11:10—11:45 Session IV

11:50—12:25 Session V

12:30—1:00 Lunch

1:00 – 1:15 Award Ceremony/ Photos

The event is hosted
by the Erie County
Conservation District
at Headwaters Park

- Snack and drink will be provided – please have students bring a bag lunch.
- There are five (5) learning/testing stations: Forestry, Wildlife, Aquatics, Soils/Land Use, and the Oral Presentation.
- Each station will have 10 minutes of testing and 25 minutes of a learning activity. There will be 5 minutes to move to the next station.
- The Envirothon takes place rain or shine – please dress appropriately! ☺
- Tests will be completed as a team. Clipboards and pencils will be provided.
- No learning aides or electronic devices will be permitted at the stations.
- Students will remain at their activity until the signal is given to move to the next station.
- ECCD staff will be available as guides for students within the Park. However, advisors will have a chance to visit students in the Park during the activities for photo-taking opportunities and also at the end to finish the final activity with your group and walk back to lunch with them, if you choose.
- Meanwhile, advisors will be offered a chance in the Resource Center to complete the same quizzes as their students☺
