

### 2nd Annual "Soup"er Bowl Challenge was as Deliciously Successful as the first!

**Congratulations to Rhonda Parish (below left), Dining Supervisor and this year's Souper Bowl Champion!**

Rhonda is pictured above accepting the Golden Ladle from last year's winner Lisa Kunselman. Lisa's entry this year tied for second place.

Rhonda's cheesy bacon potato soup collected the most points out of the eight entries in the 2nd Annual Souper Bowl Challenge on Friday, Feb. 9 in the Headland Friendship Commons at The Villas.

More than thirty residents and team members filed through the room tasting and scoring soups, stews and chilis to determine who would get the honor of displaying the Golden Ladle for 2024.

Aside from Rhonda's winning recipe, other entries included: Chocolate Soup, Guinness Stew, Loaded Potato, Pasta e Fagioli, Sweet & Sour Chili, Chicken Tortellini and Ukranian Borscht. Thanks to all who participated in this fun, yummy event!

**David Varner (left) offered up his discerning palate again this year to serve as one of our resident judges. Thank you, David!**

#### Slow Cooker Cheesy Bacon Potato Soup Ingredients

- 1 pound bacon, divided use
- 2 (2 pound) bags frozen hash brown cubes (no need to thaw first)
- 1 teaspoon onion powder
- 1 teaspoon garlic powder
- 1 teaspoon black pepper
- 48 ounce container chicken broth (6 cups)
- 2 (10 ounce) cans cream of chicken soup
- 2 cups shredded cheddar cheese, divided use
- 8 ounce block cream cheese, softened to room temperature and cut into cubes
- 1 cup heavy cream
- salt, to taste
- sliced green onions or chives, for garnish

#### Instructions

1. Cook the bacon. Drain excess grease on paper towels. Then crumble up bacon into pieces. Set aside.
2. Pour the frozen hash brown cubes into the bottom of a 5-6 quart oval slow cooker.
3. Evenly season potatoes with onion powder, garlic and pepper.
4. Pour in the chicken broth, cream of chicken soup and  $\frac{3}{4}$  of the cooked and crumbled bacon (reserve the rest of the bacon for serving).
5. Stir everything until well combined then cover and cook on low for 5-6 hours or on high for 2-3 hours, stirring occasionally.
6. After cooking, use a fork to check the potatoes for doneness. They should be fork tender.
7. To the slow cooker, add 1 cup of shredded cheese (reserve the rest for topping), cubed cream cheese, heavy cream and stir.
8. Cover slow cooker and cook on high for another 30-45 minutes or until all of the cheeses are melted. Stirring occasionally. At this point, taste for seasoning. Add additional salt, pepper and garlic powder to taste.
9. When ready, ladle into bowls and top with reserved crumbled bacon, remaining shredded cheese and sliced green onions or chives.

**Enjoy!**

**Lots of staff and team members visited the Headland Friendship Commons for the Souper Bowl Challenge – we didn't have many left overs!**

The crew on Springs A neighborhood in The Villas (from left) Sheila Wasser, Paulette Griffiths, Steph Bovard, Lexi Larimer and Natalie Reed showed some unity for Valentine's Day by wearing matching t-shirts. They were breaking hearts and breaking the law, as all shirts identified the crime that was committed to land each of them in the "Cupid Correctional Facility."

From left: Short-order cook Steph Russo; sandwich makers Carol Hinderliter, Mimi Dreher and Janet Miller; satisfied team member Doug Aiken; and patiently waiting to be served CeCe Corp and Alex Flotz.

The Life Enrichment Team at The Villas served up a delicious free breakfast for the staff on Friday, Feb. 23 from 6 - 9 a.m. in The Headland Friendship Commons. Thank you for your the great fellowship opportunity and morale booster!

I'd like to donate  
to St. Paul's but

I need the money  
in the future?

This is a common worry we often hear at St. Paul's, and it's completely understandable. None of us can predict what the future holds. But if your life has been positively impacted by St. Paul's, there's a great way you can give back while still ensuring your assets are available if you should need them.

