While the kids take their final exams, Mrs.

Joy is hard at work.

Mr. Brady finds this student's work very interesting, and is excited to see the rest.

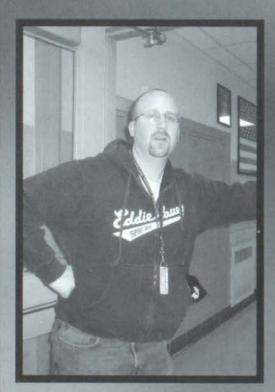

Although Ms. Wojcicehowski is only a substitute, she enjoys explaining the daily schedule to the class.

"Unless you try to do something beyond what you have already mastered, you will never grow."

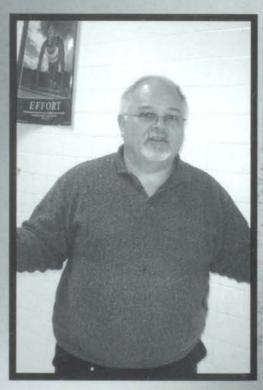

#### - Ralph Waldo Emerson

Mr. Potocki stands gaurd at his classroom door to make sure each student enters with a proper attitude for class.

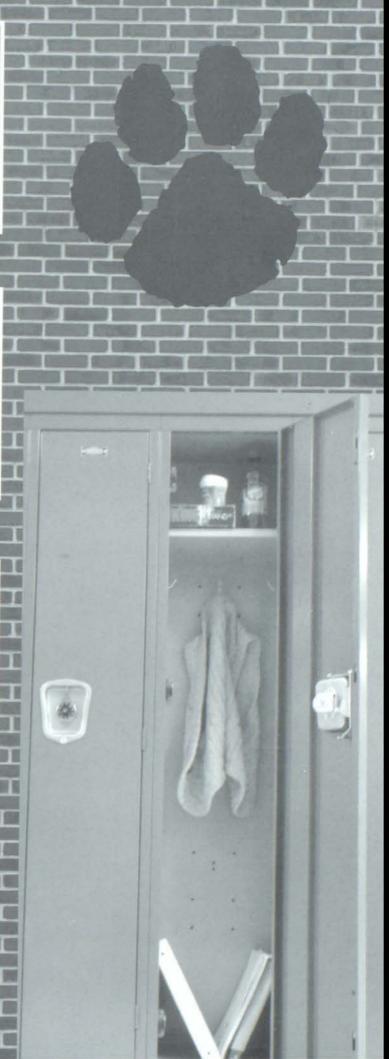

While demostrating to the class Mrs. Hoover pokes herself with the needle.

Mr. Forrest poses for the camera while handing a student his work.

### FOREIGN EXCHANGE STUDENT

#### TANJA LOKANCEVIC

Tanja Lokancevic from Lunen, Germany is the foreign exchange student for the 2011-2012 school year. She is a cheerleader, a member of the track team and also performing in the musical. Her favorite thing in America is the food, she likes barbecue sauce, Gobstoppers and brownies. What Tanja misses most about Germany, though, is also the food, public transportation and all of her friends and family. She says the school system is the biggest difference between America and Germany. Tanja plans on attending university for medicine after finishing two years of high school when she returns home. Her best memory was when she went to Hawaii for a week with many foreign exchange students from all over the country. She also visited Pittsburg and Niagara Falls.

#### DARE TO BE GREAT!

For some 7th grade students, summer vacation ended a little early as they spent a few days getting introduced to the middle/high school, the teachers, mentors and new classmates during the "Dare to be Great" program.

Students who participated in this program were involved in activities to build teamwork and friendships. They created worry dolls, straw towers and orange julius. Speakers gave informational talks and at the end of each day lunch was provided. This has become a much anticipated activity for incoming 7th graders.

