

WCCF Gives 2026

Sponsorship Opportunities

Over the past 13 years, close to \$16,000,000 has been awarded to Washington County charities through WCCF Gives!

For some organizations, WCCF Gives has become their primary fundraising event of the year. Others have shared that participation has helped them attract new donors who first learned about their services through the WCCF Gives website. Many community foundations include a participation fee for their giving events, **but the WCCF has always offered WCCF Gives to charities at no cost.**

Through this special program, charities have the opportunity to bolster their success through monetary prizes, made possible by the generosity of our WCCF Gives sponsors. The prize distribution methodology helps level the playing field, giving all organizations, regardless of size or donor network, a chance to maximize their impact. This prize structure also allows us to distribute funds in a way that rewards effort, engagement, and innovation, ensuring that every participant has an opportunity to benefit through their involvement in this program.
