A member of the Board of Trustees or of any of its committees who believes that another member of the body has a conflict of interest may so advise the chair, who shall decide whether a conflict of interest exists, subject to an appeal, which shall be decided by a vote of a majority of the members of that body present and entitled to vote, excluding the member whose interest is in question and any other members who have already been disqualified by reason of a conflict of interest.

The Foundation shall defray the cost of any fidelity bond so required.

Section 10.2. Liability Insurance. Liability insurance shall be secured covering the trustees, officers, employees and agents as the Board of Trustees shall designate in amounts determined and approved

by the Board of Trustees.

Section 10.3. Indemnification.

- a) This Foundation shall, to the full extent permitted by the Not For Profit Corporation Code and the Directors Liability Act and any other laws of the Commonwealth of Pennsylvania as amended from time to time, pay the expenses incurred by an officer, director, employee, or agent in defending a civil or criminal action, suit or proceeding brought by any third party or brought by or in the right of the Foundation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Foundation.

The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith and in a manner which he/she reasonably believed to be in, or not opposed to, the best interest of the Foundation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his/her conduct was unlawful.
- c) This Foundation shall to the full extent permitted by the Directors Liability Act of the Commonwealth of Pennsylvania, as amended from time to time, indemnify a Director for monetary damage including judgments and amounts paid in settlement for any action taken or any failure to take any action, whether or not the indemnified liability arises or arose from any threatened, pending or complete action by or in the right of the Foundation unless the Director has breached or failed to perform the duties of his/her office and the breach constitutes self dealing, willful misconduct or recklessness; provided that indemnification will not be provided for any responsibility or liability under a criminal statute or for the payment of taxes pursuant to local, state or federal law.
- d) The indemnification and advancement of expenses provided by, or granted pursuant to this Article shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs,

executors and administrators of such person.

e) It is the intent of this Foundation, to the fullest extent permitted by the Not For Profit Corporation Code and the Directors Liability Act and any other laws of the Commonwealth of Pennsylvania, as amended from time to time, to defend and indemnify against any liability not covered by malpractice liability insurance or other insurance any person who was or is a party or is threatened or made party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including anti-trust, civil rights and punitive damage claims, by reason of the fact that he or she is or was a Director, Officer, or an employee or agent designated to receive this protection, of another Foundation, partnership, joint venture, trust or other enterprise. This Article X shall not be deemed exclusive of any rights to which those seeking indemnification or advancement of expenses may be entitled under any By-Law, agreement, contract, vote by members or disinterested directors or pursuant to the direction, howsoever embodied, of any court of any competent jurisdiction or otherwise, both as to action in his/her official capacity and as to action in another capacity by holding such office.

f) Unless ordered by a court, any indemnification under Sections 2 and 3, shall be made by the Foundation only upon the determination that indemnification is proper in the circumstances presented. Such determination of indemnification shall be made by disinterested members of the Board of Directors.

g) Indemnification shall not be made under Sections 2 and 3, where the act or failure to act giving rise to the claim has been determined by a court to have constituted misconduct or recklessness.

h) This Foundation shall have the authority to create a fund of any nature, or otherwise secure or insure in any manner, its indemnification obligations under these Bylaws or otherwise, including but not limited to securing malpractice liability insurance covering the Board of Directors, the officers and such employees as the Board of Directors shall designate in amounts determined and approved by the Board.