### Book Bistro

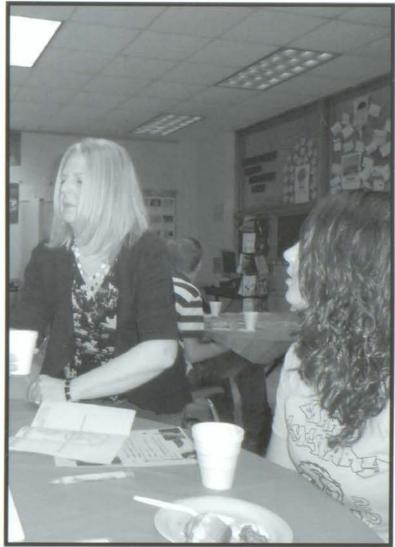

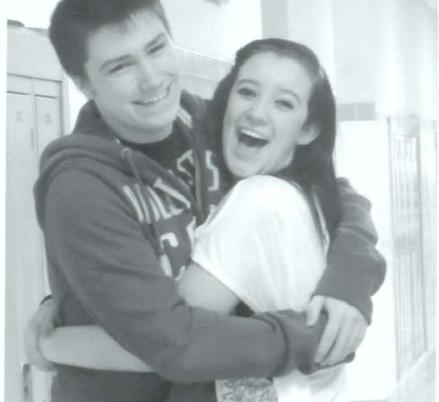

On December 21st Mrs. Peterson transformed her room into a Bistro. There was a variety of beverages and pastries that the students got to pick from. As the students heard the intresting books discussed, they were encouraged to add them to the "book buffet brochure." Overall, the students had a great time!

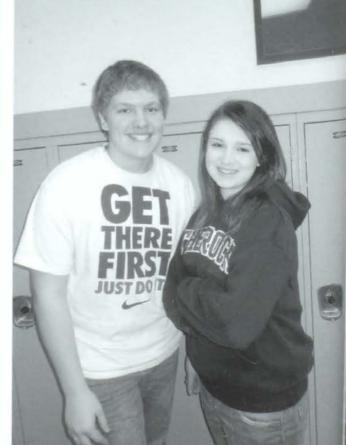

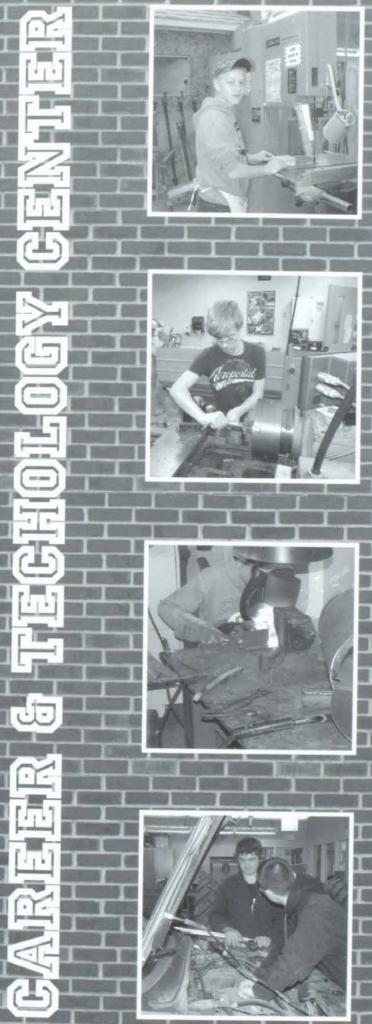

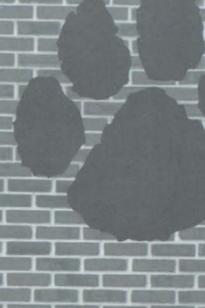

## Automotive Mechanics

### & Technology

#### What do you do in this program?

Students learn to repair automotive steering, suspension, brake, electrical, electronic, ignition, emission control and fuel systems. In small engine repair, students learn how to maintain and repair 4-stroke gas engines.

Is there immediate job placement or is other training needed? There is immediate job placement and ongoing on-the-job training available.

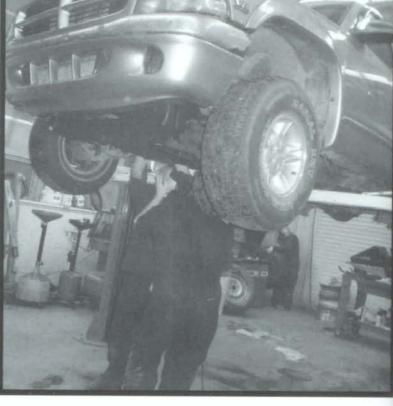

Job placement: There are 904 automotive mechanic jobs available annually in Pennsylvania.

