## There's Just Something About The Heritage

*Traveling Trophy Doesn't Go Far As the Reigning Champs (Heritage 1-3) Hold On To It For Another Year*

No matter what, the traveling cornhole tournament trophy was going to stay in the same building, as two teams from that residence made it to the championship round on Wednesday, July 20. But on which floor would it land?

It wasn't a runaway, the scores were close but The Heritage 1-3 Team prevailed again this year and get to keep the trophy!

We're all wondering what their secret is. Is it good coaching? A strong cheering section? Determination? Concentration? Or just plain skill? The pictures here say it could be a combination of all those things.

Whatever it is that keeps them winning, the rest of the campus wants in on it! Congratulations to The Heritage 1-3 for another win!

See you next summer – could they make it three in a row?!

## Message from Pastor Julia

Psalm 113:3 says, "From the rising of the sun to its setting the name of the LORD is to be praised!" It's a great verse to contemplate and obey all across a given year, but, especially, it seems to me, in the summer when there is so much light, so much sunshine, so much brightness in which to do so.

A quick study of this verse reveals much for contemplation. Some translations of Psalm 113:3 understand the opening word "From" to be about timing: the New Life Version is one of these and reads, "The name of the Lord is to be praised from the time the sun rises to when it sets." Other translations understand "From" to be about location, like the New Living Translation reading, "Everywhere—from east to west—praise the name of the Lord." Taken together, they suggest to God's people that we continuously and broadly praise his name. Some translations of this verse understand God's worthiness as the reason behind our praise: the New English Translation is one of these, reading, "The Lord's name is deserving of praise." Other translations, like the Message, understand the reason as being more about us, reading, "Just to remember GOD is a blessing— now and tomorrow and always." Taken together, they suggest God's people should praise him and find fulfillment in life by doing so. In this season of light, sunshine, and brightness, let us contemplate this beautiful verse and obey it throughout each day.

### Eleanor "Ellie" Harkins

Eleanor Harkins, also known as Ellie, was born and raised in Pittsburgh by her parents John and Eleanor Bauer. Growing up, Ellie had three siblings; Andrew, Leonard, and Frank. She attended and graduated from Millvale High School in Pittsburgh. After high school

Ellie worked at Pony Express, Chincoteague Chamber of Commerce. She married the love of her life Charles (Bud) Harkins in October of 1958. They had two children, Charles and Olona Ann.

Some fun facts about Ellie: she actually owned her own Harley, and her granddaughter was a crew chief in the Air Force and took 130 trips to Afghanistan. Ellie also used to tell Civil War Ghost Stories for the Historical Society in Mercer.

With Ellie being born and raised in Pittsburgh, the Steelers are by far her favorite sports team to watch and root on. During football season, come watch the Sunday games with her and wave that "Terrible Towel!" Along with watching the Steelers, in Ellie's spare time she also likes to be on her computer.

Before moving to The Ridgewood, Ellie was an avid traveler—she took more than 135 trips with Anderson Coach and Travel! She and Bud went to many other places on their own such as Alaska and the Redwoods. Some of those trips are her favorite memories due to spending it with her other half, Bud.

If you are ever having a sweet to eat, whether it be candy, dessert, ice cream, make sure to share with Ellie, it's her favorite!

# Golden Willows

Jessica Luckock is an outstanding nurses aid for us on the Willows A. She is professional, thorough and efficient, but even with all of that she shows the extra care and compassion to her residents and coworkers that truly make her a special talent.

The longer you work here the more you realize that outstanding caregivers are born, not made. Skills can be developed, but it takes a certain natural instinct and

gift to truly be outstanding in this environment. Jessica has this gift and possesses the skill set to match. Thank you, Jess, for being a Golden Willow and sharing yourself with us. We are truly thankful for the impact you make every single day.

The Golden Willow resident for this month is Ms. Grace Greenfield! Grace has been a wonderful addition to the Willows A and has lived here with us for nearly two years. She moved here from the High Rise right down the road. Grace was born in Greenville to Theodore and Grace Elizabeth Greenfield on August 1, 1942. She

loved it here so much that she spent her entire life here in town. During her lifetime, Grace has been a very valued caregiver of people. She cared for people in their homes making meals, helping with housekeeping and giving baths. She found it very rewarding to help people as part of her strong Christian values and sincere desire to help.

Most of the things Grace enjoys are related to her Christian faith. She enjoys Christian Spiritual Music, Bible Study, and reading Christian fiction stories. Her favorite movie was "On Golden Pond" starring Henry Fonda and if she does turn on the television she is watching any type of western that may be on.

Grace enjoys living at St. Paul's very much. She feels secure here, enjoys having people around her and supporting her if she needs help. She is especially thankful to Jessica Luckock. Jessica listens to her, helps improve her mood when she is down, and does all the special things for her that make her feel special.

