June Scavenger Hunt

June is National Pollinator Month! In celebration, this months scavenger hunt will introduce you to numerous pollinators and plants that rely on these pollinators!

Using the map, you will guide yourself through the park, making your way to the marked spots. Once at these spots, you will find a box with an information card. To complete the scavenger hunt, you must find the contents of the card. Once found, snap a picture and upload it to:

#JuneHeadwatersHunt on Instagram!

All prizes inside of the scavenger hunt boxes are free to take, but we ask that you only take a few things, ensuring everyone gets a chance to get a prize!