At the entry level, how much can someone in this field expect to make? \$22,640

# Student SPOTLIGHT

Billy is in this program because he likes hands-on working. He plans to become a DOT COP after high school. He thinks the best thing about the program is that he gets to go out to the work force. He thinks that it's a great program and helps in the real world. He also said, "Thanks to Mr. Fowler for all of his hard work."

## Cosmetology

#### What do you do in this program?

Students learn anatomy, chemistry, electricity and diseases of the hair, skin and nails. Students also study various hair-related techniques, manicures, pedicures, facials and microdermabrasion.

Is there immediate job placement or is other training needed? After completing 1250 hours of training, students can take their state board and become a licensed cosmetologist.

Job placement: There are 941 cosmetologist jobs available annually in Pennsylvania.

At the entry level, how much can someone in this field expect to make? \$16.850.

Jestine is in this program because she enjoys working with hair. She hopes to take her stateboards and work at a spa during college. She loves working on special cases in cosmetology and performing services for her friends. She thinks that Mrs. Bird is one of the best

teachers and knows that she wouldn't be here without her.

### EARLY CHILDHOOD EDUCATION

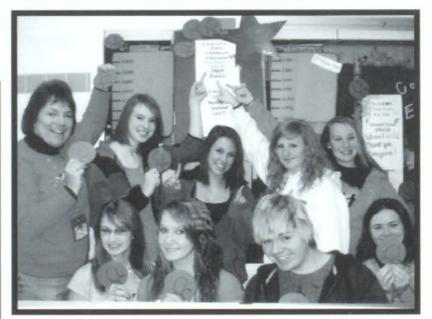

#### What do you do in this program?

Students learn the theories and guidelines related to the growth and development of young children. They also learn how to plan appropriate activities and assess young children. Is there immediate job placement or is other training needed? There is immediate job placement into daycare centers, also it is encouraged to get a degree for a higher paying job. Job placement: There are 2401 early childhood education-related jobs available annually in Pennsylvania. At the entry level, how much can someone in this field expect to make? \$16,690-\$32,900.

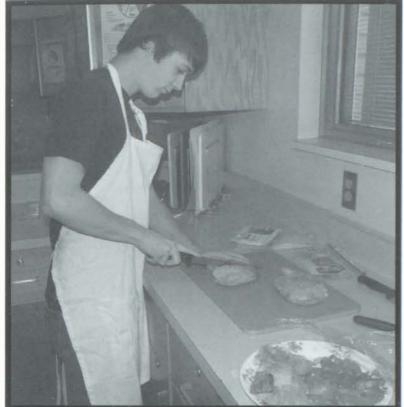

Cacey chose this program because she wanted to focus her career on children. For her, the best thing about the program is her friendship with Mrs. Joy. She also wouldn't have been able to work at the CMA preschool if it weren't for Mrs Joy and this program.

# Family & Consumer Sciences

What do you do in these programs? Students learn cooking, sewing, and other basic household and commercial skills.

Is there immediate job placement or is other training needed? Other training is needed for most courses. Entry level jobs in the food service industry are available if the ServSafe Professional Cooking course is taken.

Job placement: There are 71 cooking jobs available annually in Pennsylvania.

At the entry level, how much can someone in this field expect to make? \$23,230

Julie takes cooking classes in FCS because she loves cooking and baking. She said, "I don't have to sit... all day; I get to be in the kitchen." The cooking classes gave her the opportunity to learn new cooking skills and she gets to go to the PA Farm Show because of it.

# Metalworking Occupations: Precision Machining

What do you do in this program? You learn how to operate both manual and CNC machines, read blueprints, measure precisely, and inspect. It also prepares students for entry level machinist, CNC machinist, CNC setup and programming jobs.

Is there immediate job placement or is other training needed? There is immediate job placement.

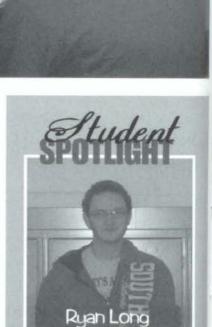

Job placement: There are 319 machinist jobs available annually in Pennsylvania.

