

Cary the Caring Heart – St. Paul's New Mascot – Makes Debut at Car Cruise

It's official folks! St. Paul's new mascot – Cary the Caring Heart – has arrived! Cary made its inaugural appearance at the Car Cruise in front of The Villas on Sunday, Aug. 13. To the surprise of many residents and team members, Cary appeared unannounced to greet the cruisers and visitors. As one might expect, Cary brought smiles to all the faces in the crowd!

After polling our team members and residents for mascot ideas, the "St. Paul's Caring Hearts" got the most votes out of more than sixty different options. As we know, our community is full to overflowing with many authentic caring hearts, so this mascot choice is more than appropriate. Cary is a great example and reminder of what we do at St. Paul's!

Expect to see Cary roaming through the neighborhoods spreading joy to our residents and bringing smiles to team members' faces. Cary will attend future campus events and will appear in public next on Saturday, Sept. 9 in the Jamestown parade!

At right: Cary greets Mary Alice Walsh, resident at The Villas and her daughter Rose.

Spiritual Services

*Lord, be your Word my guide.
In it, may I rejoice,
Your glory all my aim,
Your holy will my choice,
Your promises my hope,
Your providence my guard
Your arm my strong support,
Your hope my great reward.*

These beautiful words were written by Christopher Wordsworth who was a scholar, priest, and bishop of the Church of England across the 19th century—and a prolific writer of Christian poetry as well. In this text, Wordsworth lifts up God's Word as a guide and compass for daily living, one which defines our goals, directs our choices, and reminds us of the hope, help, and support available to us all the time. I like this poem especially because it's short and easily committed to memory! I recommend it as a prayer of focus with which to begin the day and also hear it myself as an invitation into Bible reading, study, and ongoing conversation with God in regards to what he might be leading us to think, speak, and do. I am glad when we can share with one another things that have been inspirational or motivational to us in terms of our lives of faith and following and hope you like Wordsworth's poem/prayer as much as I do!

Sincerely,
Pastor Julia

## ~ Resident of the Month~

### Pat Stearns

Patricia, aka "Pat" was born and raised in Greenville to Glenn and Babe Beckman. Pat has two siblings Sandi and (late) Mary Jane. Pat attended and graduated from Greenville High School. After high school she attended Thiel College where she earned her degree in elementary education. She then attended Westminster College and received her master's degree.

In 1969, Pat married her late husband Frank B. Stearns. Together they adopted two children from Korea; Jin at age 10 and David at age six. Pat now has two grandchildren, and two great-grandsons; Kai and Lucas.

Pat worked at Greenville School District as a second grade teacher for many years. In her time off from teaching Pat enjoyed spending time with her husband while he directed the Messiah choir, and singing in the church choir.

An interesting hobby Pat and her husband enjoyed together was writing. Pat loved to write stories and her husband would create music for them. The musical stories were then used for plays in the theatre.

Aside from teaching, writing and spending many hours with the choir, Pat and her family also liked to travel. They made many trips to Massachusetts, where her husband was from originally. They also traveled to Chicago, took some cruise vacations, a boat trip to Florida, and many more.

Pat's favorite food is any kind of ice cream. Some of her best memories are from her childhood simply having fun with her friends and family, especially playing outside during the summer. But she notes that her very best memories are when she and her husband adopted their two sons from Korea, Jin and David.

# Golden Willows

Our Golden Willow team member for August is one of our most kind and caring nurse aides, Catherine Houle. Catherine has worked at St. Paul's for several years and generally can be found working the afternoon shift on the Willows, but she tends to fill in on every neighborhood when she is needed. She is one of those people who is genuinely validated and rewarded by caring for people. Catherine not only cares for her residents, but she is extremely supportive and caring towards her fellow team members.

Catherine was born in the small agricultural community of Merced, Calif. She currently lives in Franklin, Pa. She has a brother Jim who lives with his wife in Sandy Lake. Her niece Mary, her husband Mike and their baby Malachai live in Seattle, Wash. Sadly, both of her parents are deceased.

When she is not helping us care for residents at St. Paul's, she enjoys bike riding, swimming and she is an excellent painter. She is the proud owner of a tuxedo kitty name Dickens. She is a fan of classic and 70's rock music – her favorite band, Journey tops the list. When her TV is on she is enjoying NCIS and Forensic Files and if it's a movie she is watching, it is Sci Fi. She has a particular affection for the Matrix series which stars her favorite celebrity Keanu Reeves. When she has her favorite meal it is some Italian food or a high quality steak! She dreams of going to Italy and Rome and visiting the ancient ruins. While there, she plans on eating authentic Italian food, drinking some great wine and taking in the work of great artists.

