Summer Camp Health Director Positions YMCA Camp Onyahsa (1 week)

Location: YMCA Camp Onyahsa, on Chautauqua Lake, Dewittville, NY. Accredited, 125 year-old traditional youth summer resident and day camp on the northern shore of Chautauqua Lake..

Qualifications: Current R.N. license preferred (LPN acceptable), CPR-AED, flexibility, and patience. Experience with youth population or camp environment preferred. Residency on-site required six days/week. (Cottage accommodations for small family available) directly on Lake.

Description: Provide health care for general small co-ed youth camp population; including treatment of minor injuries and illnesses, administration of medications, preventive health care, emergency treatment, communication with primary caregivers, wellness instruction, organization of medical records, some recreational programming or supervision, and other duties as assigned. Great experience, resume builder; and a fun and rewarding summer!

Salary Range: Weekly \$690 salary, plus room and board for a small family in a private lakefront cottage. Great experience, fun staff, American and international campers and counselors, fantastic site, friendly people, and a wonderful post-pandemic way to spend the summer!

Benefits: Free resident or day camp tuition for dependent children (during same week, limit 3).

Weekly Schedule 2024: *Position open for 1 or more weeks, from June 9 to August 10., from Sundays at 1:00pm through Saturdays at noon. Some remote pre-session responsibilities req.*