At the entry level, how much can someone in this field expect to make? \$25,540

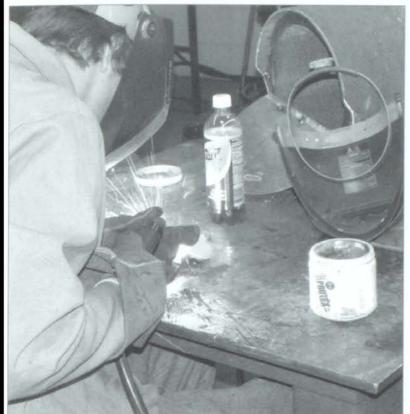

Ryan is in the program to learn how to run the machines and the techniques involved. Because of the program, he got a job at an area manufacturer. The best thing about the program is that you learn to run different machines and you have someone to help you.

# Metalworking Occupation: Welding

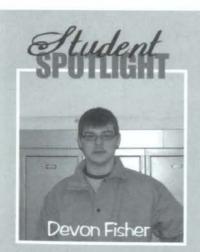

### What do you do in this program?

Students learn ARC, MIG, and TIG welding. They also learn some machining and sheet metal fabrication skills.

Is there immediate job placement or is other training needed? There is immediate job placement for this program.

Job placement: There are 388 welding jobs available annually in Pennsylvania. At the entry level, how much can someone in this field expect to make? \$26,480

Devon is in this program because he enjoys welding and learning new welding techniques. The best thing about this program is that you get hands on training and lots of practice. He said, "The teachers are really great about helping you learn."

# Residential & Commercial Construction

What do you do in this program? You learn what is involved in construction. Is there immediate job placement or is other training needed? You can start at entry level or receive higher education.

Job placement: There are 803 carpentry jobs available annually in Pennsylvania.

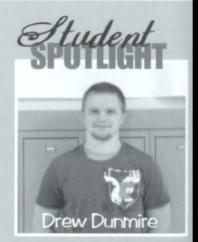

At the entry level, how much can someone in this field expect to make? \$26.580

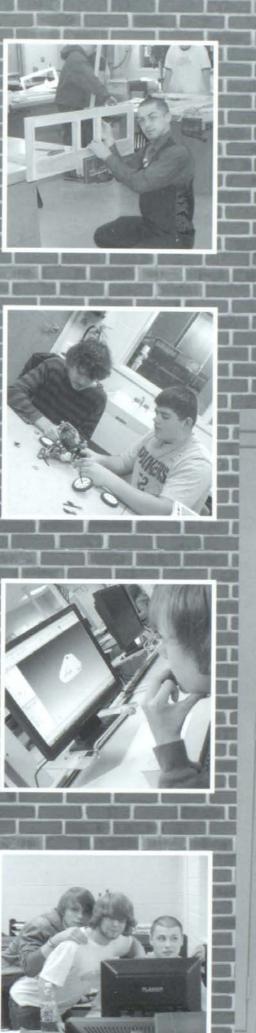

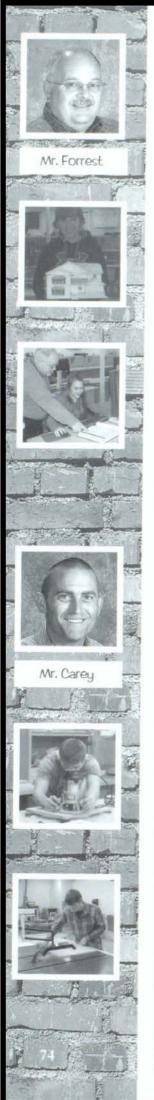

Drew is a senior in the Residential and Commercial Construction Program. He plans on becoming a carpenter after he has served in the military. The thing he likes most about this program is that it is hands-on.

# Drafting/CAD

# & Forestry

### Drafting and Computer-Aided Drafting:

What do you do in this program? You learn how to draw manufacturable products on the drawing board and the CAD program.

Is there immediate job placement or is other training needed? 2 to 4 years of college is recommended.

**Job placement:** There are 118 mechanical drafting jobs available annually in Pennsylvania.

At the entry level, how much can someone in this field expect to make? \$32,770

### Forestry and Woodworking:

Job placement: There are 146 electronic engineering jobs available annually in Pennsylvania.