When asked what she likes about working at St. Paul's, Catherine was quick to point out the concerted team effort and team work with her fellow employees as the highlight of her job. Working together, we are able to ensure safe and quality care for our residents. She has a great appreciation for people who prioritize caring for elders who deserve our best. Those who do so with a positive attitude and can be honest and punctual are what bring her great joy as an employee.

Catherine, you are a truly inspiring story of someone who was not afraid to learn and develop in her profession. You have a caring heart and you show that every day you are here. You are a valuable member of the St. Paul's staff and a complement to any team you work with. Thank you so much for being here with us and sharing your talent. We salute you as a Golden Willow!

The Golden Willow for August is Mrs. Karen Mensurati! Karen has been a wonderful addition to the Willows A and has lived here with us for nearly two years. Karen was born on July 3, 1946 to Don Garland and Virgilia Brown and grew up in Mineral Ridge, Ohio for the first 22 years of her life. She grew up with one brother, Don who was younger and one sister, Cinda who was older. Growing up they had dogs, cats, chickens, and even a pony at one time.

Karen moved to Sharon in her 20's and worked for Packard making parts for automobiles. While working at Packard she was asked to go onto a blind date with a man named Elmer. She and Elmer hit it off and were soon married. Elmer and Karen raised four children – Maria, Ernie, Jerry and Judy. Her children gave Karen eight grandchildren – Tom, Sam, Matt, Amanda, Dominic, Emily, Ashtyn and Lexi.

Karen had a very diverse set of interests in her life. She enjoyed working on ceramics, gardening and for a time she worked on crocheting with her aunt but she can't remember how now. She enjoyed watching soap operas during the days, the Dick Clark dance show, HGTV and the Hallmark channel at other times. She very much enjoys a love story.

When she was growing up, she spent every Friday in the Grange Hall dancing. She enjoyed the music they played, especially the Beach Boys and the Everly Brothers. She also enjoys Country music. When asked what she likes to eat, the answer was simple—Italian food is her favorite! She would also like to meet Leonardo DiCaprio if given the chance. Karen also enjoyed traveling. She and her husband had a condo in Florida where they would spend a week or two a year. She also has been to Hawaii twice, California, Las Vegas, and Branson Missouri twice. If she was traveling again, she would love to visit Italy and England.

Karen personally wanted to thank all of the Nurses and Aides who help her on the Willows. She feels well taken care of and appreciates all they do for her. Jess Luckock got a special note for all the special care she provides and the favors she does for Karen. They truly have an awesome relationship that is heartwarming to hear about from Karen.

Karen, we are so blessed to have you on the Willows A. You add personality and spunk that simply makes the neighborhood better. You are a wonderful lady who we are lucky to have on the Willows. Thank you, Karen for being a Golden Willow. We are so glad to have you as part of our family!

## Gardens B-estie!

Our Gardens B-estie for the month of August is a fantastic nurse and overall great person Kara Brown. Kara currently works evening shifts on the Gardens, but over her 13 years as an employee at St. Paul's it seems she has worked on about every neighborhood at one time or another. Her ability to adapt to her environment, calm demeanor under pressure, willingness to pitch in as needed and friendly personality make her an extremely valuable employee, coworker and resident advocate. Kara is and always has been a resident-first and resident-focused nurse. Part of the reason she excels at St. Paul's is that her values as a nurse match our values as an organization. She respects the high standard of care and the principles that are the foundation of our mission.

Kara was born in Greenville on July 24, 1991. She attended Greenville High School and participated in track and field and was part of the dance line. She currently enjoys spending time and honing her game on the golf course. Kara has a very busy life outside of her work. She is married to her husband Nick and is the mother to three wonderful children: Nicholas, age 15; Cooper age 4; and Quinn, age 2 (all pictured at right). Along with her children she also has two German Shepards named Lady and Sadie. She is a self-described homebody, but

perhaps someday when the kids are older, she would like to take a beach vacation. When Kara finally has some time to herself, she will dabble in many kinds of music, but generally finds her way to country. She enjoys the show Forensic Files and when it comes to movies she enjoys anything action-related that has some unpredictable twists and turns. If she has a podcast on the comedy program "Call Her Daddy" is her first choice. She really isn't into sweets, but anything salty, buttery, or deep fried will have her taste buds popping!

Kara, you are such an essential piece of the puzzle that is life at St. Paul's. You have a unique way of relating to everyone and making sure you maintain your principles and standards while at the same time relating them to your coworkers. You are an excellent communicator who can make people laugh and your coworkers and residents appreciate that skill. Thank you for being a Gardens B-estie! We are so lucky to have you!

# Willows "B" Flve-light

*Josephine White* (pictured above left with her son, Chip) & *Phyllis Chisholm* were featured on the Willows B "Buzz Board"

The youngest of five siblings, Josephine was born on June 1, 1925 to Rose and Luca Vivilo in Farrell, Pa. Josephine (a.k.a. "Jo") has been a resident of St. Paul's on Willows B Neighborhood for almost two years.

