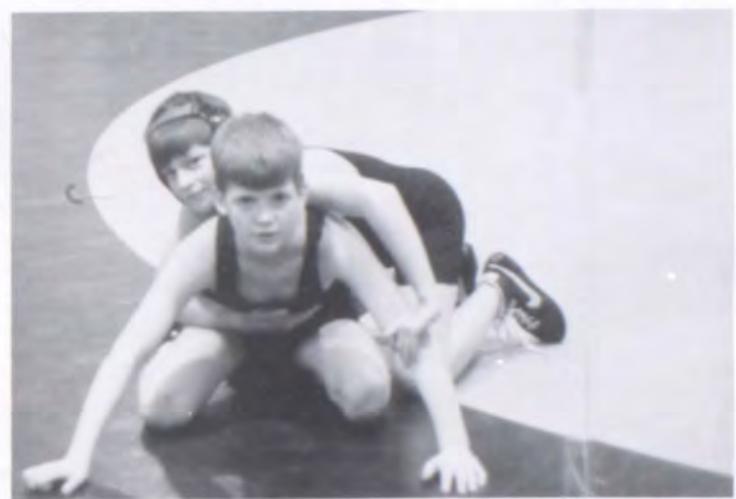

This year's team began with a variety of skill levels for our 7th and 8th graders. They have worked hard at improving their techniques and moves. It has been a positive year for each of our wrestlers, their hard work and dedication will prove itself in the years to come.

# Moving In After School

The 3 o'clock bell may signal the end of classes, but is just the beginning of club meetings and practices. Monday evenings are often filled with Junior Class meetings, while Wednesdays at seven are reserved for Student Council. Yearbook staffers can often be found in Room 203 near deadline time. As the halls empty, cheerleading practice echoes through the corridors.

Student Council President Scott Henderson.

# Overcoming The Impossible

## — Yearbook Memories —

- Larry wondering why ten girls were in Cathedral Prep's guys room at 2 a.m.
- Mary Beth and Jenny singing Skida-ma-rinky-dinky-dink Skida-ma-rinky-do I Love You!
- Hearing about 20 years from now for the next 20 years.
- Karen dealing with lost photos, blank film, and more blank film.
- Being eternally grateful to Dan Ford for all the photos he gave us.
- Amy finally understanding while doing the Junior Class section.
- What's more important Mr. Wilson, "The historical yearbook of our school or equipment for the next year's *FOOTBALL TEAM?*"
- Staci Hyer doing an excellent job on ads.
- Many people contributed to this book. A special thanks to: Mr. Wilson, Jenny Cochran, Heidi Babcock, Marciel Jenson, Brett Mitchell, Mr. Klapthor, Mrs. Correll, Dan Ford, Linnell Ashby, Linda Nolf, and Jostens' Reps Larry Inthithar and Michelle Allen.

The things you said or did meant so much when I thought I was facing the impossible.

Thanks, Chawn

Congrats to the staff you really "overcame the impossible."

The Junior High Student Council members were elected by their classmates to help organize activities for all of the Junior High. Some activities include sponsoring dances throughout the year and having contests, like renaming the maintenance building, and door-decorating for Christmas. Every Tuesday, 10 members eat lunch with the Trainable Students. In addition, all members attended a Fall Conference at a local District 1 school. Several members will attend a Spring Conference at another school district. These conferences are both a fun and learning experience for members.

Signs filled the halls for the election of officers.

The council's advisor, Mrs. Piemme.

Charity Stoltz and Shawn Krasa ran for election to an office.

## Senior Executive Council

Senior Executive Council members help to organize activities for their class. They organize the cheese and sausage sale, class trip, ordering caps and gowns, graduation announcements, and tee-shirt sale.

Row 1- Corrine Lindsey, Lori Skuse, Tami Fralick, Millie Brenner, Kelly Holthouse, Jay Troyer. Row 2- Amy Mennen, Stephanie Kunovic, Kathy Baker, Bill Zimmer, Scott Henderson, Paul Pirozzola. Row 3- Chawn Frontera, Sara Mikesell, Kim Murray, Trevor Cobb, Thad Jackman, Ron Allender.

## Junior Executive Council

The Junior Executive Council is made up of volunteering juniors to help raise money for the junior class. The council raises money by selling class sweatshirts, and having the annual magazine sale. They are in charge of the organization of the Junior-Senior Prom. They also sponsor the junior class trip.

Row 1- Kelly Royek, Amy Hamilton, Jane Roche, Eric McCray, Jason Beckwith, Jay Herberg. ## Vera Via Satellite

Members of the Russian Club are: Cindy Tucci, Jennifer Benson, and Julie McKeta.