At the entry level, how much can someone in this field expect to make? \$48.980

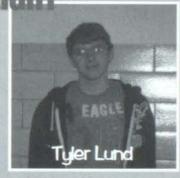

### **Graphic Communications:**

Kaylee took a graphics class to see what it was like and ended up really enjoying the classes. She said, "It really brought out the creative side in me." She also said, "Mr. Fourspring is pretty

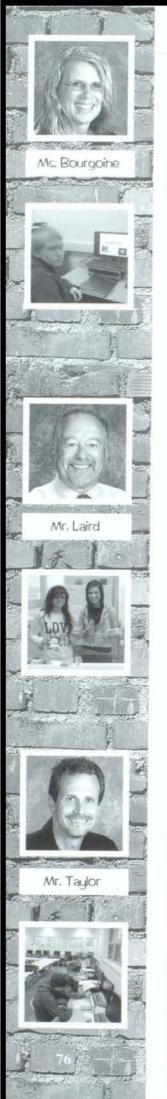

Fourspring is pretty awesome because he is thorough, there to help and really fun to be around."

### Robotics/Engineering:

Tyler chose this program
because he wants to prepare
for his career in aircraft
maintenance. He really
enjoys the class because he
gets to build robots and work
at his own pace.
He said, "Mr. Williams is a
very nice person."

# Business &

# APPLIED COMMUNICATIONS

What do you do in this program? You learn real-world applications focusing on accounting, marketing, and computer technologies.

Is there immediate job placement or is other training needed? The accounting courses are P.D.E. approved and can lead to an entry-level job. The courses offered also help with college, the military, and the workplace.

Job placement: There are 967 business administration/management jobs available annually in Pennsylvania.

At the entry level, how much can someone in this field expect to make? \$48,170

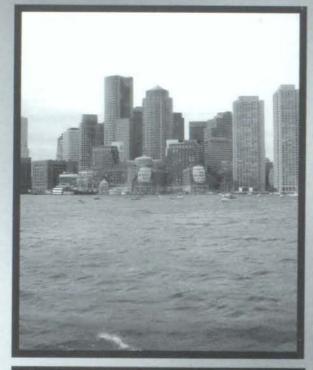

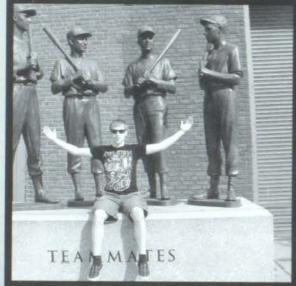

Karlie took accounting to explore a different field and figure out her career. She did like accounting, but she decided that she wanted to have a different career. She said, "I retained a lot of information. These classes could benefit other students' futures."

# **BOSTON**2011

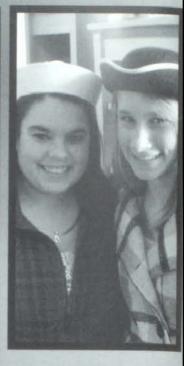

The students who went to
Boston in the spring of 2011
visited many historic places,
like Nathaniel Hawthorne's
birthplace, Harvard
University, and Fenway Park.
78 They had a blast!

The Boston Trip
was a great
experience for
these students. A
moment they will
never forget
when they go
beyond these
walls.

# MEW YORK

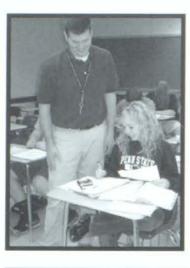

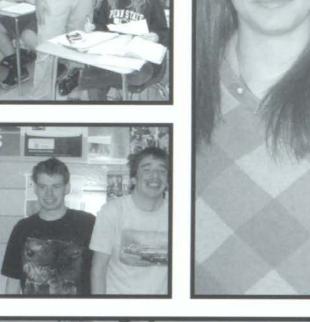

The students went to New York city and had a fun time there. They also got to explore the city. They even got to see the statue of Liberty and a lot of people dont get that expernce.

## HOLLYWOOD

On May 13, 2011, the old gym was transformed into the glamour of a Tinseltown hot spot. The stars of the evening were dressed in red carpet stule and chose a variety of "rides" to carry them to this yearly event. Even the rain couldn't stop the grand entrances of each group or couple.

On September 30 during the Homecoming game halftime show, senior Samantha Owens was crowned Homecoming Queen.

The football team unfortunatley lost against The Slippery Rock Rockets but definitely put on a good show for the crowd, which wasn't hindered by the bad weather.

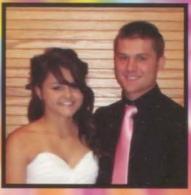

Rain and wind didn't stop the Corry Beaver fans as they piled onto the bleachers, ponchos and umbrellas on hand!