## What is a Bequest?

A bequest is a gift from your estate that is included in your will or trust agreement. It can be for any amount you choose, whether a specific dollar amount, a percentage of your overall estate or the residual that remains after expenses and bequests to your heirs.

## How Does It Help?

As a not-for-profit, St. Paul's provides benevolent care for residents who cannot afford the full cost of their care, ensuring they never have to leave St. Paul's even if they exhaust their financial resources.

## What are the Benefits?

- Costs you nothing in your lifetime.
- You retain control of your assets and can use them if needed.
- Can be altered if you change your mind.
- Reduces the size of your taxable estate.
- May enable you to make a larger gift than you could during your lifetime.
- You'll become a member of St. Paul's Legacy Society today.

The annual cost of benevolent care provided by St. Paul's far exceeds the yearly gifts received to support it. Bequests, being typically larger gifts than what a person can contribute annually, are future support St. Paul's can rely on to fund benevolent care.

**Want more information? Please contact Dawn Hartman, Director of Strategic Giving, at 724-589-4611 or [dhartman@sp1867.org](mailto:dhartman@sp1867.org).**

## How to Make a Bequest

If you don't have a will or trust agreement yet, simply ask your attorney to include a bequest for St. Paul's when drafting it using the sample language below. If you've already completed your estate plan, your attorney can add a codicil to your present will or make an amendment to your trust agreement.

### Specific Bequest

For giving a specific amount to St. Paul's.

*I bequeath the sum of \$\_\_ (or \_\_% of my estate) to St. Paul Homes, a not-for-profit organization, Tax ID# 25-0773080, located at 339 E. Jamestown Rd in Greenville, PA, 16125.*

### Residuary Bequest

For giving what remains after bequests and expenses.

*I devise and bequeath the residue and remainder of my estate to St. Paul Homes, a not-for-profit organization, Tax ID# 25-0773080, located at 339 E. Jamestown Rd in Greenville, PA, 16125.*

### Contingent Bequest

For gifting your estate if your heir passes away before you.

*In the event that (insert name) does not survive me, I bequeath St. Paul Homes, a not-for-profit organization, Tax ID# 25-0773080, located at 339 E. Jamestown Rd in Greenville, PA, 16125 all (or \$ amount or %) of my estate.*

If you set up a bequest for St. Paul's, please us know by scanning the QR code or contacting Dawn Hartman at 724-589-4611.

If you have a story, example, photo, etc. of any—or all—of our Core Values in action please email: [corevaluescorner@sp1867.org](mailto:corevaluescorner@sp1867.org) and we will showcase it on this page.

Richard Friesen, resident at The Heritage, recently went through the process of adopting a large cat named "Binx" from our local animal shelter, Strayhaven, Inc.

Richard is an experienced cat rescuer. When he lived in California, during his years of tenure at USC and UCLA, he rescued two cats.

On Feb. 2, Binx arrived at The Heritage and Strayhaven posted this message on their Facebook page: *"Happy Adoption Day Binx!! We are so excited for you and your new dad. Happy life sweet boy. May you have a wonderful life full of treats and happy days!"*

Richard is very excited to be a cat dad again and Binx has found several comfy places in Richard's apartment to curl up and sleep. They are very good friends! Binx is certain to have a wonderful life here, indeed!

## "Good Friday"

Am I a stone, and not a sheep,  
That I can stand, O Christ, beneath Thy cross,  
To number drop by drop Thy blood's slow loss,  
And yet not weep?

Not so those women loved  
Who with exceeding grief lamented Thee;  
Not so fallen Peter weeping bitterly;  
Not so the thief was moved;

Not so the Sun and Moon  
Which hid their faces in a starless sky,  
A horror of great darkness at broad noon –  
I, only I,

Yet give not o'er.  
But seek Thy sheep, true Shepherd of the flock;  
Greater than Moses, turn and look once more  
And smite a rock.

— Christina Rossetti

# Technology Enhances Independence for Older Adults

In 2012, St. Paul's partnered with Philips LifeLine to provide technology to residents who live in The Colony and clients using Without Walls services.