The Russians are coming-the Russians are coming! Well by satellite anyway. Corry students began a pilot satellite Russian language program this year. Students view and correspond with their teacher via the SERC satellite program. This initial program will develop into many other educational uses throughout the school years.

## Corry Students Save A Life!

The Blood Mobile comes to Corry High School twice every year. This year we had over 80 students in the 11th & 12th grade who were over seventeen that participated in giving blood. We had many students to help make this possible. Kelly Grant and Sara Mikesell were Co. Chairman.

Row 1- Sara Mikesell, Kelly Grant. Row 2- Bill Zimmer, Kim McClellan, Carla Vancheri, Thad Jackman, and Joe Nichols. Missing from photo is Dawn McChesney.

## Beaver Power

Journalism 1 is a course where the basics of newspaper preparation is covered. Headlines, writing, layouts, proofreading and story selection is reviewed. Journalism 2 goes beyond the basics covered in first year Journalism by giving students opportunities to create their own news stories, and reports for the Corry Journal. Students showing aptitude in the journalism field often pursue a career in this area.

row 1: Chris Shreve, Ann Manno, Dawn Edwards, Naomi Prather. row 2 Rindy Davis, Brad Ayers, Mike Myers, Bud Firth, Carrie Cole

## Corry Students Have Pep!

Corry's Spirit this year was outrageous. Students were full of spirit. With the thought of only winning on their minds, the Varsity Football Cheerleaders came up with the idea of the Pep Club. Corry's finest students can be heard cheering on the Beavers greatest athletes.

row 1 Carrie Migliaccio, Jenna Hammond, Tammy Graves, Kim Daley row 2 Carrie Cole, Chad Sutton, Sunshine Fellows, Diane Hogan, Raechel Tripp, Cammie Mitchell, Tricia Patten, Nancy Malek, Dawn McCheshey, row 3 Emery Faith, Jake Piemme, Chris Ross, Tony Scott, Kristen Albers, Missy Brooks, Tonya Caldwell, Tracy Polach, Jill Amoroso, Sara Mikesell, Stephanie Albers, Tony Knapp, Tim Scott, Chris Hrenko

## Life Skills Support Class.

1st row: Robyn Berkhous, David Ray, Chris Migliaccio, and John Migliaccio 2nd row: Amy Zerbe, Aaron Migliaccio, Darnell Cooney, Connie Migliaccio, Kerry Cooney.

The Life Skills Support Class provides training for moderately retarded 14-21 year old students. Emphasis is on life skills. Students learn survival words, shopping skills, cleaning skills, good manners and hygiene, how to purchase items, and pre-vocational training skills.

