envirothon

12:35—1:35 Lunch/Award Ceremony/Photos

- Lunch will be provided. 😊
- There are five (5) learning/testing stations: Forestry, Wildlife, Aquatics, Soils/Land Use, and the 2025 Current Issue.
- The Envirothon takes place rain or shine – please dress appropriately!
- Snacks will be delivered to the teams between Sessions 2-3.
- Tests will be completed as a team. Clipboards and pencils will be provided.
- No learning aides or electronic devices will be permitted at the stations.
- Students will remain at stations until signal is given to move to the next station.
- Teachers will have an opportunity to visit the stations for photos.
- If your teams have time following the awards, student teams will be permitted to view their tests and answer keys.
- Teachers will remain in the Resource Center during the event (except for photo ops). You will have the opportunity to look at the tests in the Resource Center during the rotations. Please feel free to bring your laptop – we have wifi available😊