Personal Emergency Response Systems (PERS) were placed in every home in The Colony and Without Walls began marketing Lifeline products to its clients.

In 2021, Connect America acquired the Aging and Caregiving business from Philips and today Connect America and LifeLine offer a comprehensive list of technology items that aid older adults in their home.

Products offered include a HomeSafe PERS, an On The Go PERS and Personal Medication Dispensers (PMD).

The HomeSafe PERS is available in a wired system that ties into your phone line. It also offers a wireless system that uses cellular service for communication. Both wired and wireless systems offer an auto alert feature with fall detection. In an emergency, the consumer presses the button on the PERS and a CareConnect Associate from the call center responds to you via voice over your communicator to identify your emergency. The associate then calls the appropriate emergency service (EMS, Fire or Police) and/or your responsible person. If your emergency involves a fall and you cannot get up on your

*— Jan Walther (above) resident in The Colony, St. Paul's independent living neighborhood.*

own nor do you press the button on the PERS, an Automatic Alert can be sent to the call center and help is dispatched. This system works throughout your home.

An On The Go device works anywhere in the 48 continental states. It also has fall detection. When you activate the PERS, the associate talks to you directly through the button. The button also has GPS and several other ways in which to identify your location if you are unable to do so.

Jan Walther has been a resident in The Colony for 34 years. She uses the On The Go device. Jan says, "I used to travel a lot and now it's more local traveling. I've had the On The Go device for many years now. It gives me peace of mind and my family peace of mind, too."

The medication dispenser, once set up with pre-filled dosage cups, serves as a reminder to take your medications. It's a great way to stay on track with your prescriptions and reduces the risk of unplanned hospital or doctor visits.

Hazel Peterson, a client of Without Walls, has used the Personal Medication Dispenser for some time. She shared, "My son fills my PMD and helps me keep on track."

All of this technology is designed to help older adults and their loved ones feel safe and secure living in their own home.

After graduating high school Sally married the love of her life, Harrison "Buster" Smith on December 26, 1953. They had three sons: Wayne, Dennis, and Gary. Sally is a proud grandmother to three grandchildren and five great-grandchildren.

The love story of how Sally and Buster met is one of her best memories in life. Sally loved roller skating and loved spending her time at the roller rink now known as "Papa Wheelies." Sally met Buster there and asked him for a skate, "the ladies choice." And the rest is history! Sally enjoyed skating so much she didn't hang up her skates until she was 70 years old!

After the two married, Buster was enlisted in the military taking them to White Sands Proving Grounds in New Mexico (now known as White Sands Missile Range). While Sally's husband was working on base, she also got a job on base, doing secretarial duties such as payroll. The two stayed in New Mexico from 1953-56. After their stay in New Mexico, they returned to Greenville and Sally worked for Salem Township as the tax collector for 35 years.

Sally and her husband loved to travel. They owned a motor home and traveled all over the U.S. during the winter months, putting on at least 10,000 miles during the season. They especially enjoyed traveling the southwest region of the states and California to visit her brother and sister-in-law.

Now that Sally is getting to spend her time with us at The Ridgewood, you can typically find her working on puzzles, playing beautifully on her piano, going to exercise class with Ron, long-stitching pictures, and playing pool noodle volleyball with the other residents.

If you know Sally, you know that if there are strawberries to be seen, she will be getting some! Strawberries of any and all forms are her favorite food.

# Willows "B" Buzz Board

The Willows B BUZZ Board Resident of the month is **Mr. Dave Varner**. Dave is a very visible fella who can be seen out and about most days heading to the fitness center, playing balloon volleyball, working in his very successful garden or performing country songs at the resident talent show. Dave is a great guy to talk to and is kind and generous to all he

encounters. He has an infectious laugh and a smile that really makes your day.

Dave was born on January 19, 1956 to Richard Brooks Varner and Dorothy Elaine Burdette and grew up in Hadley, Pa. He has enjoyed participating in sports including baseball, wrestling, track and field, and golf. He has been a gardener for many years and still loves to take advantage of the Willows courtyard to show his talents in that area. Dave is a great person to talk to and so easy to get know. Here are some things you may be interested to know!

