### 52<sup>nd</sup> Annual Spring Meeting

The Auxiliary at St. Paul's gathered in Anderson Fellowship Hall at The Heritage on Saturday, May 10 for its 52<sup>nd</sup> Annual Spring Meeting.

Treasurer Reba Gzdic presented Chris Wright, President and CEO of St. Paul's, with a check for \$6,000 to complete payment for new outdoor furniture for the Bistro Patio.

The program portion of the meeting featured Ron Ashbaugh, Fitness Specialist at St. Paul's and Fun Committee member who presented: "The Good Times & Golden Years: The Fun Committee in Action." He also shared a slide show of photos covering the last 3 1/2 years of activities spearheaded by the Fun Committee.

The Auxiliary Board presented the membership with a new project for the upcoming year—a wheelchair mover to assist residents in and out of the transportation vans (\$7,186). Following the vote, it was suggested that a demonstration of the new equipment be provided to volunteers after it is purchased. Upcoming fundraisers that will support this project are highlighted in the following pages.

A new slate of officers was presented and installed including new members: Pat Seiple (president), Rita Clemente and Nancy Hoffacker (committee chairs).

The Auxiliary at St. Paul's would like to thank Greenville Dairy Queen for faithfully supporting our fundraising efforts again this year. From April

through August—on five Tuesday evenings—our local DQ is donating 20% of their sales from 5 to 8 p.m. to The Auxiliary. To date, those events have raised more than \$750 toward our fundraising goal.

**July 1 & August 5 are the final Dine & Donate fundraisers of the summer. Please join us if you're able!**

# Donations further the mission of The Auxiliary

The mission of The Auxiliary of St. Paul's, historically related to the United Church of Christ, is to enhance the lives of residents by enlisting members and others to provide services and by providing financial support through fundraising efforts. Monies are raised in a variety of ways including our annual membership drive held each April. Thank you to all who became new members this year and to those who have renewed their commitment to enriching the lives of the residents at St. Paul's.

# Creative Spirits Shine in Silent Art Auction Fundraiser

*Local artists and community members come together to support The Auxiliary of St. Paul's with a successful art sale at Sans Moco Gallery*

For two weeks at the end of January, more than 36 pieces of artwork—most donated by artists from The Colony—were on display for a Silent Auction fundraiser at Sans Moco Art Gallery in downtown Greenville.

The event was a collaborative effort between The Auxiliary of St. Paul's and Fresh Grounds Coffeehouse & Café. The idea was first suggested several months ago by Gail Maycher, a talented and prolific artist who lives in The Colony. From her initial suggestion, plans quickly took shape. Word spread, artwork was gathered—from residents of The Colony, team members at St. Paul's, and other local

artists—and the concept blossomed into a highly successful fundraiser in support of The Auxiliary of St. Paul's.

On Saturday, February 1, nearly 30 guests attended the Final Bid Reception at Sans Moco to see which lucky patrons would take home the beautiful pieces. All the artwork was sold, and the auction raised a total of \$1,550.50!

Thank you, Gail, for your inspiring idea—and to everyone who contributed to making the event a success. It's a true blessing to see the talents of our residents supporting the mission of The Auxiliary of St. Paul's!