## Good Earthlings.

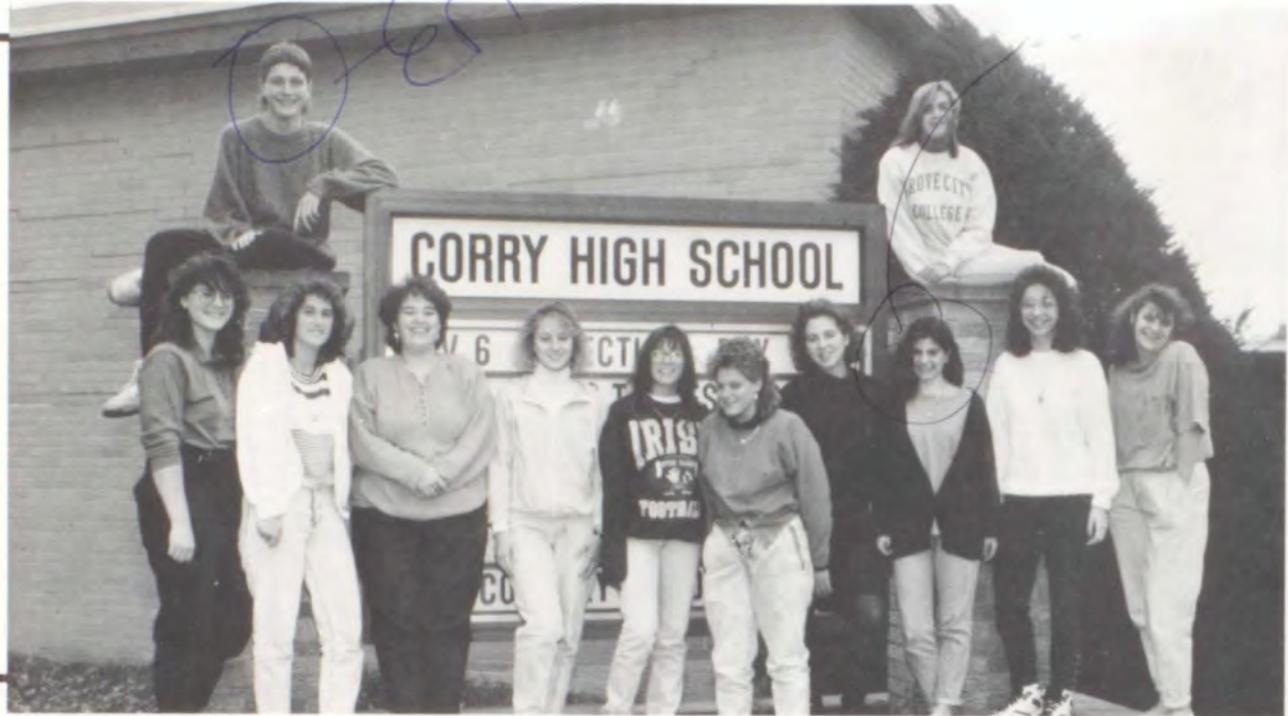

Good Earthlings help TMR students. They act like their "Big Buddy", helping them learn and understand things. They show them how to have a good time, and do things to the best of their ability.

Advised by Mrs. Gernovich, Good Earthlings raise money by selling food and drinks at all sports events.

## Making Organization Out Of . . . . .

The Guidance Monitors did a lot of organizing in the office, that was packed for summer renovation. They also run errands for the Guidance Counselors, and help Mrs. Mahoney look up student records. They aid the Juniors and Seniors in using the Discover Program and help them look up certain colleges they're interested in, and want to apply to. Most of all they keep the Counselor's out of trouble.

Row 1- Eric Beardsley, Lisa Mulligan Row 2- Crystal Miller, Wendy Staples, Carrie Cole, Heather Zyck, Cassie Read, Sherri Konen, Kathy Baker, Dawn Walton, Tina Craker, Janice Miller

## Aiming Toward Service

Office monitors answer phones, take messages, and run errands for the Secretaries, and Mr. Bell. Also they sort mail into the different mailboxes, and offer assistance to visitors that need help in the office. Office Monitors run copiers, put together handouts, and look up student's schedules and records if needed.

Row 1- Jill Amoroso, Dawn Edwards, Wendi Hamilton Row 2- Brenda Krizo, Jillie Chris, Christi Fisher, Tricia Fisher, Jenny Burek, Marnie Watrous, Emily Dingle Missing: Julie Munn, Kathy Krizo, and Vanessa Haenel

## On The Sidelines!

The Athletic Trainers Club is a group of dedicated students, who have been taking the athletic training class. These students work with the various sports teams through the year. A trainer is present at every sports event and practice. They are taught by Bridgette Passuer and Mr. Bennink.

Row 1: Shelly Conner, Karen Jaquith, Erika Sill, Lisa Reed, Jacque Hill, Row 2: Leah Marther, Carrie Dubrosky, Carrie Cobb, Sarah Alsdorf, Heather Schoppel, Todd Walsh, Katie Lindenberger, Matt Patterson missing: Kelly Holthouse, Shannon Rupp

