## Seated Volleyball Tournament Sure to Become a New St. Paul's Tradition

The reigning champs—**The Green Hornets**—celebrate their win. Representing The Villas, from left are: Marvin Hoffman, Nancy Daugherty, Heidi Emerick, Mimi Dreher, Doris Merritt and Richard Bouvia.

It's an "exercise" that's been *all the rage all over campus* recently. Our infamous Fitness Specialist, Ron Ashbaugh has been conditioning residents in every level of care, at every residence across campus for this very event! It was a big undertaking, but our residents enjoy the game so much (and the competition is *so fierce!*) that Ron couldn't help but make an event out of it.

On Friday, March 17, we held the first-ever "Bop O' The Mornin' to Ya!" seated volleyball tournament in the Anderson Fellowship Hall at The Heritage. Armed with color-coded bandanas and pool noodles, six teams (comprised of team members and residents) took to the courts and battled it out in five rounds of ten minute "balloon-bopping" games. The room was packed with spectators, line judges and referees, score keepers, time keepers and videographers. Enormous amounts of fun were had by all!

You can see more photos on our website at: [www.stpauls1867.org/about/photo-gallery/balloon-bop-volleyball-tournament](http://www.stpauls1867.org/about/photo-gallery/balloon-bop-volleyball-tournament). But the still photos don't do the action justice, so if you haven't had a chance, check out the "highlight reel" and championship game video on our YouTube channel (type: [youtu.be/tvoGcq8-0-k](https://youtu.be/tvoGcq8-0-k) into your browser) or visit our Facebook page ([www.facebook.com/StPaulsSeniorLivingCommunity/](https://www.facebook.com/StPaulsSeniorLivingCommunity/)) to check it out!

Thanks to all who participated and helped execute this monumentally entertaining and super FUN day!

# 2023 Women's Retreat

On Tuesday, March 7 Pastor Julia Fraser hosted the annual Women's Retreat in a hybrid form, employing a broadcast from The Villas and group gatherings in each residence.

The theme this year was "Love Languages in a Life of Faith." The groups looked at words spoken, time shared, gifts given, service rendered, and touch extended, and how people of faith use these to show care in our relationships. The morning program included devotions, special music, a teaching presentation by Pastor Julia, and a "goody bag" for each participant full of favors to enjoy.

**Above: Pastor Julia at the podium in The Headland Friendship Commons. She often refers to this event as one of her favorites throughout the year.**

**Above: Audrey Shannon and Delores Montgomery, both residents at The Villas hold hands at their table employing one of the Love Languages that Pastor Julia spoke about – touch extended.**

**Above: A large group of women at The Ridgewood gathered in Harmony Hall to watch Pastor Julia's broadcast on Channel 1851.**

**Above from left: Dorothy Dalessandro, Terri Webber and Nancy Marts, all residents on Jones Serenity Circle & Lane joined in at The Villas to enjoy the event.**

**Above from left: Emma Findley, Verna Taylor and Helen Harrison – three of the women at The Heritage who joined in the event – donned the hand-made, heart-shaped necklaces found in their goody bags.**

**Above from left: Lynne Lightner, Martha Piper and Jane Hogan, and at right: LaWanda Johnston and Becky Beck – all residents at The Colony – followed along with the broadcast in The Wallace Commons at The Keifer Building.**

# St. Pat's Hats!

March 14 was Pi Day! The Bluebirds Eden Family at The Heritage all got a mini pie in honor of the day. They traded six different flavors amongst themselves—and they loved it! Above: Norma Lauffler chose peach pie. Yummy!

Something about the St. Patrick's Day holiday makes folks break out the hats—in all shapes and sizes! Above left: Shirley Garrett and Tami Shoaff show their St. Patty's day smiles at The Ridgewood and at right: Nita and Marc Duell pose for a festive photo in their gorgeous green outfits they dressed in for St. Patrick's Day BINGO at The Colony.

