Quick Start Guide

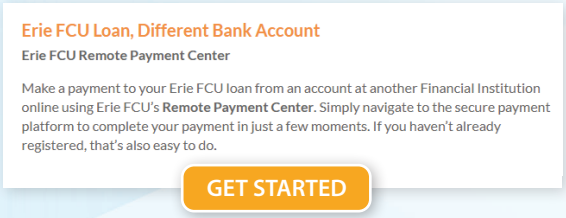

Remote Payment Center

Ready to pay? Go to: **www.eriefcu.org/loan-payment-options** or scan QR code above to begin.

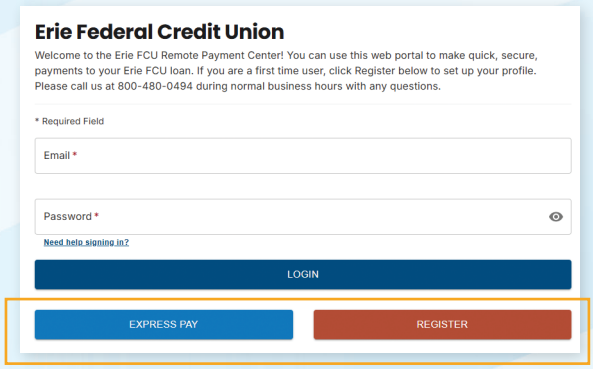

STEP 1

Register Account/Express Pay

Click the **Get Started** tab on the Loan Payments options page to launch Erie FCU Remote Payment Center.

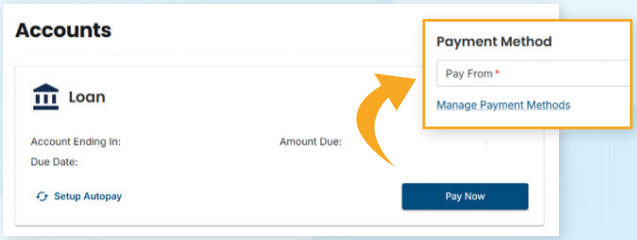

*You may **Register** an account for future payments **or** use the **Express Pay** option for one time payments.*

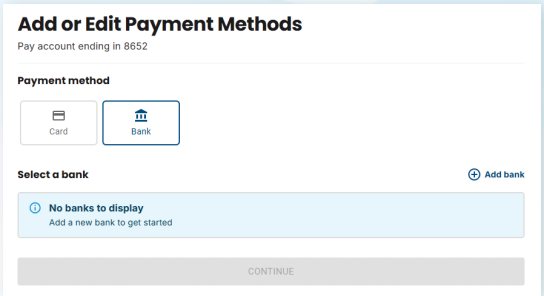

STEP 2

Adding bank account/debit card and making a payment

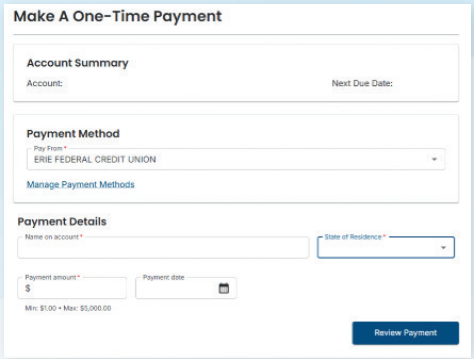

From main screen click **Pay Now** and then **Manage Payment Methods** to set up payment accounts.

Enter debit card information or account and routing number for the account you would like to pay from. Some bank accounts can be connected using your log in credentials or you can always add an account manually using your account and routing number.

Once account is saved, you can now choose that account to make a payment. **Enter your payment details and click review payment.**
