

## Wrapping Up Another Wonderful Family Picnic Season

This summer, St. Paul's was once again filled with the laughter, joy, and togetherness that come with our annual Family Picnics. A long-time tradition, the picnics are one of the most cherished parts of summer here—bringing residents, families, and friends together for afternoons of good food, music, and memories.

We extend our heartfelt thanks to everyone who joined us for these special gatherings and to the many team members who worked so hard behind the scenes to make each picnic a success. Your dedication ensured that our residents and their loved ones enjoyed afternoons filled with warmth and community.

Family Picnics are more than just events; they are celebrations of the love and connections that make St. Paul's such a special place to call home.

Enjoy some highlights on this page, with many more photos featured on pages 14-16. And, as always, you can visit the photo gallery on our website at:

And the Ramblin' Roses in The Heritage traveled all the way to Venice for their picnic on August 26.

### **Artwork on Display: Julia Moyer Showcases Her Talent in The Gathering Place in The Keifer Building**

Visitors to The Gathering Place in The Keifer Building are welcomed this season by the inspiring artwork of Julia, a Personal Care Aide at St. Paul's. Julia is a visual artist who works in a realistic style, exploring many mediums including charcoal, graphite, watercolor, acrylics, and photography. Her portraits reflect a careful attention to detail, while her photography celebrates the beauty of the natural world around her home—capturing vivid images of insects, fungi, flowers, and hummingbirds.

Julia's work has been recognized throughout the region, with pieces exhibited at local fairs, group shows, and galleries including the Meadville Council of the Arts' Heesch Gallery and the Hoyt Gallery in New Castle. Out of more than 400 entries, her work was chosen as one of seventy to be displayed in the Hoyt Gallery's 2024 Regional Show, and she has received both "Best of Show" and "People's Choice" awards. Currently, Julia is also participating in the Greenville Public Library's "Tiny Art Show," on display through August. She is also an active member of Paint Pals, a group in The Colony that gathers monthly for artists to meet, share ideas, and create together.

At St. Paul's, Julia brings the same dedication and creativity she demonstrates in her art to her work with residents. She exemplifies our core values of Compassion, Person-Centered Care, Respect, and Security—qualities she displays daily in the support she provides to our residents.

The Gathering Place was designed as a space to highlight the many talents of both residents and team members, with artwork rotating quarterly. Julia's exhibit is a shining example of how creativity, care, and community come together at St. Paul's.

We invite you to stop by The Keifer Building anytime to enjoy Julia's work, which will be on display for several more weeks.

## A Message from Chaplain Pat

Every Sunday in all three of our Worship Services, we offer a Prayer of Confession as the collective community of the church, for those things we have done and those we have failed to do. It is meant to be a powerful prayer both individually and collectively for us to re-orient ourselves and our actions back toward God to be more in alignment with God's will for the World.

In our troubling times here in America, if we as the church need a beacon or even a sliver of hope, one arrived in a roundabout way. Not as a BIG sign or an event of WONDER, but a seemingly low-key exercise with some meaningful and inspiring results. Not from down the road or across our country, but from halfway around the world through the American native, now the new Pope of the Roman Catholic church, Pope Leo XIV.

In the summer vacation place of Castel Gandolfo, Italy, Pope Leo celebrated a Mass for over 110 people, while he was vacationing, then invited the attendees into the Vatican's lakeside estate for a meal. Who were the invitees? Was it Cardinals and Bishops from the church? Celebrated local dignitaries? No, it was the people cared for by the local Caritas (meaning charity or love) church charity and their volunteers. Refugees, homeless and poor people were the guests of honor along with those who care for them.

"In the church, Pope Leo said, "everyone is poor and precious, and all share the same dignity. (And) I encourage you not to distinguish between those who assist and those who are assisted, between those who seem to give and those who seem to receive, between those who appear poor and those who feel they have something to offer in terms of time, skills and help."

Whether any of us who identify as Christians also identify with a particular denomination, either as a Protestant or Roman Catholic, are we able to hear and receive this message being shared and use it to inspire and then transform our actions here at St. Paul's? Can each of us as members of the church truly work toward being the holy catholic (universal) Church? What about those of us who approach God in a different way, perhaps Jewish, or Universalist, or Buddhist? What about those of us who live lives of compassion without a stated belief system? Can we continue to act on this message to tear barriers and walls down between ourselves and give and receive as we are able? I truly hope so.

— Chaplain Pat

## Team Member Spotlight

Terri Descoteaux was born and raised in Southern California. She is a proud mother to one daughter and a devoted grandmother to a granddaughter, both of whom reside in Delaware.

Terri first moved to Pennsylvania – sight unseen – when she was 40 years old and quickly fell in love with the area. After three years, her path took her to Delaware, where she lived for seven years. However, her deep affection for Greenville never faded, and she eventually decided to return and make it her permanent home. “Even though I don’t have any family members who live locally, I just couldn’t imagine living anywhere else,” Terri said. “I just love it here!” Greenville has now been her home for more than 12 years. “I prayed about it. God opened doors – one after another – and I’ve never regretted making the move!” she said.

While living in California, Terri worked as a legal secretary, but during her time in Delaware she had the opportunity to work in Life Enrichment at a senior living community, where she served residents in the memory support neighborhoods. “I fell in love with it!” she shared.

When she returned to Pennsylvania, continuing in that field felt like the natural next step. “My friend Myrna suggested that I look into St. Paul’s and the rest is history,” Terri said. Her career at St. Paul’s has included several meaningful roles. She began working full-time in Life Enrichment on the Jones Serenity Circle and Lane neighborhoods. Later,

she learned of a full-time opening at the Oakview Community Living Home through the Without Walls Home-Based Services department. “I really enjoyed that! I was able to work one-on-one with the clients and really got to know them. It was a great fit for my personality,” Terri noted.