## Hippety Hoppity... Easter's on its way!

A fun Easter surprise showed up at The Villas on Monday, March 27. Lexi Doeberienner, LPN at The Villas visited with her daughters and their pet bunnies. Who wouldn't love to cuddle with a super soft and sweet little bunny rabbit?! Thank you to Lexi and the girls for bringing some springtime joy to our residents. Look at all these smiles!

## Policy on gifts and gratuities

While residents, clients and family members often wish to show their appreciation for the care and services rendered by St. Paul's staff, St. Paul's must ensure that residents, clients and family members do not feel obligated to give St. Paul's or its staff gifts or gratuities in order to assure a resident or client receives quality care. In order to comply with this policy St. Paul's has set forth the following guidelines:

1. Employees may not ask or suggest that a resident or client, or any person acting on behalf of a resident or client should offer or give gifts or gratuities to St. Paul's staff.
2. Employees may not accept cash or currency of any kind, including but not limited to tips from any source or individual. Employee bonuses and/or gifts provided by St. Paul's do not constitute gifts or gratuities.
3. Employees may only accept non-cash gifts that do not exceed \$10.00, and/or are shared by the whole staff. In order to be considered a non-cash gift, the gift cannot be converted to currency.

## Opportunities for Gifts of Appreciation to Staff

Many residents, clients and families often ask how they can give back and say "Thank You" to the staff who have provided excellent care to their loved ones while living at St. Paul's. These three funds give you the opportunity to do so:

1. A donation may be made to the Staff Appreciation Fund. This fund enables St. Paul's to recognize all staff. (i.e., to provide staff apparel, staff appreciation picnics, or gift cards for various occasions.)
2. A donation can be made to the Staff Education Fund. You can define the education opportunity or leave it to the administrator's discretion.
3. A donation of appreciation can be made to the Annual Staff Christmas Celebration. This donation can be given to the administrator or director and identified for the Staff Christmas Celebration and will be used to offset the cost and for staff gifts the night of the party.

If you would like to make a donation to staff for anything outside of these three funds, please see your administrator or director to talk about specifics.

***Employees may not accept individual gifts, cash or currency of any kind from a resident or family member. We appreciate your support of these guidelines in order for us to remain compliant with regulations and our corporate compliance policies.***

## Message from Pastor Julia

Across the Lenten season, we looked during weekly Bible Studies and Sunday sermons at some of the places that were significant across Jesus' earthly ministry—and what we can learn from them about a life of faith more broadly. We looked at a mountain in the Judean desert which was a site for Jesus of both retreat and temptation. We looked at the region of Galilee with its many small towns and villages where Jesus made his home, generally felt welcome, and worked lots of miracles. We looked at the Sea of Galilee and the way in which Jesus' proximity to water made his ministry simultaneously connective and profound. We looked at Samaria, an outlier area that many looked down upon, and how Jesus traveled through it oblivious to its reputation, ready to make friends and share the good news. And, finally, we looked at the city of Jerusalem which was a holy destination for Jesus life-long and also, ultimately, the place where he gave up his life for the world.

In all these diverse locales, we see God leading his Son to and through them; protecting and using Jesus well while in them; and extending a promise to work for good in the lives of all people everywhere. This Lenten study about the places that were significant to Jesus reminds me of his continued care for the places that matter to you and me and his desire to be a blessed presence in each one.

# Gardens B-esties!

Our Gardens-B-estie for the month of March is Grace Howard. She can be found working on the Gardens B and sometimes A for several 12 hour shifts per week. Grace has been a team member since May of 2019. When asking her coworkers about Grace, they were eager to respond that she is kind, calm, down to earth and gets along with everyone. She is always friendly to staff and residents

anytime she is on the neighborhood. Her demeanor reflects well on what she values in her coworkers which is teamwork and understanding. She avoids conflict whenever possible. She finds this kind of atmosphere especially rewarding when working with Koreena Barker, her usual nurse on the Gardens.

