

## Walk to End Alzheimer's 2025

We had a fantastic turnout for the annual Walk to End Alzheimer's at Buhl Park on Sept. 6. It was a sea of royal blue with everyone sporting their St. Paul's shirts! THANK YOU to all of our walkers and sponsors! Our very own Nick Taylor was the DJ for the event! Thank you Nick! We are blessed by your participation and support!

## Annual Joining Generations Picnic

"It was the perfect evening to gather for our Joining Generations picnic, bringing together St. Paul's residents, Thiel alumni, faculty, and students to kick off Homecoming festivities," said Tammy Lininger. "With a wonderful turnout, delicious food, and joyful fellowship, the night truly reflected the spirit of our intergenerational collaboration and the lasting connections that make this partnership so special."

## TRICK OR TREAT

will be held on

~ **Friday, Oct. 31** ~

beginning at 4 p.m.

for St. Paul's team members  
and families.

# FUN FRIDAYS

ALL CAMPUS THEME DAYS

## Friday, Oct. 3 – Kick off to Breast Cancer Awareness Month

Show your support and join us this Friday by wearing pink to honor those impacted by breast cancer.

## Friday, Oct. 10 – Wear Flannel Day

This Friday is Wear Flannel Day! Break out your coziest plaid and join the team in celebrating fall with a little extra warmth and style.

## Friday, Oct. 17– Wear Something Gaudy

Get ready to shine (literally), this Friday is Wear Something Gaudy Day! Pull out your loudest patterns, brightest colors, and most over-the-top accessories. The bolder, the better!

## Friday, Oct. 24 – Spooky Bowling

Join us in the HFC for a frightfully fun time. We'll be rolling into the Halloween spirit with Spooky Bowling at 10 AM and again at 2 PM. Come for the strikes, stay for the spooks!

## Friday, Oct 31– Happy Halloween

Team members are invited to wear their favorite costumes to work, then, stick around for some sweet fun as we host Trick-or-Treat from 4–6 PM. Families, residents, and team members are all welcome to join in the Halloween spirit.

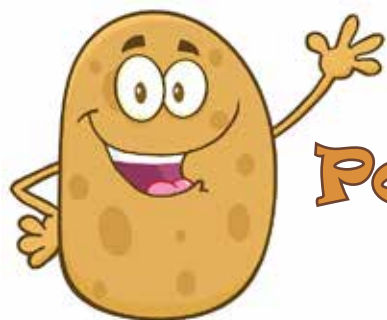

If you have a story, example, photo, etc. of any—or all—of our Core Values in action please email: [corevaluescorner@sp1867.org](mailto:corevaluescorner@sp1867.org) and we will showcase it on this page.

# Core Values

## Corner

This summer, our resident gardener, Dave Varner (at right), brought the spirit of community to life by filling the patio garden with buckets of potatoes. With care and dedication, he nurtured the plants for months—an effort rooted in compassion and shared joy. When harvest time arrived, Villas residents gathered for a “Potato Party” to dig in—literally. Buckets were overturned into a wheelbarrow, and everyone circled around, hands in the soil, uncovering potatoes like hidden treasures. It was more than just a sunny day in the garden—it was a celebration of person-centered living, where every resident is respected, engaged, and made to feel secure in the simple pleasures of life.

**It was a  
Potato Party!**

Above: Nancy Hoffacker, resident gardener in The Colony can't believe the harvest!

At left (from left) Janet McDaniel, resident at The Villas, Janet Miller (Villas Life Enrichment), Dave Varner, Mike Allen (Villas Life Enrichment), Marcia Orendi, Martha Hawk and Cathie Hays all residents at The Villas, along with Nancy Hoffacker (in front) dug through a wheelbarrow full of dirt to uncover the crop.

**St. Paul's "Pet to Work" Policy has recently been revised (see below).**

**Pet owners who wish to have their pets visit any building on campus, please see The Villas receptionist between 9 a.m. and 7 p.m. to pick up a revised policy and sign a new, revised contract.**

