

## Bringing Piggy Joy to St. Paul's

Perry and Willow, two certified therapy pigs from Tree Family Party Piggies visited St. Paul's on Wednesday, June 21 to spread joy to the residents and staff. Perry and Willow are American mini pigs and live in their owner's home in Cochranton, Pa.

Perry and Willow performed two one-hour shows at The Villas Headland Friendship Commons and The Anderson Pavilion to accommodate all residents on campus.

Fun was had by all! The entertainment included a trick show (with snout painting!) and every resident who attended had the opportunity to pet, feed and even KISS the pigs. The party piggies brought a unique and delightful experience to our residents and team members.

## WOW Care Partner, John Englert "Makes Dark Days Brighter"

John Englert (left) and Hud Artman

**If you or someone you know "has what it takes," apply to be a WOW Care Partner today!**

John Englert is a Care Partner with St. Paul's Without Walls and is currently assisting clients Hud and Darlene Artman, residents at The Colony. His service is two-fold in that he's giving Darlene some time off from being Hud's full-time caregiver while also being a companion for Hud. A conversation with the two men revealed what we find time and time again when we explore relationships with clients and caregivers – the rewards are numerous!

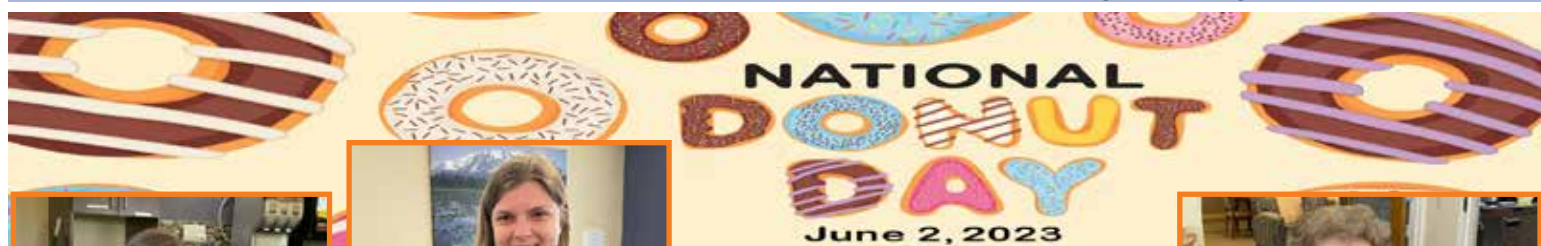

John's reason for becoming a Care Partner for Without Walls is also two-fold, "I took this job to fulfill personal needs on both sides – mine and our clients'," he said. Hud appreciates that, saying, "Being a caregiver isn't for everyone, a lot of people might not be cut out for it—but John has what it takes!"

"When a person loses most of their physical capabilities, it's very humbling," Hud said. "And when someone like John is here to help out, it makes some of my very dark days much brighter."

"In a sense, John has turned from a caregiver into a good friend," said Hud.

## Policy on gifts and gratuities

While residents, clients and family members often wish to show their appreciation for the care and services rendered by St. Paul's staff, St. Paul's must ensure that residents, clients and family members do not feel obligated to give St. Paul's or its staff gifts or gratuities in order to assure a resident or client receives quality care. In order to comply with this policy St. Paul's has set forth the following guidelines:

1. Employees may not ask or suggest that a resident or client, or any person acting on behalf of a resident or client should offer or give gifts or gratuities to St. Paul's staff.
2. Employees may not accept cash or currency of any kind, including but not limited to tips from any source or individual. Employee bonuses and/or gifts provided by St. Paul's do not constitute gifts or gratuities.
3. Employees may only accept non-cash gifts that do not exceed \$10.00, and/or are shared by the whole staff. In order to be considered a non-cash gift, the gift cannot be converted to currency.

## Opportunities for Gifts of Appreciation to Staff

Many residents, clients and families often ask how they can give back and say "Thank You" to the staff who have provided excellent care to their loved ones while living at St. Paul's. These three funds give you the opportunity to do so:

1. A donation may be made to the Staff Appreciation Fund. This fund enables St. Paul's to recognize all staff. (i.e., to provide staff apparel, staff appreciation picnics, or gift cards for various occasions.)
2. A donation can be made to the Staff Education Fund. You can define the education opportunity or leave it to the administrator's discretion.
3. A donation of appreciation can be made to the Annual Staff Christmas Celebration. This donation can be given to the administrator or director and identified for the Staff Christmas Celebration and will be used to offset the cost and for staff gifts the night of the party.

If you would like to make a donation to staff for anything outside of these three funds, please see your administrator or director to talk about specifics.