When the house closed in July of 2024, Terri returned to her role in Life Enrichment on the Jones Serenity Circle neighborhood and continues to work with the Without Walls program as well. She currently visits one client. “I get so excited to see her!” she said. Terri added that through her journey, she has met so many wonderful people at St. Paul’s. “I feel so comfortable. Everyone knows me, welcomes me and waves to me!” she said.

In her personal time, Terri enjoys reading, watching movies, making greeting cards, doing crafts and cooking. “I especially enjoy cooking for other people – that was one of my favorite parts of working at Oakview Community Living Home,” she shared. She also enjoys sewing and spending time in nature. Although she doesn’t currently have any pets, she loves animals and has had many over the years, including fish, rabbits, hamsters, poodles, and cats. Today, she continues to enjoy house and pet sitting for others as a way to stay connected to this passion.

When asked to summarize her thoughts about her career at St. Paul’s, Terri didn’t hesitate and said, “Knowing that I’m giving back – that’s what matters most to me. People have been good to me during tough times in my life, and I want to do what I can to comfort others. It’s rewarding to know I’m making a difference.”

We are grateful that Terri chose to make Greenville her home all those years ago. And we are especially thankful for her dedication, compassion, and commitment to serving others at both The Heritage and Without Walls.

## **We are proud to honor Mr. Gus Kostas as our Resident of the Month on Willows B**

Gus was born on January 4, 1931, in Aliquippa, Pa., to Angelo and Jennie Kostas. His parents were first-generation Americans who immigrated from Greece. Gus is the second oldest of six children. Today, his brother John and sisters Florence and Nancy are living, while his brother Mike and sister Catherine have passed away.

Gus grew up in Farrell, Pa., where he attended Farrell schools and played basketball and football. At age 18, he enlisted in the U.S. Army and served as a Combat Construction Specialist during the Korean War for three years. He was honorably discharged in 1952.

His dedication to the military continued long after his service. Gus was a proud member of the Farrell Honor Guard and could often be found playing Taps at veterans' funerals. He remains active with the Sharon American Legion Post 2099

and the Farrell VFW Post 5286. He is also a strong supporter of the Wounded Warrior Project and the Paralyzed Veterans of America.

In June 1954, Gus married his beloved wife, Isabelle. Together they made their home in Sharpsville and raised six children: Gus Jr., Ramona, Monica, Nina, Pete, and Angelo. Their family has since grown to include eight grandchildren and eleven great-grandchildren.

Gus worked at Sharon Steel Company as a member of the United Steelworkers of America, proudly supporting his family until the mill's closing. Outside of work, he was an avid bowler and golfer, participating in local leagues. He also enjoyed playing guitar, singing, and fishing trips to Canada—hobbies he still treasures today.

Family was always at the heart of Gus and Isabelle's life. They loved gathering with loved ones for holidays, special dinners, and summer festivals. The Greek and Italian festivals, with their delicious food and lively music, were always a highlight. Sadly, Isabelle passed away last year, just two months before the couple would have celebrated their 70th wedding anniversary.

Gus, you are a wonderful part of our Willows B family. We appreciate the joy and warmth you bring to the neighborhood each day. A special thank you to your daughter, Monica, for sharing these details so we could learn more about your fascinating life.

We are honored to celebrate you this month!

On August 14, 2025, St. Paul's 1867 Society gathered at The Heritage for their annual summer reception. The evening brought together 31 members and St. Paul's leaders for conversation, wine and hors d'oeuvres.

**From left: Front row:** Jan Walther, Mary Moore, Judith McElwain, Kathy Walton, Carol Hosmer, Jean Hodge, Gerry McElree and LaWanda Johnston. **Second row:** Sue Anderson, Bonnie Barr, John Moore, Harry McElwain, J.P. The 1867 Society was created in 2020 to honor donors who have made significant contributions to St. Paul's over their lifetime of giving. This year seven new members were welcomed in the class of 2025: Edward & Betty Jean Bardella, MD of Jamestown, Pa.; Bonnie Barr of Greenville, Pa.; Kathleen Tighe Coriden of Columbus, Ind.; Nina Hillery of Akron, Ohio; and Tom & Vicki Wilkins of Salisbury, Md.

After time to mingle and enjoy refreshments, the group heard an update about St. Paul's from Dawn Hartman, Director of Strategic Giving, and Chris Wright, President & CEO. It was a wonderful evening of fellowship with some of the caring and generous supporters that surround St. Paul's.

## CHARITABLE GIFT ANNUITIES

Did you know St. Paul's offers **Charitable Gift Annuities (CGA)**? This is a way to support our mission *and* create dependable income for yourself. With a CGA, you make a gift to St. Paul's and, in return, receive fixed payments for life. After your lifetime, the remaining funds go on to strengthen the future of St. Paul's. It's a win-win!

### BENEFITS OF A CGA

**Income for Life** - Receive steady, guaranteed payments for as long as you live.

**Attractive Payout Rates** - Often higher than many conservative investments.

**Immediate Tax Deduction** - Claim a charitable income tax deduction the year you start your annuity.

**Capital Gains Savings** - Fund your annuity with stocks that have increased a lot in value and save on capital gains tax.

**Option to See the Impact Today** - You can choose to grant the charitable portion of your gift up front, rather than waiting until later.

### HOW TO GET STARTED
