Johhny Appleseed

Did you know:

Johnny Appleseed, born John Chapman, was a real-life 1800s nurseryman and American folk hero who planted apple orchards across the American frontier. He traveled ahead of settlers, planting seeds and establishing nurseries in Pennsylvania, Ohio, Indiana, Illinois, and West Virginia. Chapman's goal was to produce so many apples that no one would go hungry.

*On Friday September 26th at 3 pm we will be
learning more about the story of Johnny
Appleseed !*