***Employees may not accept individual gifts, cash or currency of any kind from a resident or family member. We appreciate your support of these guidelines in order for us to remain compliant with regulations and our corporate compliance policies.***

## Message from Pastor Julia

Celia Thaxter was a 19th century New England poetess and the author of a lovely poem ending with these words: "There is eternal summer in the grateful heart." I think this line is beautiful in the way that it describes the effect of gratitude in life in general. And it also perfectly captures my sentiments about the summer season come July. It's at this juncture--when I am so thoroughly enjoying long days, warm weather, colorful gardens, al fresco dining, outdoor recreation, and long-awaited vacations--that I hope summer will last forever. I know it won't, but, in July, I try to block out that reality and focus intently on the goodness that is before me so to enjoy it to the hilt.

Thaxter, in her poem, wants us to reflect with gratitude on the joys of summer once it's over and autumn has arrived, suggesting that such remembering is as pleasant as the seasonal experience itself. I'm not sure that I would go that far! But I do want to be really mindful of the goodness of summer in the here and now of it, savoring and being thankful for each moment of sun, warmth, color, nature, leisure, and travel as I joyfully meet and experience them. The last couple of summers--well, they haven't been all that happy or healthy. The summer of 2023 has a decidedly more positive feel to it, and I want to appreciate its splendor in real time even before it comes to live as memory in my head.

## ~ Resident of the Month~ Margaret "Peg" Revell

Margaret Revell, also known as Peg, was born and raised in Greenville, Pa., by her parents Norene and Ray McAndrew. Growing up, Peg had two siblings, brothers Bill and Bob. Peg attended and graduated St. Michael's School. After high school Peg furthered her education at

Slippery Rock University. Following her graduation from college, Peg worked as a teacher and also as the Purchasing Director at Greenville Hospital.

In 1973, Peg married Al Revell. They had one child, Rebecca (Becky) Revell-Doan. When asked what her favorite sport and sports team is, it's Pittsburgh Steelers Football all the way! Peg also enjoys reading and playing card games with her life long friends and also her friends at The Ridgewood. Her favorite food is either steak or ham loaf.

Before Peg moved to The Ridgewood, she enjoyed volunteering at Senior Centers and she was also a member of the Mercer County Women's Association. Peg also was a big traveler—she has traveled to almost all 50 states (only exceptions are North Dakota and Minnesota). Peg also had the opportunity to live on the military base in Okinawa, Japan. She also traveled around Europe and Asia.

Some of Peg's best memories are those spent with the ones she loves most. Peg is thankful for her life long friends always being by her side and also the best brothers she could have asked for. Overall, Peg is grateful for the life she has been given!

# Gardens

# B-esties!

Our Gardens Resident B-Estie for the month is one of our residents with the most life experience, Mrs. Helen Fedorczyk. Helen was born on September 25, 1922 making her a very impressive 100 years young. Helen was born in Smock, Pa. When she was around two years old, her family moved from Smock to Hermitage and bought a 65 acre farm. Helen was raised on the farm with many animals including pigs, cows, horses, ducks, and turkeys. She was raised in a family of seven brothers and sisters all

of whom are now deceased. Helen met her husband, Mitra and was married in 1944. With her experience growing up with such a large family, Helen and her husband chose to raise five children of their own. She is the proud mother of Larry, Donald, Richard, David and Diane. From these children Helen has 13 grandchildren and 21 great grandchildren.

While her greatest accomplishment and the focus of most of her life was raising her family, Helen also worked as a stenographer. She worked with veterans in the Manpower Commission, at the courthouse with Voter Registration, and at the employment office. While her children were growing up, all the boys participated in athletics including football, basketball, and baseball. Her daughter Diane was a cheerleader so the family was always busy attending one game or another.

When asked about her personal interests, Helen said she has spent time sewing and was always willing to make the kids pajamas and put new zippers in coats and pants. She also did a lot of embroidery. Cooking was another activity Helen embraced. She loves homemade chicken soup, pizza, and stuffed cabbage! Her Christmas Eve meal was a special time and always started with wafers and honey from church followed by mushroom soup, sauerkraut and perogies. Helen was an avid church goer and always enjoyed socializing with people. In her free time, Helen was a bargain shopper and was always up for a yard sale and as a stress reliever, she attended bingo! She enjoyed keeping up with local news and liked to watch game shows. Her music taste leans toward Country Western and Gene Autrey came to mind as one of her favorite artists. She was not a huge sports fan, but followed the Cleveland Indians as she got older.

Helen, your presence on the Gardens neighborhood truly makes it a more enjoyable place. We want you to know how happy we are to have you as a member of the Gardens B family. Thank you for being a Gardens-B-Estie!!