Dave married Kathee Augustine on February 28, 1982. He has two step children, a son named Quentin Augustine and daughter Andrea Digregorio. Dave and his wife have twin boys named Adam and Allen Varner. When he is watching television, his favorite shows are Gold Rush and the Curse of Oak Island. His favorite movie is the John Wayne classic "The Quiet Man." Dave enjoys country and western music and his favorite artists are Brooks and Dunn and The Eagles. Some foods he really enjoys are liver and onions, stuffed peppers and chili. Dave has travelled to Hawaii, Alaska, Fort Sill, Oklahoma, Fort Leonard Wood, Missouri and especially loved to travel to Canada to fish. Two people he would love to meet are Tiger Woods and Dwayne "THE ROCK" Johnson! Dave also served in the Army National Guard and we thank him for his service.

A unique section of this profile is a great story Dave shared about human kindness and perseverance. Early in his career – at age 22 – Dave unfortunately lost his thumbs in an industrial accident while running a punch press. Following that accident there was a lot of adapting and a lot of side eyes from people who noticed the change. While Dave was tending bar he met Gail and Glenn Henry. Glenn's brother Lavere was in charge of human resources at Werner Ladder. Dave was given an interview and after some skepticism due to his missing thumbs, Lavere gave Dave a chance. With this chance he ended up working at Werner's for 30 years until a disability forced him out. The faith Lavere showed in Dave changed his life and they both benefited from the relationship. Sometimes giving a person a chance can be extremely beneficial to both of you. This is what Lavere did for Dave and what anyone of us can do for someone else!

Dave we are blessed to have you on Willows B. You add the personality and company that simply makes the neighborhood better. Your garden adds joy and life to the entire neighborhood. You have lived a fascinating life and we're happy to share your story. Thank you Dave for being a BUZZZZ on the Willows B! We are so glad to have you as part of our family!

The Willows B BUZZ Board employee for the month is a very familiar face and a ROCK float CNA **Mrs. Amber Favorite**. Although she is featured on the Buzz board this month, you are likely to see Amber working on most any unit and on a variety of shifts. She is both devoted and dedicated to caring for her residents and doing her best to be available to support her coworkers.

Amber was born on December 30, 1989 in a little town called Enon Valley. She lived there until she was 13 and then moved around quite a bit until she was married in 2013 and settled in Greenville with her husband and step daughter Madison. If you meet Amber you will quickly find out that she has a big heart for animals. When asked about her pets she listed "too many" to describe them. I know she has dogs, cats, horses, and chickens, but I have a feeling there are more to this list. Spending time with and caring for these pets is a big part of how she spends her free time. Add in riding ATV's and side-by-sides and Amber has a pretty full schedule.

Amber has eclectic taste in music—she enjoys rock, country, and oldies. Some of her favorite performers include Poison, Def Leopard, Five Finger Death Punch, Ryan Upchurch, Adam Calhoun, Savannah Detter and Jelly Roll. When it comes to things she enjoys eating, Amber listed pasta, pizza, and Italian food as her favorites. Some classic movies she enjoys are "Dirty Dancing" and "Wizard of Oz." When asked about a dream vacation she would love to visit Ireland and Scotland. Given the choice, she is watching Colombo, football and other shows on TV. Famous people she would love to meet are Ryan Upchurch, Adam Calhoun, and Missy Burnette! (we can probably make this a reality!)

Amber enjoys working at St. Paul's because of the family-like atmosphere and the relationships she has with her residents and coworkers. She enjoys working with people who have good attitudes, who are willing to laugh and put residents first. Amber, we are so lucky to have you at St. Paul's! You are a dedicated CNA who puts a high priority on giving our residents great care, and we can't thank you enough for all you do. We appreciate your constant efforts and sacrifice to make St. Paul's a better place for our residents and your coworkers. Thank you for being the Buzz this month!!
