***Thank you for your support!***

The Washington County Community Foundation is grateful for the many donors who support our mission to improve the quality of life in Washington County by promoting and facilitating philanthropy.

Among their generous contributions, operational gifts are especially valued, as they are vitally important to the Foundation's financial health.

The *Golden Oak Guild* was created by the Foundation to thank and recognize the select donors who have provided operational support to the WCCF at a minimum level of \$2,500 since January 1, 2017.

We hope to count you among this distinguished group.

Contributions to the *Golden Oak Guild* are cumulative, providing the opportunity for donors to move upward in the giving levels. Members will be recognized in WCCF publications, on the WCCF website, at various events, as well as on one of the *Golden Oak Guild Giving Trees* which are displayed in the WCCF CARE Education Center in the historic Samuel T. Brownlee House in Eighty Four, PA.

The Washington County Community Foundation is a 501(c)(3) publicly-supported charitable corporation. The official registration and financial information of the Foundation may be obtained from the Pennsylvania Department of State by calling toll-free, within Pennsylvania, 1-800-732-0999. Registration does not imply endorsement.
