Bridge to Inclusion is a new recognition campaign designed to thank and applaud donors who support Healing Bridges with its mission to help people with mental health concerns and intellectual and developmental delays and autism diagnoses overcome challenges, accomplish their goals and be capable of doing anything they set their minds to, even when the odds are stacked against them.

Contributions to ***Bridge to Inclusion*** are cumulative, proving the opportunity for donors to move upward in giving levels. Members will be recognized in Healing Bridges' digital newsletter publications, on the Healing Bridges website, at various events and on a plaque at Healing Bridges' site location in Washington, PA.

We hope to count you as a generous contributor to our esteemed group of compassionate honorees as we kick start this new multi-tiered version of giving to remind those affected by behavioral and developmental health hurdles to never give up on your dreams and being the best version of yourself!