Grace was born on August 20, 1996 in Cleveland, Ohio, but moved to Andover when she was seven. She is one of five siblings with her and her twin brother Luke falling in the middle. Her immediate family now consists of her fiancé Steve and her pride and joy—daughter Madeline born August of 2022. Her love for her daughter is readily apparent and Grace has been described as an excellent mother. They currently do not have any pets, but Grace has her eye on a cat someday to replace Steve.

When she is not at work, Grace enjoys watching TV. She is into any movie with Adam Sandler and Ginny and Georgia. Given a chance to meet someone famous Mr. Sandler is always on her mind. If she can have anything she wants to eat it comes down to Johnsonville Stadium Brats or grilled chicken thighs. If she could eat these things on her dream vacation, it would be a beach somewhere warm with pretty scenery!

Grace is a valuable employee and friend to the Gardens neighborhood. She brings a calming and positive energy to the staff and residents. Thank you for your commitment to our residents—we salute you as a Gardens B-estie!

Our Gardens Resident-B-Estie for the month of March is a resident on the Gardens B, Gerald Campbell a.k.a. "Rip!" Rip can be found most days searching for his room on the Gardens B. He is well known for carrying a red "hankie" and his trusty cell phone. Rip was born to Ralph and Dorothy in Greenville Pa., on September 18, 1931. He was married to Dorothy and they

had three children, Denny, Lori, and Linnea.

Rip worked as a roofer but also was quite an entrepreneur throughout his life, owning Campbell Peterson where they sell tractors, mowers, and other outdoor power equipment in Greenville.

He has many interests and hobbies that gave him a real zest for life! Rip loves dogs and owned Cocker Spaniels and German Shepherds. He loved to hunt and would travel to his camp in the mountains and spend two weeks there every fall. Rip has a sincere interest in classic cars and loved to restore and show them at local car shows. He enjoys music, especially country western. Rip and his wife would also enjoy six months in Florida every year after they retired.

Rip has been described by his neighborhood mates as a very sweet man. He likes to give hugs and is very good about comforting and helping his fellow residents. Rip is very outgoing and will participate in about anything he is asked about. He enjoys music programs, music therapy, exercise, church, and is very popular with the ladies at bingo!

Rip, we want you to know how happy we are to have you as a member of the Gardens B family. Thank you for being a Gardens-B-Estie!

The "Gardens B-estie" board can be found in the Gardens B neighborhood at The Villas.

If you're in or near the neighborhood, stop by and leave an encouraging and positive message for the current "B-esties!"

(Submitted by a resident's family member)

Missy was graciously praised by a family member for her attention to the residents. She knows their routines, likes and dislikes and always makes sure their preferences are followed. The family feels their father is in great hands living here at St. Paul's. Thank you, Missy for being a member of our team and providing great care for our residents.

Catherine: Thank you for providing extra emotional support to a family while they were losing their loved one. When I called to check on them, they stated that your words were what they needed to hear and made a big impact on them. Thank you for being so invested in our residents and their loved ones.

- Bernard Meltzer

As spring begins, we are so grateful and are reminded that it symbolizes life in all its glory. Our days start getting longer, flowers begin to bloom, and warmer weather allows us to spend more time enjoying the outdoors. It is the season of renewal, joy and love.

Regardless of the season at St. Paul's, we enjoy creating a beautiful life for our residents, full of joy, love, and peace of mind, and we hope you will consider joining us this year. It is our mission and in our hearts to provide meaning, richness of life, health care, and other support services, while maintaining and enhancing the dignity of human life, regardless of a resident's financial situation.

Thanks to the support of the **St. Paul's Good Samaritan Fund** residents who exhaust their financial resources can continue to live at St. Paul's and receive the love, care and support they need, for as long as they need it.

This past year, St. Paul's has provided more than **\$5.2 million in unfunded and benevolent care**. This includes 59% of the residents in skilled nursing care and 10% of those living in personal care. With the rising costs of inflation this number continues to increase, and we can use your help now more than ever.

Will you exercise your heart by lifting up the residents in need at St. Paul's? **You can help provide joy, security and peace of mind by making a gift TODAY to support St. Paul's Good Samaritan Fund.** Thank you in advance for your support!