**Thank you!**

- As part of the Eden Alternative Philosophy, St. Paul's shall allow staff to bring appropriately trained pets to work with prior approval.
- Permission must be obtained from the Administrator or a member of the Pet Committee.
- If sharing workspace with other staff, those staff must be agreeable.
- Copies of vaccination records (including rabies and distemper) and licenses (if applicable) must be provided to the Administration office annually.
- It is recommended that pets be over 6 months of age. Please trial your pet during off-duty visits prior to bringing to work.
- Sick pets must remain at home.
- Pets must be on a non-retractable leash at all times. Failure to obey the leash rules may result in your pet being banned.
- Pets must be supervised at all times, otherwise they should be tied up or kept in a crate in a secure location.
- Pets are not permitted in areas where food is prepared, stored, dining rooms during meal times, or clean storage areas.
- Residents have the right to refuse pets in their rooms, please obey the residents' wishes.
- Pet breaks should coincide with staff breaks if at all possible.
- Pets should be appropriately trained. Excessive noise, jumping, damage to property or disruption of staff duties will not be tolerated. Pet owners are responsible for any damages that may occur.
- Owners are responsible for any and all clean up of their pet, inside and outside of the facility. Excessive soiling or damage to flooring will not be tolerated. If your pet soils the floor inside, please clean it up immediately. Carpet spot cleaning is the responsibility of the pet owner, not housekeeping.
- Infection control measures, such as hand hygiene, will be followed by residents and staff when handling animals.
- If work declines, the pet's visitation will be discontinued.
- Animals and types of animals will be selected carefully to meet the needs of residents.
- St. Paul's reserves the right to discontinue a pet's visitation at any time.

## A Message from Chaplain Pat

In the process of my moving, packing and unpacking, choosing what to keep and what no longer serves me, I found a small booklet called "The Beautiful in Life," with assorted short writings from various authors on topics such as love, gratitude, kindness, etc. One is from Wm. Henry Channing (an author I was unaware of) called "Awareness" which says, "To live content with small means.

To seek elegance rather than luxury, and refinement rather than fashion.

To be worthy, not respectable, and wealthy, not rich.

To study hard, think quietly, talk gently, act frankly.

To listen to stars and birds, to babes and sages, with open heart.

To bear all cheerfully, do all bravely, await occasion, hurry never.

In a word, to let the spiritual, unbidden and unconscious grow up through the common.

This is to be my symphony."

There are ancient Eastern riddles called Koans which are meant like the parables of Jesus to bump us out of our thinking/doing as usual; to ponder another way, see another perspective which hopefully leads to different actions and less reaction. If we take the time and ponder each statement describing 'Awareness' shared by our author, they are giving me much to ponder, much like a parable or a koan where the answer is not readily at hand. The result is different for my colleague or neighbor.

As I contemplate yet again all of the changes involved with moving, a question that came up for me is "Is it (change) easier or different if we can recognize whether we are moving FROM something or moving TOWARD something?" I believe it can be, especially if we practice living into the questions of life. I'd love to hear how the spiritual is growing up through the common for you as well.

~ News from The Ridgewood ~

## – Resident of the Month – Gayle Wolff

Gayle Wolff was born in Chicago, Ill., to Chancey and Sarah Inez, growing up alongside her brother, Tom. After graduating from Oaklawn High School, she went on to Illinois Masonic Hospital Nursing School and later worked at Cook County Hospital. It was there that she met Dr. Bruce Wolff, and the two quickly became a couple. They married on August 3, 1963, and spent many years together building a life full of love and adventure.

Throughout their marriage, Gayle and Bruce traveled to many places, including Vietnam, Japan, Europe, and Africa. They loved learning about new cultures and experiencing the world together.

Family has always been at the heart of Gayle's life. She and Bruce raised four children—Jackie, Kevin, Sarah, and Leanne—and now Gayle enjoys the company of eight grandchildren and one great-grandchild. Some of her best memories are the times spent with her family, whether it was celebrating holidays or simply enjoying each other's company. Her love for her family is evident in everything she does, and she takes great joy in watching her children and grandchildren grow.

When it comes to food, Gayle's favorites are shrimp and lobster—two dishes she never seems to get tired of.

Although Bruce has passed, Gayle continues to reflect fondly on their years together and is grateful for the life they shared. Today, she finds comfort in her family, the memories they've created, and the simple joys that life brings.

## Team Member Spotlight

Born and raised in Greenville, Gayle Cowan is one of four girls—and also a twin. After graduating from Greenville High School, she initially attended business school in Erie to become a medical secretary and also studied for a short time at Westminster College. Her first job was in Volunteer Services and Public Relations at UPMC Horizon, where she worked for seven years.

It was during this time that she met her husband, Corey, at a club where he was playing in a band. “I thought he was cute! I gave him my number and he waited a week to call me,” she recalled with a laugh. The two dated for nine months before Corey proposed, and they married just nine months later. Together they raised two daughters. After the birth of her first child, Gayle stepped away from work to stay home with her family.

