

JACQUELINE ANN MCTRUSTY-NAZOR MEMORIAL SCHOLARSHIP

Earlier this month, ARMC Foundation, in partnership with the Nazor family, awarded the 2026 Jacqueline Ann McTrusty-Nazor Memorial Scholarship to Shelly Beal. Shelly is an Ashtabula County native pursuing her master's degree in social work while working to serve families in Ashtabula and Trumbull counties.

Jacque dedicated her life to serving the Ashtabula community through social work. Throughout her career, including 23 years of dedicated service at ARMC, Jacque brought hope and comfort to those facing some of the hardest decisions of their lives.

To honor Jacque's legacy, the Nazor family established the Jacqueline Ann McTrusty-Nazor Memorial Scholarship which supports others who are driven to help as Jacque did.

Memorial and Tribute Gifts

ARMC Foundation offers three distinct ways to honor those who've touched our hearts and made a difference in our lives.

- The Healing Garden is located at the south end of the patient care tower.
- The Legacy Tree, designed by local craftsman Brad Stevenson, is located on the first floor of the medical office building.
- The Tree of Life is located in the ARMC Cancer & Infusion Center.