## Lights! Camera! Action!

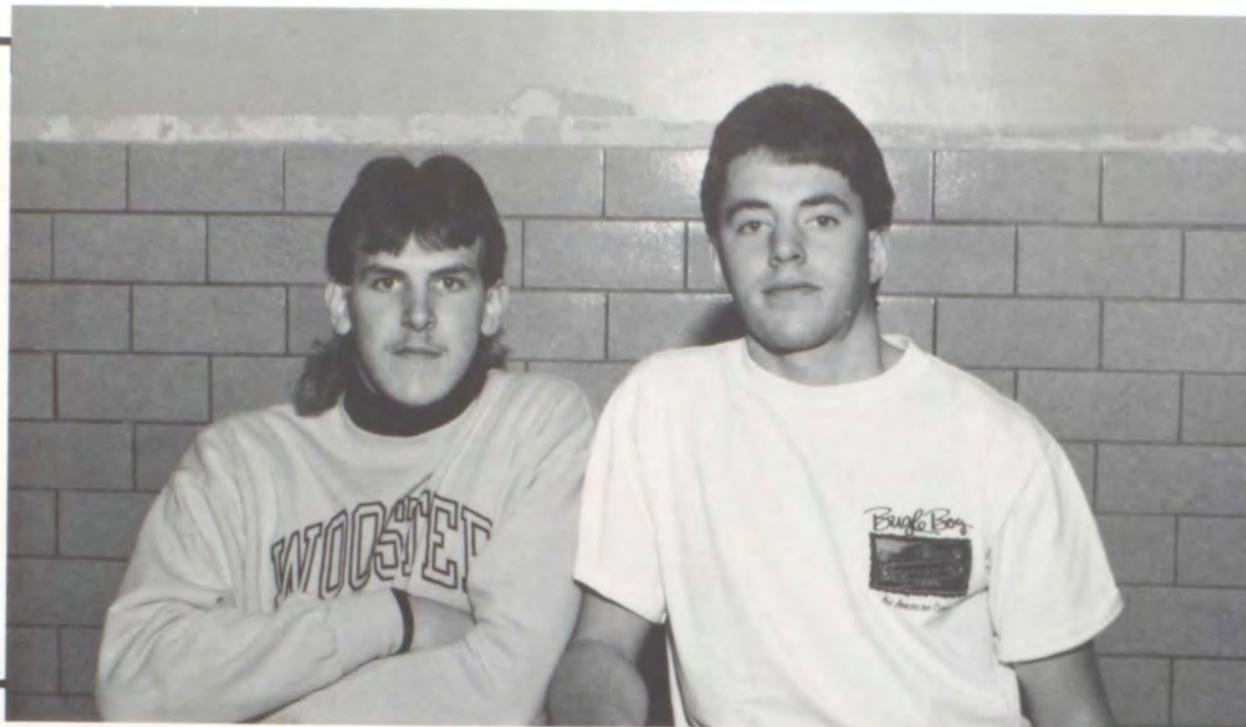

The Stage Crew is in charge of every production that takes place on stage. They are in charge of the lighting, sound system, curtains, and clothing. Without this dedicated group of people, the stage productions would not be possible.

Row 1: Mike Brown, Heather Moore, Rachael Culver, Row 2: Jay Herberg, Jeff Sulz, Don Trisket, Jed Allen, missing - Alex Potocki, Tim Chris, Mike Campbell, Doug Halsey

## Working To Pull It All Together

The Carnival Chairmen do most of the organization for the St. Patrick's Day Carnival. Every idea for the Carnival has to go through the Chairmen. This year they decided to have a dance the Friday night after the Carnival to give it a big finale. The Studio 54 Dance will include grades 7-12th, the dance will have \$100,000 worth of equipment which will cost us \$1200 or more. The equipment will include fog machines, video cameras and screens so students can watch themselves on video.

Row 1- Jeff Hennigh, and Mark Brenner Missing: Mike Marsh

## In Control

The School Treasurers handle the accounting for the School's many clubs and organizations. They work everyday 5th period under their advisor Mr. Simmons. The treasurers keep the money situation running smoothly!

Row 2- Melissa Patterson, Wendy Amond, and Renee Estes

## Library Aids

These students of Corry High School are helpful in many ways during the day as duty of a library aid. They keep busy by checking books in and out and putting them away, zeroxing, laminating, and they also file magazines and catalogs. Mr. Mitchell and Mrs. Brooks thank you for your help.

Row 1- Tricia Patten, James Brooks, Brett Mitchell, Mervin Miller. Row 2- Missy Lilley, Brenda Beal, Kim Mitchell, Tanya Goodwill, Keri Mitchell. Row 3- Kim Murray, Tricia Wojtecki, Sue Long, Tammy Benchek, Heather Clark, and Ken Hannold.

## Nurse Monitors

Every year the School Nurse hires about 10-20 monitors to work in the Nurses Office. Guys and girls can fill these positions. They give up a study hall to do helpful jobs for the nurse, Mrs. Gregory. Those duties include running errands, answering the phone, filing, copying forms, alphabetizing forms, helping with particular health tests, and whatever needs to be done. They make everything run more smoothly in the Nurses Office. I really appreciate their help. - Nurse Gregory

# Moving To The Beat

The Music Department consists of several performing ensembles for all grade levels. The seventh, eighth, ninth and Senior High chorus provide an outlet for vocally talented students. Chorus students also compete at the District, State and Regional levels.

Student instrumentalists are provided with Junior and Senior High band. All ensembles perform many evening and assembly concerts. The Marching Band competes in at least 5 contests per year. Corry also hosted "The Winds of Autumn" band competition this year.

Instrumentalists Jessica Hanlin and Aaron Peck sound off in the Marching Band.

Once Again, the Corry Beaver Marching Band had an outstanding season. Earning 3 First Place awards, 2 Second Place awards, and 2nd Place at LMBA Championships, the bands' hours of hard work and determination really paid off. One thing all of the band members will remember about this season, is the band motto for the

season—"WE AIN'T AFRAID!" This Motto Helped the members through some pretty muddy fields, and some pretty tough competitions.