When she re-entered the workforce, she took a position at Curves as an exercise instructor, where she remained for 10 years until the business closed. As she considered her next steps, she knew she wanted to continue helping people. Although she hadn’t specifically thought about working with seniors, she was familiar with Jim Sherman, then Administrator of St. Paul’s Home-Based Services, and decided to give it a try. “I’ve

always had a caregiving frame of mind,” Gayle reflected.

Since joining St. Paul’s, Gayle’s career has taken her on several journeys. In addition to her time with St. Paul’s Without Walls, she has worked as a floor technician at The Heritage and in Life Enrichment at The Villas. Ultimately, she returned to Without Walls because of the flexibility it offers with hours and days. “I’ve had many opportunities to do something different!” Gayle said.

Now grown, her daughters are 21 and 25 and both attend Gannon University. Her oldest, an RN, is studying to become a Doctor of Anesthesia, and her youngest is a senior studying Occupational Therapy.

Outside of work, Gayle enjoys staying fit. She and Corey can often be spotted walking around town together. “I love to walk and work to stay healthy,” she said. They also enjoy biking. “I don’t do crafts or garden, and I don’t watch TV or read,” she admitted with a laugh, “but I love the outdoors and being active!”

Gayle also has a beautiful talent for music. When she was just five years old, she heard a song on the radio and sat down at the piano to play it by ear. “My mom immediately got me lessons. She likes to take full credit,” Gayle laughed. Today, she continues to play piano for her mom, who is a resident at The Villas.

A dog lover, Gayle shares her home with a redbone hound named “Red.” Adopted from Strayhaven about eight years ago, Red was especially loved at first because he didn’t bark—though Gayle jokes that “he has since found his voice!” She added, “I’d love to have 10 more.”

Looking ahead, Gayle is excited about a family trip planned for 2027 to celebrate both of her daughters’ graduations—which will take place on the same day. The family is planning a cruise to Alaska. While she isn’t fond of flying, she’s looking forward to the adventure. It will be her second cruise, the first being a Caribbean cruise she and Corey enjoyed for their fifth wedding anniversary.

We are grateful for Gayle’s caregiving heart that led her to work at St. Paul’s and Without Walls!

## Polished Chrome & Lasting Memories

### Bob Boyd's Restoration Journey

At The Heritage, every resident has a story to tell. For Robert “Bob” Boyd, that story comes with the smell of oil, the shine of polished chrome, and a lifetime spent bringing old cars back to life.

Bob's love for antique automobiles began during his time in the Navy, when a buddy purchased an old car and planted the idea that he should find one of his own. The two of them would search for antique cars whenever they got together, until one day in 1964 Bob discovered the car that would change everything—a 1917 Ford Model T for sale in Clintonville. He bought it for \$265 and spent the following year restoring it himself. That Model T became much more than a car; it was a piece of history and the vehicle that set him on a path of restoration that would last a lifetime. Though he sold it years later, he still calls it his favorite, the one that meant the most.

What started with that Model T turned into a passion that spanned decades. Bob went on to restore more than 60 antique and classic cars, each with its own story. He and his wife loved to take them on the road, often traveling 50 miles to Clarion for car shows or making annual trips to Conneaut Lake Park for the Chrysler and American Motors picnics.

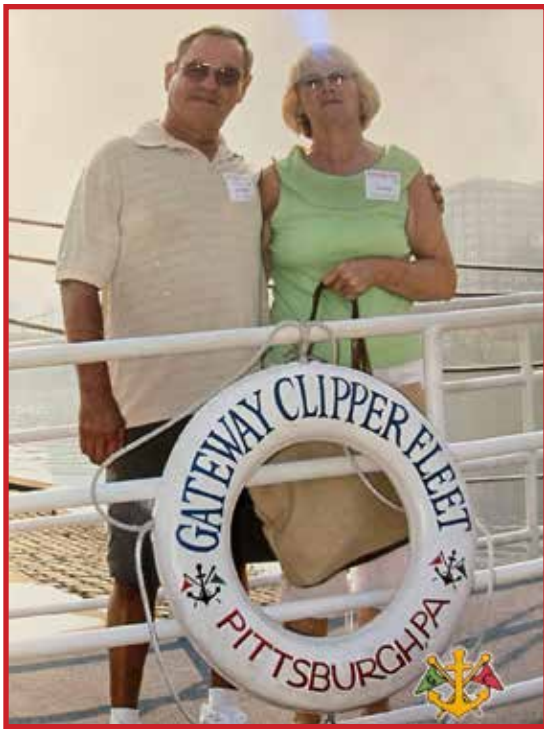

Among the many vehicles he restored was a 1929 Model A roadster, which he personalized with a Pymatuning Lake plate he had admired in his son-in-law's shed. Small touches like that made each car unique and tied them to moments and places in Bob's life.