#### 2011 SPRING MUSICAL

Captain Von Trapp and Baroness Schraeder

The Sound of Music, based on Maria von Trapp's autobiography, 'The Story of the Trapp Family Singers' was performed by Corry's own talented student actors and actresses. The community, which often looks forward to the school's yearly spring productions, was not disappointed and it was a full house for each performance. Bravo to all involved!!

#### Weterans Program

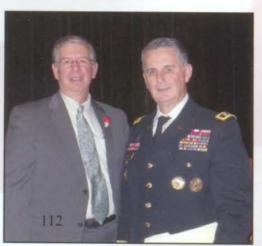

On November 9, 2011, the History Club hosted the "Speaker Series: A Tribute to Veterans" program. Veterans were invited to attend a free breakfast and the program that included performances by the Honors Choir, Miranda Cummings, and Josh Nordland, Seniors and juniors were also able to participate in this event. Major General Michael E. Dunlavey was the guest speaker for the program.

#### Middle School Homecoming Dance

On Friday, September 30th, the Middle School Student Council held a dance to get more people pumped for

the Homecoming Game against
Slippery Rock. As for the dance, the
middle schoolers appeared to have a
blast, which brought up their spirit to
come help support our team.

#### TALENT SHOW

On December 22nd the Christmas talent show was held in the auditorium. A New Beginning was the opening show. The acts that followed included singing, dancing, a guitar solo, a piano duet, and slideshows of humor. In between the acts, Mrs. Dow handed out ASL awards to Chandra Sventek and Alivia Kusiak. To wrap up the show, all the talents went up on stage and sung Feliz Navidad along with Mr. Potocki.

### WINTER

On Saturday December 3rd, student council held it's annual Christmas Dance. Snow King court included Freshman: Taylor Bloom, and Caleb Zimmerman.

Sophomores:Ryan Morris, and Michael Ziemba. Juniors: Kody Barlow, and Matt Cragg. Seniors; Cody Bailey, John Cragg, Andy Hajec, Dustin Mosher, Nathan Smith and Devin Taydus. In a royal ceremony, Andy Hajec recieved the crown.

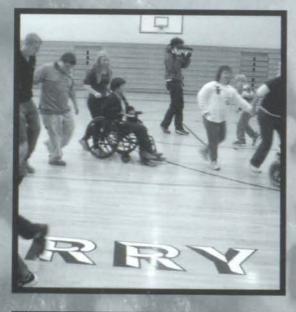

#### LIFE SKILLS

#### CHRISTMAS PARTY

Before Christmas break, with the help of National Honors Society, a party was held in the gymnasium for the Life Skills students of our school and neighboring elementary schools. There were arts and crafts, scooter races, a brunch, and a dance. The students also played beanbag toss and festive games like pin the nose on Rudolph. The party was a good chance to reunite old friends and bring together the students from other schools.

### ARTS

"Art is what gets us beyond what is real. It makes reality more real. It also shortens the distance we gotta travel to see how connected we are."

- Laura Pritchett

### YOUR THOUGHTS

### What instrument do you play, and why?

Samantha Adams
"I play flute, piccolo and
I'm learning trumpet. I
love music, and it's a good
way for me to relax."

Matthew Jones
"I play piano, trombone, clarinet, trumpet, tenor and Alto Sax. I love music because it's fun, yet educational. It's also a good way to relax."

"I play the trumpet because I have played it since 4th grade, and it is fun."

### Could singing be a career choice in your future?

"Yeah, because I guess I've been singing my whole life and its always been a part of me."

Nathan Smith
"Yes, because I'm a
talented singer."

"Yes, because music has been in my life since I was little."

### ON THE ARTS

### What type of art do you like, and why?

Dyan Savko
"Weird stuff like abstract
because it's different and I
like things that you don't
normally see and make you
think."

Laurel Hochander
"Sculptures because they
are cool and there is more
to them than just a flat
painting."

Caleb Colvin

"Art that shows humor, like parodies of famous artworks, because it makes me laugh."

If you could meet any artist, living or dead, and ask them a question, who would the artist be and what would be your question?

Danielle Williams Giacometti "Why did you make all your sculptures so sad looking?"

Andrew Carpenter da Vinci or Warhol "What is your favorite color?"

Shelby Saylor
Picasso
"What is your I.Q.?"