I'm sure most of the school will agree-when we say—"We Appreciate You Band!"-and you're definitely—"On the Move!!!"

The Corry Beaver Auxiliary had an excellent season. The key to their successful season was acting as a team. There were no captains picked this year, so the girls were forced to be a team. And they did a GREAT job. Though the two groups numbered small in size, fifteen in all, they both made up for it in talent. Way to go girls!!!! "YOU AREN'T AFRAID!!"

The Concert Band is under the direction of band director Mr. Bill Burns. The Concert Band works hard and practices very long hours to put on concerts. The band performs for parents, students and even senior citizens. They put on Christmas concerts and even Spring concerts. They do many popular songs, in different varieties. In the past, the band has performed "Batman." Being in Concert Band gives musicians a chance to broaden their horizons, and study music that may be helpful, if they pursue a musical career.

# Soon To Be Moving

Corry Vo-tech Students will see many advantages when they move back to the High School. Some of these will be no more bus rides and an extra period to take an elective. Vo-tech classes will be modernized when their wing at the high school is complete. New class titles will be Power Machine Occupations, Building Trades Maintenance, Building Trades Construction Occupations, Cosmetology, Personal Care, and Metal Working Occupations.

Auto Mechanics students Shannon Christensen and Harry Wilcox

# AUTO MECHANICS

The Auto Mechanics course gives the student the basic knowledge of the automobile. They have the opportunity to work in their own vehicles. Repairs include repairs on engines, transmission, rear axles, and electrical systems. Job demand in the automotive field is on the increase everyday.

**OBJECTIVES:** Preparing students to enter the auto repair occupations with entry level competencies.

**ACTIVITIES:** Tasks necessary to gain the competencies required for entry level into the auto repair field.

Corry's Free Dyne working hard with a few guys that go to Union City.

Boys is that hard to push?

Eric Shreffler goofing around with a Union City student.

Keith Kurlewech and Chris Migliaccio working hard.

Back Row: Bill Simmons, Tom Willis, Shannon Christensen, Chris Migliaccio, Chad Meyer, Rick Berry, Roger Lindstrom, Harry Wilcox, Front Row: John Rittenhouse, Mike Taubert, Keith Kurlewech, Tom Denardi, Ed Curtis, and Jerry Hayes.

Eric Shreffler and Free Dyne take time out to pose for a picture.

# AUTO BODY

Back Row: Steve Whitaker, Fritz Haneal, Scott Bolvin, Chris Vantassel, Tim Chris. Front row: Raymond Fahey, Patti Hart, Hope Cooper, Brian Leupold, Dale Murdock.

Brian Leupold working hard as usual.

Auto Body repair course includes: removing dents, repairing damaged panels, replacing parts, refinishing spot repairs, reupholstering the inside of a car, and installing accessories. The students receive additional learning experiences on specialized machines. These experiences give the students an added advantage when they graduate. They already have experience which sometimes is the difference of whether or not they get a job.

**OBJECTIVES:** Provide students with the necessary skills to repair auto body damage.

**ACTIVITIES:** Damage analysis, collision repair, restoration, refinishing, and glass work.

Mr. Feltenberger what are you doing?

Guys what are you doing behind there?

Dale Murdock taking a break.

# MACHINE SHOP

Students in Machine Shop learn industrial and technical skills used to make tools. They are provided with instructions in setting up and operating milling machines, drill presses, precision grinders, metal lather, shapers, and other production machines found in industry. They work on trade related projects and repair the school district's maintenance equipment. Usually 60 to 85 percent of the students are placed in a job related field.

**OBJECTIVE:** preparing students for a meaningful job and career.

**ACTIVITIES:** Lay out, blue printing machine operation, math and some trigonometry.

Back Row: Jamie Hayes, Chris Silka, Clarence Sherman, Kelly Schweitzer, Brian Thompson, Steve Vanderhoof, Rob Pognent. Front Row: Allen Snapp, Keith Stroup, Tom Wronek, Tom Palmer, and Tim Rogers.

Keith Stroup working hard.

# AGRICULTURE

Back Row: Bill Akam, Derrick Stine, Jason Morton, Gilbert Johnson, Marvin Swanson, Mark Iliff, Brian Rathburn Kneeling: Scott Taubert, Dave Graham, Ken Sliker, Mike Socie

The Agriculture program prepares students for entry into farming related business and industry through both theory and practical experiences. Agriculture includes training in crop and livestock production, soils and soil fertility, and wood lot management. The course also includes implement repair and maintenance, welding and metal working, building construction and maintenance, and tractor repairs and maintenance. Agriculture is a supervised occupational experience and produces students with on-the-job experience and record keeping skills.