With Italian parents, Jo's culinary talents included many traditional Italian dishes and delights. She loved to cook and bake, especially homemade bread, pasta and pizza. She also canned food from her garden.

Jo was a homemaker all of her life. She took care of her older sister, Jen, as she aged and needed help. Jo has one son, Chip, who is married to Shirley. Chip stops in often to spend time with Jo and brightens her day with his visits. He also likes to spoil Jo with special treats such as pizzelles, cookies, Amish fresh baked doughnuts and more!

Known for her big heart and caring spirit, Jo had previously been involved in the Altar Rosary Society and pierogi projects at her church. She continues to maintain her faith as she participates in Rosary and Mass here at St. Paul's. Jo also volunteered at Sharon General Hospital for many years. During the war, she worked at Westinghouse Transformer Corp in Sharon, Pa.

Other hobbies Jo has enjoyed over the years included crocheting afghans, slippers and potholders. She also enjoyed shopping and watching old movies. One of her favorite movies is the classic epic, *Gone with the Wind*.

Jo was known to decorate her house for all the holidays. She especially enjoyed preparing for the Christmas season.

Josephine White continues to be a sweet and loving individual who is a beloved member of the Willows B family.

A centenarian, Phyllis Corll Chisholm was born on December 9, 1920, one of five children. She has spent her life in the surrounding area having lived most of her years in Stoneboro, Sandy Lake and Greenville. Phyllis came to live at St. Paul's in 2007 and has resided on the Willows neighborhood since then.

Phyllis received her Bachelor of Science in Education from the Slippery Rock State Teachers College on Aug. 25, 1944. She began her decades-long teaching career in a one-room schoolhouse in Sandy Lake. She eventually served as principal of Sandy Lake Elementary School and continued teaching in the Sandy Lake school district for 35 years! Phyllis continues to enjoy being around children and lights up when they are in the neighborhood. (Truth be told, she's a bit partial to boys with their "snips, snails and puppy-dog tails.")

Married to Russell, Phyllis and he enjoyed countless trips, visiting nearly all of the United States except for Hawaii. One of her treasured items that she keeps in her room is a glass lamp filled with seashells she and her husband collected from their travels.

Phyllis has been an avid reader and also loved playing piano and participating in church, which she continues to faithfully attend each Sunday.

Interesting fact: For a snack, Phyllis enjoys the unusual combination of peanut butter and mayonnaise together!

Phyllis is a sweet-natured and gracious person who, at 102 years old, inspires us to remember that "goodness is the only investment that never fails." (Henry David Thoreau)

# MAKE AN IRA GIFT

before December 31, 2023.

If St. Paul's has provided excellent care to you (or a loved one), please consider **giving back** to support our charitable mission. One easy way to do that is through your IRA. If you are at least 70 1/2 years old, you can make charitable gifts directly from your IRA to your favorite charities like St. Paul's. Why use your IRA to give?

You'll have more cash in your pocket.

You can make a donation without affecting your checking or savings account balance! That means more cash in your pocket for personal use.

It's tax-free.

The money in your IRA has never been taxed. If you withdraw it for personal use, you will have to pay income tax on it. If you donate it to St. Paul's instead, it's completely tax-free!

You can meet your RMD.

If you turned 73 in 2023, you have to begin withdrawing a set amount from your IRA each year. This is called a Required Minimum Distribution (RMD). If you don't need your RMD for living expenses or you don't want it to raise your taxable income, you could donate all or a portion to St. Paul's instead.

## Hearts of Compassion

Volunteers are the heart of compassion,  
With a passion for love and a burning action,  
To make a difference, in this world of ours,  
To alleviate suffering, and heal the scars.

Their hearts beat with empathy,  
A desire to help, with generosity,  
To ease the pain, of those in need,  
And plant the seed, of love and heed.

Their hands reach out, with care and love,  
And lift the downtrodden, to rise above,  
Their eyes shine bright, with hope and joy,  
And their presence, a gift, beyond compare.

For volunteers are the heart of compassion,  
Driven by love, and a noble passion,  
To make a change, and make it right,  
To give back, with all their might.

They see the pain, that others endure,  
And with open hearts, they find the cure,  
A kind word, a warm embrace,  
A helping hand, a comforting place.

Their hearts beat with a rhythm so true,  
A symphony of love, that resonates through,  
And touches the lives, of those they serve,  
With a love that heals, and helps them curve.

For volunteers are the heart of compassion,  
The driving force, of a better vision,  
A beacon of hope, in a world of strife,  
And a promise of love, that will change life.

So let us honor, the hearts of compassion,  
And all they do, with love and passion,  
For they are the light, in a world of despair,  
And a shining example, of love and care.
