## Dr. Ashok and Dr. Nafisa Kondru Endoscopy Center

We were honored last month to host the dedication of the Dr. Ashok & Dr. Nafisa Kondru Endoscopy Center and celebrate two individuals whose vision, dedication, and leadership have improved ARMC and touched thousands of lives in our community.

Throughout their 25-plus years of service to our hospital and our community, the Drs. Kondru did much more than practice medicine.

Dr. Ashok Kondru served on the ARMC Board of Directors for 12 years and as Chief of Staff for 2 years.

Dr. Nafisa Kondru served on the ARMC Board of Directors for 6 years, Chief of Staff for 2 years, and on the ARMC Foundation Board of Trustees for 11 years and continues to serve as an Honorary Trustee.

The Kondrus always lead by example, giving quietly of their time, their talents and their treasure.

The Dr. Ashok & Dr. Nafisa Kondru Endoscopy Center is more than double the size of the old unit and was designed to improve both the patient and caregiver experience.

## The ARMC Foundation Online Holiday Raffle is Now LIVE!