Mr. Wright, the teacher, takes a break.

Mike Socie, working hard.

Brian Rathburn cleans up his materials.

I'm trying to work.

Derrick Stine and Ken Sliker learn welding as part of the Ag program.

# WELDING

The goal of welding is to teach basic learning experience as a general industrial curriculum designed to prepare a metalworker capable of fabrication and assembling a variety of products in metalworking occupations including machining, welding, sheet and plate metals.

Instruction includes planning, layout, setting up and operating fabricating machines in the manufacturing and assembling of metal products and structures. A variety of metals are formed, shaped, cut, twisted, bent, pressed, fused, marked, aligned, fitted, welded, or otherwise worked upon.

Instruction emphasizes knowledge and skills in preparation for employment in sheet metal, welding, millwright, machine tool operator, etc . . .

Back Row; Steve Jackman, Joe Malek, Rob Raupach, Kerry Neiswonger, Dar Jaquith, Dave Kostreba, Eric Griswold, Josh Potocki. Kneeling; Tom Jackson, Mike Campbell, Doug Halsey, Scott Kerr.

Dave Kostreba works hard to finish.

Mike Campbell prepares to sauder.

Mr. Dougherty teaches two classes at Votech.

# CARPENTRY

The three year Carpentry program at the Vo-Tech is where students learn the basic construction industry skills. The basic skills include reading blueprints, framing houses, and finishing the house. The different skills learned at the program will lead to a related job after graduation. The major project the Carpentry class worked on was the addition to the Maintenance building, where the eighth grade holds daily classes.

Don McCammon double checks his work.

Don Hulings helps construct the maintenance building.

Rodney McCray checks for accuracy.

Mr. Millspaw instructs the students.

First Row: Jeff Silka, Dave Southworth. Second Row, Tom Lindstrom, Rod Johnson, Jay Herberg, Sam Wyman, Don McCammon, John Wood, Bret Kusiak, Marcus Portice, Third Row, Roger Gilbert, Don Hulings, and Kevin Vanderhoof.

# HEALTH ASSISTANT

Students in the Health Assistant program learn basic skills required to a health or medical assistant in a hospital, doctor's office, or in homesetting.

While learning these skills, they work in a clinical setting and make special trips to the Corry Manor. Other times they go to the Corry Hospital to utilize their skills. They all must receive a certificate in CPR. After completing the course, 90 percent of the students get a job in a related field.

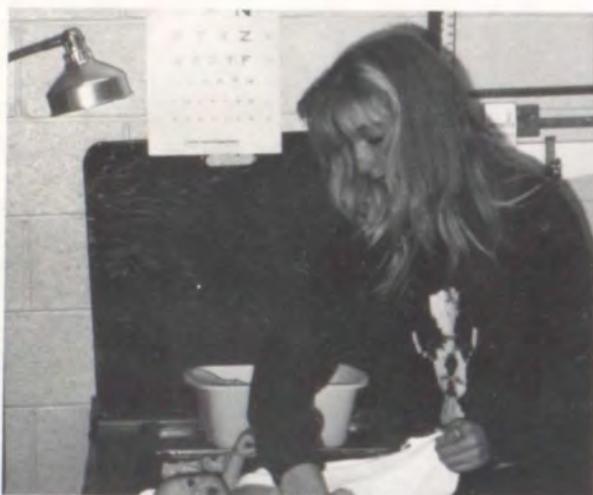

Paula Deane, Veronica Lindstrom, Peggy Caldwell, Tammy Alford, Linda Hannold, Sheila Ploss, Amy Baily, Rae Besanson, Angela Cooper, missing from photo . . Patricia Jaquith

Paula Deane weighs in with Angela Cooper.

**OBJECTIVES:** To give the students some training in the Health Care Area.

**ACTIVITIES:** Training to assist in the Doctor's office, hospitals, or other types of health care facilities.

Row 1: Cindy Whitney, Tammy Powers, Tracy Dominessy Row 2: Tammy Meadow, Tina Hazeltine, Michelle Corbet, and Valarie White

While students are in Cosmetology, they train for the State Board Exam. The exam includes ability to manicure. During training, they go on field trips to several hair shows, aid teachers with instructing the adult programs, and compete in VICA. Each year more students go on to a more advanced Cosmetology school.

