2026 Whiskey Rebellion Festival -- Food Trucks

Washington, PA ~ Main Street Pavilion

FOOD VENDOR RULES & INFORMATION

1. **ALL menu items must be listed on the application and will be accepted upon WRF Committee approval. Food vendor space is limited and acceptance into the festival of any food vendor is contingent upon approval of the WRF Committee.**
2. **All applicants must indicate their PA Sales Tax Number (if your items for sale are subject to sales tax), include a certificate of insurance and a check or money order made payable to the Bradford House (postdated checks will not be accepted). Vendors are solely responsible for obtaining and maintaining in full force for the duration of the WRF all necessary federal, state, local, or municipal permits, licenses, certificates, or approvals. Vendors are responsible for the proper collection and reporting of any federal, state, local, or municipal sales or use taxes and must comply with municipal laws, ordinances, and regulations. Insurance of exhibitor, booth and wares is the sole responsibility of the exhibitor. Vendor is responsible for ensuring that any applicable licenses and certifications are available at your booth upon request and displayed at all times.**
3. **The entire food vendor space must be kept clean, safe, in sanitary condition, and secured in a proper manner as to prevent any risks to WRF patrons. All equipment (cooking utensils, electric cords and outlets, grills, microwaves, trailers, vans, etc.) must be maintained by the vendor in a safe and professional manner and must comply with both Health Department and fire code regulations. EACH FOOD VENDOR IS RESPONSIBLE FOR GREASE STAIN PREVENTION AND REMOVAL OF GREASE. All water lines must be food-grade. **All refuse and other trash must be disposed of by vendor in a dumpster designated by the WRF Committee (grease may NOT be disposed of in dumpsters or city drains!).****
4. **Concession stand locations will be assigned and must be staffed at all times during the festival. No in-and-out traffic during festival hours. THIS IS A SAFETY ISSUE. Early breakdown will subject the vendor to exclusion from future festivals.**
5. **Ice will NOT be provided but may be available for purchase. Access to water is not guaranteed.**
6. **A limited number of electrical outlets will be available – you must bring your own commercial-grade extension cords and power strips. If you bring a generator, it must be SILENT. Vendors will be asked to leave the event if found to be tampering with electricity in area.**
7. **Vendors must furnish their own set-up materials (tables, chairs, garbage cans, etc.). Vendors whose sites are under the Farmers Market Pavilion will not be required to have tents, but you may choose to have a tent to better define your area. Some vendors may not be under the Pavilion, and supplemental lighting will be necessary. The vendor area will be a paved public parking lot; no staking permitted and vendors must bring own weights for tents. Vendors are not permitted to attach any weights, tents, lights, signage or any other equipment or items to the Farmers Market Pavilion structure.**
8. **Absolutely no alcoholic beverages are permitted to be served or provided unless specifically approved by WRF.**
9. **Specific location is not guaranteed and depends upon individual vendor needs (electric, water, load-out/in times etc.).**
10. **Vendors must be 18 years of age or older or accompanied by an adult and must conduct themselves at all times in a competent, professional, and courteous manner. The applying vendor must be present at the WRF; in some instances, another representative may act in your place with pre-approval by the WRF. Please be able to fill customer orders as promised.**
11. **The WRF reserves the right to rule on food, booths, location, etc. and reserves the right to ask a vendor to leave the WRF or remove any menu items that do not conform to guidelines. Refunds will not be granted under such circumstances.**
12. **WRF provides “food vouchers” to some volunteers and committee members. Vendors must agree to accept the vouchers and present them to a Food Vendor Coordinator on Saturday evening, at which time the vendor will be reimbursed.**
13. **WRF reserves the right to limit sales of water and other beverages. Accepted vendors will be advised of restrictions.**

MINIMUM SPACE FEE: 10' x 10' minimum space provided. For larger trailers or space needs, add an additional fee for each additional 10' x 10' (or portion thereof) space needed. Tent/rig must not interfere with adjacent spaces or walk areas. Storage boxes that may impose on a walkway shall not be placed beside booths. Refunds will not be granted for any reason after June 30. Booth space does NOT include space for non-concession stand vehicles (including those needed for storage); vehicles must be parked in the vendor-designated lot (see “parking permits” below) or other legal parking space/area.

PARKING: Your car/truck/other private non-concession stand vehicle (including those used for storage) must be parked in a separate vendor-designated area or other legal parking space/area. Parking pass must be displayed on windshield. Only one parking permit is allotted per vendor. **Indicate on your application if you need to park trailers, panel trucks, etc.**

SET-UP/LOAD-IN: Everything you will need for your booth must be COMPLETELY loaded in no later than 4pm on Friday, unless you are a “Saturday only” vendor. Vendors will be called by cellphone to enter the food vendor area in order of placement – you may not enter the food vendor area for load-in until a coordinator calls you. For safety reasons, vendor vehicles will not be able to enter or exit the site during festival hours.

NO RAIN DATE: Event is rain or shine. In an emergency, every effort will be made to contact vendors if warranted.

ACCEPTANCE: You will receive notice by email or phone if/when you are accepted, waitlisted or rejected.
