### Annual Auxiliary Meeting Held, New Board Members Installed

The Auxiliary at St. Paul's gathered in the Anderson Fellowship Hall at The Heritage on Saturday, May 14 for its Annual Spring Meeting. The Auxiliary has fulfilled its financial obligation for their current gift—the shade sail project in The Villas Courtyard—and voted to contribute no more than \$10,000 toward building a shaded patio area in front of The Heritage (see tentative plan below). Residents in all areas of campus thoroughly enjoy our dedicated outdoor spaces during the warm weather months and this will give them one more option to utilize.

New board members, Donna Roberts, Linda Iliff and Gregg Buchanan were welcomed and installed with the new slate of officers.

**The 2022-23 Auxiliary Board:**  
*Seated* Nadine Buchanan (president) and Gregg Buchanan (vice president); *standing left to right* Donna Roberts (member-at-large), Jennie Kather (member-at-large), Wendy Vaughn (staff liaison), Nancy Hauser (member-at-large), Diana Miller (member-at-large), Carol Langiotti (treasurer), Mary Ellen Bayuk (past president), and Linda Iliff (secretary). *Missing from photo:* Joan Waldschmidt (member-at-large).

## “Pieces of Love” Quilt Winner ►

Congratulations to Tracey Byerly, LPN on Gardens A – the winner of the historically significant “Pieces of Love” quilt. Tracey is pictured at right (center) with Wendy Vaughn, Director of Volunteer Services (left) and Mary Ellen Bayuk, Past President of The Auxiliary of St. Paul's.

The quilt was donated by the “Let's Make Masks” group in Mercer County and the raffle raised \$293 to support The Auxiliary of St. Paul's.

Tracey's winning ticket was drawn on Friday, March 11, two years to the day after the World Health Organization declared COVID-19 a pandemic.

## ◄ Spring Plant Sale Success

The return of the spring plant sale fundraiser proved to be a great success—we raised nearly \$700 for The Auxiliary!

An on-line order form was introduced giving out-of-town family members a greater opportunity to send plants to their loved ones at St. Paul's. Stay tuned for future plant fundraisers and opportunities to purchase more seasonal plants!

## Creative Colony Residents Put Passions to Work ►

Using mostly donated supplies, Colony residents involved in the Sew n Sews and Tapestry Groups are working in inventive ways to raise money for The Auxiliary. Dish towels, place mats, table runners, sock monkeys and more have been lovingly created and sold to turn a large profit through the gift shop. Bake sales, soup sales and cookie tray sales have also added to the bottom line as talents around campus are put to good use in support of the Auxiliary's mission.

▼ While the Keifer Building is undergoing renovations, the woodworkers in The Colony are collecting the scrap wood being removed and making lovely outdoor planters to sell. Several sets of planters have been sold this season!

## Virtual Ask an Expert Episodes Now On Our Website

St. Paul's "Ask an Expert" series has been a free educational program hosted at The Keifer Building featuring knowledgeable presenters from our community discussing meaningful topics of interest for older adults and families.

During the pandemic, when large in-person gatherings were discouraged, we developed a virtual format in order to continue to bring our experts and this important information to you.

We've been interviewing experts from our campus and beyond and we hope you tune in and enjoy!