**OBJECTIVES:** To obtain a successful career in cosmetology.

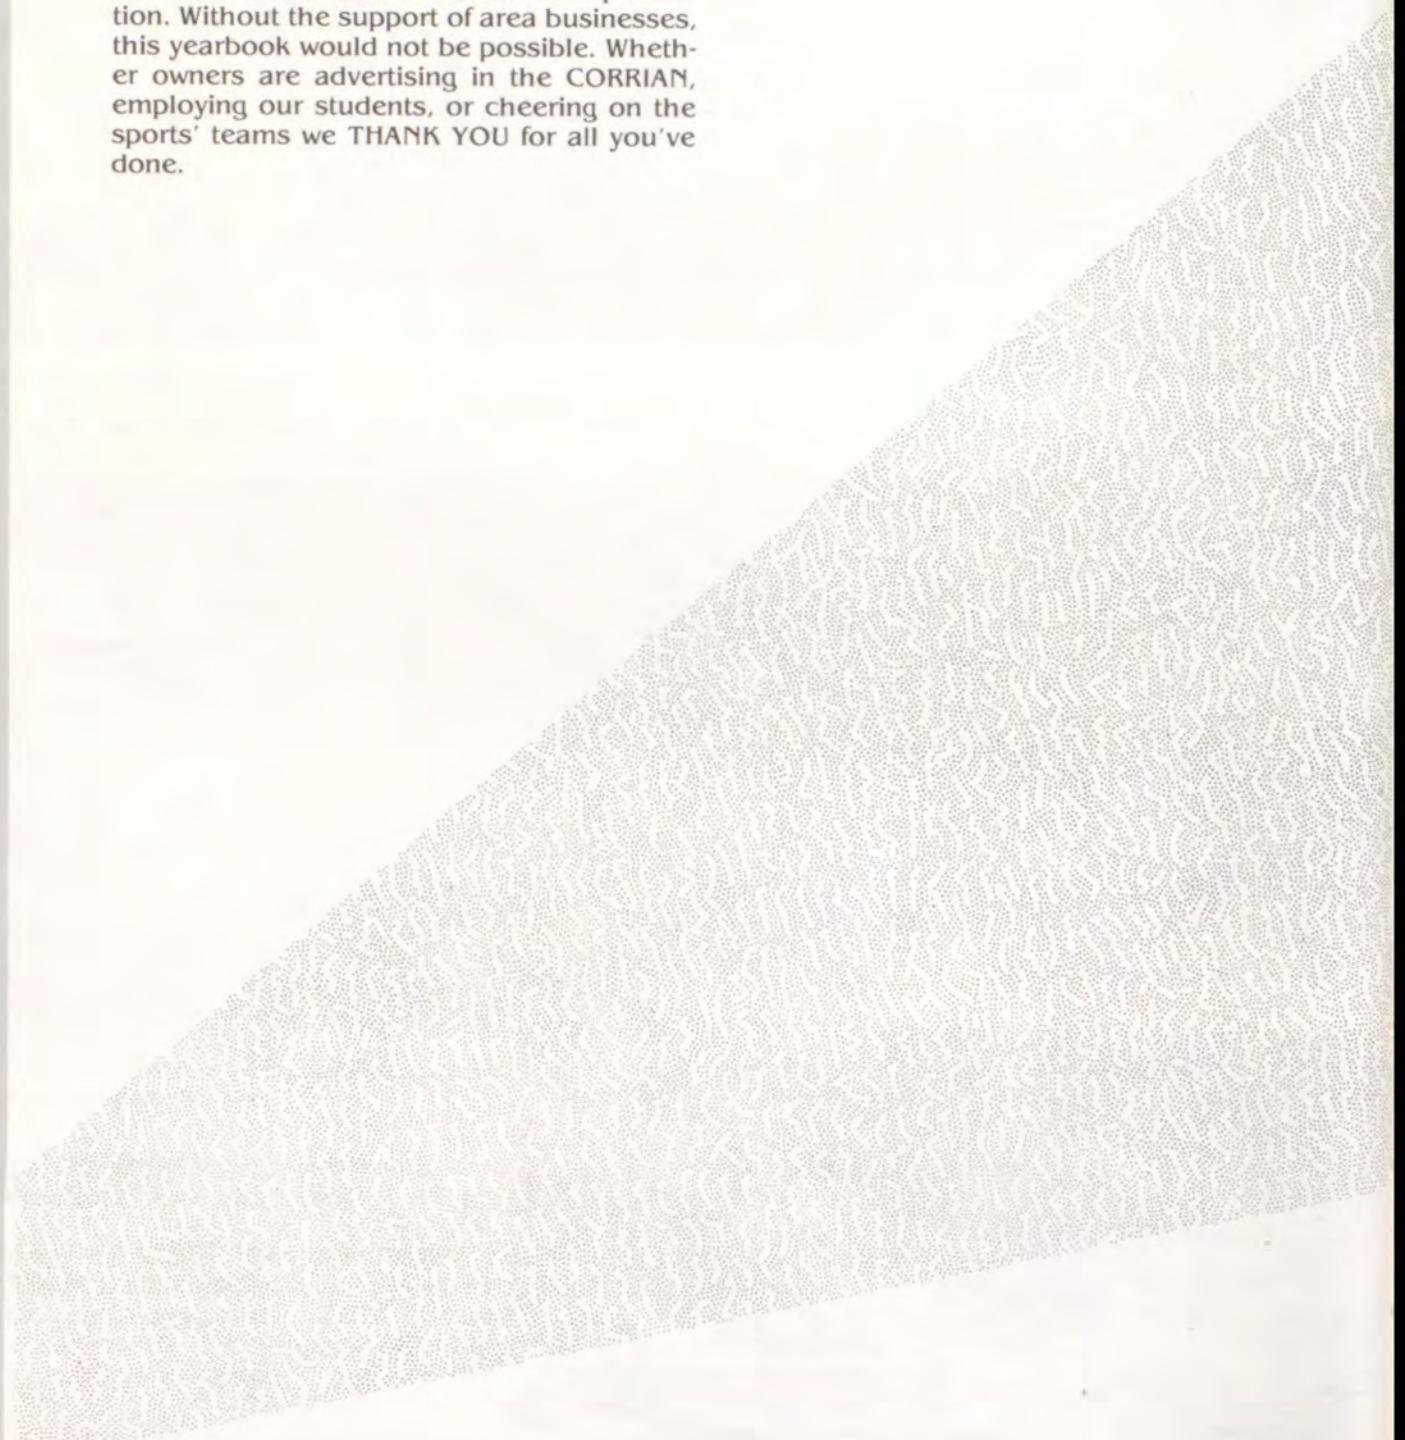

**ACTIVITIES:** Cosmetology classes perform many activities such as hair cutting, hair styling, perms, roller sets, and much more.

Patti Caldwell shows her style.

# Moving Up The Ladder

Area businesses support the school and students in many different ways. One way is by employing students. These employers give students job experience, teach responsibility, and sometimes offer a chance for a promotion. Without the support of area businesses, this yearbook would not be possible. Whether owners are advertising in the CORRIAN, employing our students, or cheering on the sports' teams we THANK YOU for all you've done.

Cashiers' Debbie Catalfu and Melanie Grant work part-time at Buyers' Fair.

## Corry Area High School

534 East Pleasant Street  
Corry, Pennsylvania 16407  
814/665-8297

To the Senior Class of 1991:

Let me first congratulate you on the occasion of your June 4, 1991 graduation from Corry Area High School and to commend you on all your achievements.

During the past four to six years, the administration and faculty have watched you grow more poised and confident in your capabilities. Your class can be very proud of itself for leaving a "lasting" mark on Corry Area High School history. The ugly bare floors, walls, ceilings will soon be disappearing with the completion of the renovation. But your contributions, such as enthusiasm, spirit, and leadership will linger on with us for many years to come.