Grace has been described as kind-hearted and always happy—a person who sincerely cares about others. She is a wonderful lady and we are lucky to have her on the Willows A. Thank you, Grace for being a Golden Willow! We are so glad to have you as part of our family!

## Sherrie Rader is this month's Heritage "Hotshot"

*"My name is Sherrie. I moved to Greenville in 2017. I am married. I have five fur children: three dogs—Dakota (14) Letty (4) and Junior (4) and two cats—Diamond and Flint. (both 6 years old). I have worked at St. Paul's for 6 years."*

### Co-worker Comments:

Sherrie has a caring heart and is patient with her residents with dementia. She understands the need to re-approach. She knows which residents enjoy her sassiness that brings smiles and laughter.

Sherrie is described as: Funny! Caring! Loves her residents!

Q: What is something you are proud of?

A: Myself. My marriage. My family. My fur babies.

Q: What is the silliest thing you are passionate about?

A: How I like to collect random rocks.

Q: What do you wish someone would have taught you earlier in life?

A: That somewhere deep inside, we all can fly. But if you want a serious answer, that the world isn't always rainbows and butterflies.

Q: If you could see one moment in the future, what would it be?

A: Whether I become a resident at St. Paul's! Once again if you want a serious answer, what my life looks like in five years.

Q: If you had to change your name, what would it be?

A: Erica. :-)

Thank you so much to everyone who has made a donation to the St. Paul's Good Samaritan Fund this year. A total of **\$113,853** has been raised so far! The Good Samaritan Fund is so important as it ensures a resident never has to leave St. Paul's or adjust the level of care they receive because they have exhausted their financial resources. The Good Samaritan Fund is supported through donations to the annual Good Samaritan Appeal, PA OH Gives Giving Week, and St. Paul's Sporting Clay Shoot.

Your support is greatly needed and appreciated as last year, St. Paul's provided more than \$5.2 million in unfunded and benevolent care to residents in need. This is 59% of the residents in skilled nursing and 10% in personal care at St. Paul's. With the rising cost of inflation, this number continues to increase.

The Good Samaritan Appeal is an annual mailing sent out in the spring. A total of 236 individuals made a gift in response to the appeal this year raising **\$72,772**. The highest amount raised to date!

The 4th annual PA OH Gives Giving Week event was hosted through the Community Foundation of Western PA and Eastern OH, June 17-23. During Giving Week, St. Paul's received \$41,081 for the Good Samaritan Fund. All donations made to PA OH Gives were matched on a prorated basis by the Community Foundation, based on the total dollars raised by all organizations participating.

### PA OH Gives "Giving Week" Results:

**\$34,445 = Donor Contributions**  
**\$5,402 = FREE Matching Funds**  
**\$734 = FREE Power-Up Bonus**  
**\$500 = FREE Challenge Funds**

---

**\$41,081 = Total Amount for St. Paul's**

*Judy Radkowski Director of Community & Donor Engagement at The Community Foundation presented the check from Giving Week to St. Paul's Charitable Giving Office directors Dawn Hartman & Teresa Findley.*

Bill and Bertha Zimmerman, Colony residents at St. Paul's, have taken advantage of the free matching funds by supporting PA OH Gives since its inception in 2020.

"The peace of mind that St. Paul's provides to their residents encourages us to enjoy our senior years without fretting about exhausting our finances for the long term," said Bertha. "That's why we support PA OH Gives Giving Week. My husband Bill and I feel our gift is paying it forward to demonstrate our gratitude and peace of mind for our own future and for the future of others as well."

If you are interested in making a gift to the Good Samaritan Fund, it's not too late! You can make a gift to this fund all year long. You can either send a check to the Charitable Giving Office at 341 E. Jamestown Rd. Greenville, PA 16125 or donate online at [www.stpauls1867.org](http://www.stpauls1867.org). Or if you are interested, you could support our Sporting Clay Shoot fundraiser, which will be held Saturday, September 16. Check out the flyer for more details to either participate or sponsor this fun-filled event.

After high school, he attended the University of Chicago and was the star halfback, safety, punter, and field goal kicker at University of Chicago. He was known as the "one man football team." During a game against the Michigan Wolverines in 1934, he left his mark on Michigan center Gerald Ford in the form of a distinctive scar on the future U.S. President's left cheek. He also competed in track and field for Chicago, setting a school decathlon record in 1936 that stood until 2007.

In 1935, Berwanger became the first winner of the Downtown Athletic Club Trophy. The following year the award was renamed the Heisman Trophy. In 1936, Berwanger became the first player to be drafted by the NFL in its inaugural draft.