Bob did all of his restoration work himself, pouring meticulous care into every car. He treasures the memories each car carries, recalling that “whenever you restore it, you become attached to it.” He often reflects on the Model T, saying, “I had that Model T for 60 some years. I love that old car... I said that's the only way to fly, driving that Model T Ford.”

When asked what advice he would give to someone starting out in antique car restoration, Bob simply said, “It's not choosing the one you'd like to have—it's the one you find. They're pretty hard to find. You can restore it and sell it until you find the one you like.”

Bob Boyd's story reminds us that antique cars are more than shiny showpieces. They are pieces of history, connections to community, and vessels of countless memories. Through his lifetime of restoration, Bob has kept that history alive, and his passion continues to inspire all of us.

**John and Kay Hesson**

## **We are proud to honor Herman “John” Hesson as our Resident of the Month on Willows B**

John was born on September 14, 1943 in the small southwestern Pennsylvania town of Owensdale. John met the love of his life, Kay and the couple was married on December 21, 1963. In 1968 or so John and Kay moved to Greenville. John and Kay have two children, their son John who is married to Karen and a daughter Kelly who is married to Brian. The Hessons have a granddaughter, Melissa, and a great grandson, Brett.

While in Greenville with a growing family, John was employed by Cooper-Jarrett working on big rig trucks. He was extremely active and played baseball for Cooper-Jarrett while in his 20s, and later (in his 40s and 50s) he played softball for Sloan Supply in Greenville. John loved hunting and fishing with his son. He had a pontoon boat, and they fished frequently at Pymatuning. John and his son also invested a large amount of time restoring a 1955 Chevy that they were very proud of. He loves a good pizza with pepperoni.

Sports has always been a big theme in the Hesson household. John and Kay were very active, and their children followed suit. The couple was extremely devoted and never missed any of their kids' games. John loved watching his son play baseball and his daughter play softball, volleyball, basketball, and run track. In addition to watching their children, John also enjoyed watching the Steelers, Penn State, the Pirates and hunting shows. Other than sports, John loved to travel with Kay. The couple has traveled to all 50 states including a monumental road trip to Alaska.

John has spent time in both The Heritage and The Villas at St. Paul's. He recently moved to The Villas in order to be closer to his wife. During his time here, he has enjoyed golf cart rides, ice cream socials, a beautiful setting, having everything close by, great

care, and a very nice staff to work with. John and his family appreciate the patience the staff displays. They are thankful for their kind and compassionate demeanor and the smiles they have on their faces even during stressful and challenging times.

John, we are so blessed to have you on Willows B. You are such a joy to have on the neighborhood. You have lived a fascinating life and your dedication to your wife and family is something to be very proud of. We are happy to share your story. Thank you, John for being the resident of the month on Willows B. We are glad to have you as part of our family!

## **SHOOTING FOR SUPPORT**

On Saturday, September 13, St. Paul's hosted its 5th Annual Sporting Clay Shoot at Sandycreek Conservancy in Polk, PA. With clear skies and a great turnout, the day was a beautiful success.

The event raised more than \$65,000 in support of the Good Samaritan Fund, which provides essential benevolent care for St. Paul's residents who can no longer afford the full cost of their care.

A total of 132 shooters joined in the fun—including vendors, staff, resident family members, and outdoor enthusiasts—testing their aim across 16 shooting stations, with 100 clay targets per participant. 77 sponsors contributed to the event's success through their generous support.

Beyond the competition, guests enjoyed a variety of raffles, including a reverse raffle, 50/50, raffle auction, and a gun raffle featuring a Bergara Wilderness Ridge Carbon rifle or \$1,500 cash prize.

Congratulations to our top shooters: Ryan Green who took 1st place with a score of 90, followed by Jeff Hrdlicka in 2nd with 86, and Bill Brenner in 3rd with 81. And a special congratulations to Tyler Wickham, winner of the gun raffle!

We extend our heartfelt thanks to everyone who participated and supported this incredible cause. Your generosity makes a lasting impact on the lives of our residents, and the success of this event would not have been possible without you!