My hope as principal is a selfish one. That is that all upcoming Senior classes be as positive and show the leadership like the "Class of 1991" has shown.

Life has many great things to offer anyone who sets out in earnest to discover its gifts. You are taking an important and memorable step on June 4, 1991, by graduating from Corry Area High School, but this is certainly not the final step. Some steps will be positive and some will be negative. We certainly hope you have more positive steps and lead a very productive life.

I know you will do well in the future and will continue to make all of us, including your parents, proud of your accomplishments. More than that, I know you will continue to be fine young men and women you have become.

Let's all hope for peace in the Persian Gulf and within ourselves.

Best wishes!

Sincerely,  
Harry W. Beil

HARRY W. BEIL, Principal

# AMERICA AT WAR

• OPERATION DESERT STORM •

BAGHDAD

January 17, 2:44 a.m.

Corry High School students supported the Corry men and women that are fighting for our country over in the Middle East, by donating items such as soap, toothpaste, and chap stick for care packages.

Mr. Lindsey played the major role in getting the students involved in donating the items.

This year the Psychology and Sociology students dedicated their program to the soldiers in the Gulf by ending with the song *I'm Proud to be an American*.

Also the teacher's dedicated a section of their Christmas Program to the past and present soldiers that have fought for our country.

These are the names of our friends and families from the Corry Area that are stationed in the Middle East.