Our Gardens Team Member B-estie for the month is Koreena Barker. Koreena is one of our rocks anchoring the B side of the garden's neighborhood as a dayshift LPN. She has worked at St. Paul's for nearly seven years and in that time has developed from a tentative new student nurse who did her clinicals here and fell in love with the facility,

to an absolute leader and tone-setter when she is at work. Koreena loves working here because of our high standards and quality of care that she has seen and provides to her residents. She has immersed herself in our culture and met many of her friends working here.

Koreena was born and raised in the New Castle area. She was born on March 4, 1994. She has an older brother and sister who have families of their own and she is the proud aunt of three nieces, three nephews and a great niece. She has a miniature Dachshund named Kami, but will never forget her first canine love, Piper who she lost not too long ago. She is engaged to her fiancé Ryan and will be getting married September 14, 2024.

Koreena loves listening to music. She enjoys many different types of tunes including R & B, Rap, Hip-Hop, Country, Rock, and has a particular love for 90's and early 2000's alternative. If she could meet any famous person she would like to bump elbows with Justin Timberlake, her childhood crush, and meet up with Cher, the ultimate DIVA! When she is watching TV it is any show she is currently into on Netflix, HGTV, or finding out what the next successful business will be in Shark Tank. She has a soft spot for Dirty Dancing or Pretty Woman when an old movie is in the cards. When she is having her favorite meal, it's probably pasta, as Italian is her favorite of all time.

Koreena is known for her hard work and focus when she is working. She puts similar effort into her time off the clock and is always busy. She enjoys traveling to Pittsburgh on the weekends and loves trying new restaurants. Dave and Busters is her favorite place on earth and the casino is always a go to place for a good time. When she is not in town, she loves a beach vacation. She has traveled to Florida multiple times, Cancun, Atlantic City and Las Vegas.

Koreena, you are a true blessing to us at St. Paul's and to the Gardens B in particular. We are lucky to have watched you grow in your position and to have seen you develop into the person and employee that you are. Your standards are high for your coworkers, but you are willing to help them when they need it in order to maintain that standard. Thank you for being a Gardens B-estie, we are so lucky to have you!

# Tired of the *ups and downs* of the stock market?

Invest in a charitable gift annuity  
at St. Paul's.

A charitable gift annuity is an irrevocable agreement in which you make an investment of cash or appreciated securities of at least \$10,000 to start the annuity. In exchange, you will receive annual, fixed payments for life from the annuity. The amount remaining after your lifetime becomes a charitable gift to St. Paul's.

## How Do You Benefit?

- You'll receive an **INCOME STREAM FOR LIFE** from the annuity. Your payout rate will never change, and your annuity payment is guaranteed.
- You'll realize tax savings with an immediate charitable **INCOME TAX DEDUCTION** the year you start your annuity.
- You can **SAVE ON CAPITAL GAINS TAX** if you have stocks that have increased a lot in value since you purchased them and you use those to fund the annuity.
- You could **SEE THE IMPACT** of your legacy gift today. You can choose to grant the charitable gift portion of your annuity up front to St. Paul's rather than waiting until after your lifetime.

Here are the current payout rates for a charitable gift annuity, based on a \$25,000 annuity.

| Age | Rate | Annual Payment |
|-----|------|----------------|
| 65  | 5.4% | \$1,350        |
| 70  | 5.9% | \$1,475        |
| 75  | 6.6% | \$1,650        |
| 80  | 7.6% | \$1,900        |
| 85  | 8.7% | \$2,175        |

You can now use a IRA charitable rollover of up to \$50,000 once in your lifetime to start a charitable gift annuity! This can be a great way to satisfy your annual required minimum distribution, or to reduce the size of your IRA to ease the income tax burden for your heirs.

## Shallow Creek Kennels Presentation & Demonstration

On June 19, St. Paul's welcomed representatives from Shallow Creek Kennels who presented information and a demonstration to residents of The Colony regarding their program. Shallow Creek is a privately owned and operated police service dog importing and training facility located in Sharpsville, Pa. Dedicated to providing law enforcement agencies with the highest quality police service dogs, they are often seen on St. Paul's campus with law enforcement officers from around the country as they learn to handle these highly trained dogs.

Generally imported for training from countries like Holland, Slovakia, Hungary and France at 12-18 months of age, the dogs are hand selected and tested personally to ensure the proper genetic makeup to become a police service dog. Upon arrival to Shallow Creek Kennel, the training spans multiple locations including buildings, fields, wooded areas and vehicles on and off site. St. Paul's is thrilled to be one of these sites.

After completing the 12-week training program, K-9 officers from around the country visit for six weeks to learn how to handle their dogs. These officers have experience within a canine unit and must apply to become certified handlers. These remarkable canines are mostly trained for narcotics and gun and explosive detection. In 2022, 407 dogs completed their program.

were spent as a K-9 officer working five dual-purpose Police Service Dogs. Upon his retirement in 2004, John returned from Florida to his home in Sharpsville and established Shallow Creek Kennels.
